Logan, 2015-08-05 Excerpt from *Reminiscences of a Soldier's Wife An Autobiography* To tell my own story is to tell that of my famous husband General John A Logan Our marriage was a real partnership for thirty one happy years I shared his thoughts and plans no less when he was a senator than when he was a prosecuting attorney in southern Illinois We were working in the harmony of a common purpose whether I was in the kitchen improvising a meal for his friends when he was running for the legislature or entertaining in Washington after his fame was secure and his influence nation wide With him I witnessed the stirring events in which he was a leader on the borderland of the Confederacy where he raised his Union regiment We were together whenever possible during the war I travelled with him on his political campaigns after the war Thus I came to know not only the eminent soldiers and public men of his time but the men in the ranks who believed in him and followed him whether to Vicksburg and Atlanta or in his political battles Our tastes were the same likewise our ambitions for the best attainments in life We came of the same pioneering American stock We were reared among the same surroundings of the Middle West when it was the frontier About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *Reminiscences of a Soldier's Wife* John A. Cook charts the construction of four dominant narratives by the ordinary men and women as well as the statesmen and generals who lived through the struggle and its tumultuous aftermath Part One explains why the Yankee victors' memory of the War of the Rebellion drove political conflict into the

1890s then waned with the passing of the soldiers who had saved the republic Part Two demonstrates the Civil War's capacity to thrill twentieth century Americans in movies such as *The Birth of a Nation* and *Gone with the Wind* It also reveals the war's vital connection to the black freedom struggle in the modern era Written in vigorous prose for a wide audience and designed to inform popular debate on the relevance of the Civil War to the racial politics of modern America *Civil War Memories* is required reading for informed Americans today Fast paced well researched and gripping John David Smith author of *A Just and Lasting Peace* **Monthly Bulletin of the Carnegie Library of Pittsburgh** Carnegie Library of Pittsburgh, 1915
