

THE  
**REMINISCENCES**  
OF A  
**FIDDLE DEALER**

By DAVID LAURIE

The author of this book, in pursuit of his business as a fiddle and violin of historic value, travelled all over the Continent, and has hunted down of the most famous violins of the day, including one on which King George IV. learned to play, another on which Paganini performed, and a third which Lady Hall used for many years. He has hunted up all that is known of the famous fiddlers, and many of this maker's violins have passed through his hands. On all of them he has something interesting to relate, and he has many anecdotes to tell of the methods of famous violinists and how they treated their fiddles.

It is a valuable book, and will appeal to musicians and amateurs. The author writes sincerely and modestly, and with an abiding interest in his subject, of which he has been one of the chief experts and connoisseurs.
