**Gullah Spirituals** Eric Sean Crawford,2021-07-16 In *Gullah Spirituals* musicologist Eric Crawford traces Gullah Geechee songs from their beginnings in West Africa to their height as songs for social change and Black identity in the twentieth century American South While much has been done to study preserve and interpret Gullah culture in the lowcountry and sea islands of South Carolina and Georgia some traditions like the shouting and rowing songs have been all but forgotten This work which focuses primarily on South Carolina s St Helena Island illuminates the remarkable history survival and influence of spirituals since the earliest recordings in the 1860s Grounded in an oral tradition with a dynamic

and evolving character spirituals proved equally adaptable for use during social and political unrest and in unlikely circumstances. Most notably, the island's songs were used at the turn of the century to help rally support for the United States involvement in World War I and to calm racial tensions between black and white soldiers. In the 1960s, civil rights activists adopted spirituals as freedom songs, though many were unaware of their connection to the island. Gullah Spirituals uses fieldwork, personal recordings, and oral interviews to build upon earlier studies and includes an appendix with more than fifty transcriptions of St Helena spirituals, many no longer performed and more than half derived from Crawford's own transcriptions. Through this work, Crawford hopes to restore the cultural memory lost to time while tracing the long arc and historical significance of the St Helena spirituals. *Family Affair* Gil L. Robertson, 2009-03-01 It's no secret that the African American community is in crisis. From health disparities and political injustice to crime statistics and a variety of social ills, it is a community teetering on the edge. Through personal stories and essays, *Family Affair* addresses this imbalance, offering insight on issues and topics that the majority of African Americans only talk about in secret. The goal is to stimulate dialogue that supports reflection, healing, and understanding. *Family Affair* comprises five sections representing the key features that influence the African American identity: History, Politics, Behavior, Beliefs, and Self-evaluation. The book showcases a wide cross-section of contributors representing various elements of the black community. Each section features at least one religious leader and one institutional leader, as well as many celebrities from the worlds of music and broadcasting, along with ordinary people with extraordinary stories. *Lowcountry Voodoo* Terrance Zepke, 2009 When African slaves were brought to the American South to work the plantations, they brought with them their culture, traditions, and religion, including what came to be called voodoo. This unique blend of Christianity, herbalism, and folk magic is still practiced in South Carolina's Lowcountry. Though a beginner's guide, *Lowcountry Voodoo* offers a surprising wealth of information about this fascinating part of Lowcountry life. Learn about the Gullah and their ways, how to bring good luck and avoid bad luck spells and curses, and how to avoid them; how to cook up traditional good luck meals for New Year's Day; a real voodoo village you can visit; sweetgrass baskets; events and tours to acquaint you with Lowcountry culture. In a selection of Lowcountry tales that feature voodoo, meet a boo hag, a bride who sheds her skin at night, Dr. Buzzard, the most famous root doctor, a giant ghost dog, a young man whose love potion worked too well, George Powell, who outwitted a haint, Crook Neck Dick, who mostly outwitted a hangman, Doctor Trott, who captured a mermaid. **Someone Knows My Name: A Novel** Lawrence Hill, 2008-11-17 Winner of the Commonwealth Writers Prize. Wonderfully written, populated by vivid characters, and rendered in fascinating detail. Nancy Kline, *New York Times Book Review*. Kidnapped from Africa as a child, Aminata Diallo is enslaved in South Carolina but escapes during the chaos of the Revolutionary War. In Manhattan, she becomes a scribe for the British, recording the names of blacks who have served the King and earned their freedom in Nova Scotia. But the hardship and prejudice of the new colony prompt her to follow her heart back to Africa, then on to London, where she bears witness to the injustices of slavery and its
