Becoming Green Gables Alan MacEachern, 2024-06-12 In 1909 Myrtle and Ernest Webb took possession of an ordinary farm in Cavendish Prince Edward Island Ordinary but for one thing it was already becoming known as inspiration for *Anne of Green Gables* the novel written by Myrtle's cousin Lucy Maud Montgomery and published to international acclaim a year earlier The Webbs welcomed visitors to Green Gables and soon took in summer boarders making their home the heart of PEI's tourist trade In the 1930s the farm was made the centrepiece of a new national park and still the family lived there for another decade caretakers of their own home During these years Myrtle kept a diary When she first picked up the pencil in 1924 she was a forty year old homemaker running a household of eight By the time she set the pencil down in 1954 she was a seventy year old widow no longer resident in what was now the most famous house in Canada *Becoming Green Gables* tells the story of Myrtle Webb and her family and the making of Green Gables Alan MacEachern reproduces a selection of the diary's daily entries using them as springboards to examine topics ranging from the adoption of modern conveniences to the home front hosting of soldiers in wartime and visits from Aunt Maud herself While the foundation of *Becoming Green Gables* is the Webbs' own story it is also a history of their famous home their community the nation and the world in which they lived *L.M. Montgomery* Deborah Quaille, 2006

The Intimate Life of L.M. Montgomery Irene Gammel, 2005-01-01 Who ultimately is L M Montgomery and why was there such an obsession with secrecy hiding and encoding in her life and fiction Delving into the hidden life of Canada's most enigmatic writer *The Intimate Life of L M Montgomery* answers these questions The eleven essays illuminate Montgomery's personal writings and photographic self portraits and probe the ways in which she actively shaped her life as a work of art This is the first book to investigate Montgomery's personal writings which filled thousands of pages in journals and a memoir correspondence scrapbooks and photography Using theories of autobiography and life writing the essays probe the author's flair for the dramatic and her exuberance in costuming while also exploring the personal facts behind some of her fiction including the beloved *Anne of Green Gables* Focussing on topics such as sexuality depression marriage aging illness and writing the essays strip away the layers of art and artifice that disguised Montgomery's most intensely guarded secrets including details of her affair with Herman Leard her marriage with Ewen Macdonald and her friendships with Nora Lefurgey and Isabel Anderson The book also includes rare photographs taken by Montgomery and others many of which have not previously appeared in print One of the highlights of *The Intimate Life of L M Montgomery* is the inclusion of a secret diary that Montgomery wrote with Lefurgey in 1903 This hilarious document is a rare find for Montgomery's teasing banter

presents us with a new voice that is distinct from the sombre tone of her journals Published here for the first time more than 100 years after its composition this diary is virtually unknown to readers and scholars and is a welcome addition to the literature on this important figure This volume fills in many of the blanks surrounding Montgomery s personal life Engaging and erudite it is a boon for scholars and Montgomery fans alike **After Green Gables** Lucy Maud Montgomery, Ephraim Weber, 2006-01-01 After Green Gables brings to life a distinctly Canadian literary and intellectual association of writers

Literary Celebrity in Canada Lorraine York,2017-05-08 In recent years Canadian authors have enjoyed tremendous international success writing novels that become Oscar nominated films or achieve coveted success as selections for the Oprah Winfrey bookclub Literary Celebrity in Canada is the first extended study of the dynamics of celebrity in the field of Canadian literature Building on the argument that celebrity is a phenomenon firmly embraced by mainstream culture Lorraine York examines it in relation to various tensions and conflicts within the literary community and beyond Using as examples three contemporary literary celebrities Margaret Atwood Michael Ondaatje and Carol Shields and four earlier popular writers Pauline Johnson Stephen Leacock Mazo de la Roche and L M Montgomery York demonstrates that individual authors respond differently to fame in ways that can be contradictory and complex She casts doubt on the notion of a specifically Canadian response to fame Depending on the public interpretation of a particular writer s life and work different tensions arise in negotiating literary celebrity Privacy versus publicity swift success versus laborious apprenticeship national versus international association or ownership of the celebrity no single version of celebrity applies to all Citizenship however is a remarkably consistent site of tension for stars literary or otherwise Like citizenship celebrity marks an uneasy space wherein the single special individual and the group demographic both meet and separate Literary Celebrity in Canada explores that space drawing on current theories of celebrity and questioning their tendency to view fame as an empty phenomenon This study is an innovative attempt to understand the psychology of literary stardom and will influence future research on contemporary literature and popular culture

Crossing Textual Boundaries in International Children's Literature Lance Weldy,2011-01-18 As the first part of the title indicates my interest in looking at intertextuality and transformation still maintains a prominent place throughout this book as well If we believe that no text is an island then we will understand that the relationships between and within texts across the years become a fascinating place for academic inquiry I included the word boundaries into the title because we never get tired of voicing our opinions about texts which traverse relegated boundaries such as genre or medium Not only am I interested in discussing what these changes across boundaries mean socially historically and culturally but also what they mean geographically which accounts for the second part of my title I am very excited that this book will be placing even

more emphasis on children's literature in an international scene than my first book did in the sense that I have added more scholars on an international level I hesitate to list the nationalities of all of the contributors here because quite a few have themselves crossed international boundaries in different ways by either studying abroad or finding permanent residency in foreign countries Nevertheless the writers have lived extensively in or identify as being from Australia Canada England Finland Germany Greece Iceland Ireland Israel Norway Spain Sweden Turkey the United States of America and Wales
