Reminiscences Of My Father Peter A Stolypin

Abraham Ascher

Reminiscences Of My Father Peter A Stolypin:

Reminiscences of My Father Peter A. Stolypin Мария Петровна Бок, 1970 *Reminiscences of My Father Peter A. Stolypin* Maria Bock, 1970 **Reminiscences of My Father, Peter A. Stolypin. Transl. and Ed. by M. Patoski. [Introd. by N.S. Timashev (Timašev)].** Maria Petrovna Stolypin von Bock, M. Patoski, 1970 **P. A. Stolypin** Abraham Ascher, 2002-02-01 This is the first comprehensive biography in any language of Russia's leading statesman in the period following the Revolution of 1905 Prime Minister and Minister of Internal Affairs from 1906 to 1911 when he was assassinated in post 1905 Russia P A Stolypin was virtually the only man who seemed to have a clear notion of how to reform the socioeconomic and political system of the empire **Longman Companion to Imperial Russia, 1689-1917** David Longley, 2014-07-30 This is the first book of its kind to draw together information on the major events in Russian history from 1695 to 1917 covering the eventful period from the accession of Peter the Great to the fall of Nicholas II Not only is a vast amount of material on key events and topics brought together but the book also contains fascinating background material to convey the reality of life in the period *Great Leaders, Great Tyrants?* Arnold Blumberg, 1995-01-16 Can a political leader be effective without being tyrannical Most biographies tend to treat the tyrannical aspect of a great leader's career as a contradiction to be minimized This book examines both the creative and tyrannical aspects as the anticipated consequences of the exercise of power Biographical profiles of 52 major world leaders throughout history feature pro con essays reflecting contemporary views of the creative and tyrannical aspects of their record Coverage is global from Indira Gandhi to Fidel Castro and spans history from the Egyptian king Akhenaton to Mikhail Gorbachev Among the leaders profiled are Otto von Bismarck Oliver Cromwell Charles de Gaulle Elizabeth I Ho Chi Minh Lenin Louis XIV Mao Zedong Napoleon I Kwame Nkrumah Juan Peron and Tito All biographies are written by subject specialists This work encourages critical thinking and debate about the exercise of power Coverage is global from Indira Gandhi to Fidel Castro and spans history from the Egyptian king Akhenaton to Mikhail Gorbachev Among the leaders profiled are Otto von Bismarck Oliver Cromwell Charles de Gaulle Elizabeth I Ho Chi Minh Lenin Louis XIV Mao Zedong Napoleon I Kwame Nkrumah Juan Peron and Tito Each biography begins with full name dates of the leader's lifetime offices held and a general introduction placing the leader in historical context A full biographical essay follows The editor then presents two essays in debate format contrasting the creative and tyrannical roles of the subject from a contemporary viewpoint Each biography concludes with suggestions for additional reading about the subject An important resource tool students will use *Great Leaders Great Tyrants* for debate and critical examination of periods of world history and the exercise of power *Liberal Reform in an Illiberal Regime* Stephen F. Williams, 2013-09-01 An examination of property rights reforms in Russia before the revolution reveals the advantages and pitfalls of liberal democracy in action from a government that could be described as neither liberal nor democratic The author analyzes whether truly liberal reform can be effectively established

from above versus from the bottom up or whether it is simply a product of exceptional historical circumstances *Russia and Eastern Europe, 1789-1985* Raymond Pearson, 1989 *The Tsarist Secret Police in Russian Society, 1880-1917* F. Zuckerman, 1996-04-16 This is the first book to portray the history of the Russian secret police the so called Okhrana its personnel world view and interaction with both government and people during the reigns of Alexander III and Nicholas II The secret police harassed infiltrated and subverted Russian radical and progressive society as it struggled to preserve Tsardom's traditional political culture in the face of Russia's rapid socio economic transformation a transformation which the forces of order scarcely understood yet deeply despised *The Career of a Tsarist Officer* Anton I. Denikin, 1975-08-14 The Career of a Tsarist Officer was first published in 1975 Minnesota Archive Editions uses digital technology to make long unavailable books once again accessible and are published unaltered from the original University of Minnesota Press editions General Anton I Denikin served as an officer in the Russian army throughout a notable career until 1920 when as commander in chief of the White Russian armies he was forced to flee from Bolshevik forces at Novorossiisk In these memoirs which cover his childhood youth and military service up to 1916 we have an unusually candid autobiography and one which illuminates some little known aspects of Russian social as well as military history General Denikin was born in 1872 in the Warsaw province of Russian Poland He was a graduate of the prestigious General Staff Academy in St Petersburg and during his years at the academy he launched a literary career which continued for the rest of his life enabling him to support his family in their later exile Distinguished service in the Russo Japanese War earned his promotion to colonel in the army and from that time in 1905 to his tragic fate in 1920 when he left Russia never to return he served his country with a deep and abiding loyalty matched only by his devotion to the Orthodox religion After living in exile in several European countries principally in France he moved in 1945 to the United States where he died in 1947 The present volume is a translation from the Russian language edition which was published in 1953 by the Chekhov Publishing house in New York In this General Denikin's last work he provides the social and intellectual background for an understanding of the traits of the Russian officer corps which enabled them to continue the fight for a unified non Bolshevik Russia even after the tsar was dead and the cause obviously lost Through Denikin's eyes one sees also a revealing picture of the efforts of Russo Japanese War participants to renovate the Russian army in the interwar period their recognition of the growing threat from Germany as well as from the revolutionaries and the futility they felt as they entered prematurely into World War I **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office, 1973 **Russia in the Age of Modernisation and Revolution 1881 - 1917** H. Rogger, 2014-07-30 Hans Rogger's study of Russia under the last two Tsars takes as its starting point what the Russians themselves saw as the central issue confronting their nation the relationship between state and society and its effects on politics economics and class in these critical years **Who's Who in Modern History** Alan Palmer, 2019-05-07 Who's Who in Modern History is a unique reference book which examines those individuals who have shaped the political world since

1860 Coverage is truly global including the most important figures in Europe Asia North America Latin America Africa and Australasia It provides an easy to use A Z layout authoritative detailed biographies of the most important figures since 1860 from Clemenceau and Chief Buthelezi to King Fahd and Benazir Bhutto bibliographical references for each entry to aid further research extensive cross referencing an essential guide for students researchers and the general reader alike *The Crisis of the Old Order in Russia* Roberta Thompson Manning,2019-01-29 Focusing on the role of the landowning gentry in the First Russian Revolution of 1905 1907 Roberta Manning explores the complex relationship between this traditional social and political elite and the imperial Russian government in the period between the abolition of serfdom and the February Revolution of 1917 In contrast to the commonly accepted view that the 1905 Revolution significantly expanded the circle of people involved in government Professor Manning argues that the gentry became Russia's dominant political force after the 1907 coup d'etat Overwhelmed after Emancipation by economic crisis and a devastating erosion of their role in government service the gentry utilized the revitalized assemblies of the nobility and the newly founded zemstvos first to agitate for and then to dominate the representative institutions created by the 1905 Revolution Through a vast array of primary sources Professor Manning considers the acquisitions and consequences of the gentry's augmented political role and presents an updated account of the peasant rebellions of 1905 1907 and their impact on the gentry Included is a brilliant portrayal of P A Stolypin the period's most gifted gentry statesman and of the defeat accomplished with the aid of gentry pressure groups of his reform program the last comprehensive effort to restructure the political order of Imperial Russia Studies of this period of Russian history have generally focused on the dramatic confrontation between the Old Regime and its revolutionary adversaries Here Professor Manning illuminates the equally fateful conflicts within the Russian upper classes Roberta Thompson Manning is Associate Professor at Boston College Studies of the Russian Institute Columbia University Originally published in 1983 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 **Defenders of the Motherland** Matthew Rendle,2010 Matthew Rendle studies how the most powerful social groups in tsarist Russia reacted to the challenges of 1917 He argues that the alienation of elites from the tsar and their support for the Provisional Government secured the initial success of the revolution but the threat they posed laid the foundations of the repressive Soviet regime From Splendor to Revolution Julia P. Gelardi,2011-02-15 A richly detailed portrait of four women whom marriage and blood put at the center of European history Richmond Times Dispatch This sweeping saga recreates the extraordinary opulence and violence of Tsarist Russia as the shadow of revolution fell over the land and destroyed a way of life for these Imperial women From the early 1850s until

the late 1920s Russia underwent a massive transformation taking it from days of grandeur under the tsars to the chaos of revolution and the beginnings of the Soviet Union At the center of all this tumult were four Romanov women Marie Alexandrovna Tsar Alexander II s pampered daughter astonished her mother in law Queen Victoria with her strength of character Thrust into the role of queen at sixteen Olga Constantinovna s altruistic streak benefited Greeks and Russians alike Charming and vivacious Marie Feodorovna the mother of the ill fated Tsar Nicholas II excelled in her role as empress Formidable and ambitious Marie Pavlovna emerged as a rival to Tsarina Alexandra Nicholas II s embattled consort From Splendor to Revolution presents the unforgettable political and personal dramas of these extraordinary women What began for them as a time of splendor ended after World War I with a Russia destroyed by revolution Relating the drama and tragedy of royal life Gelardi ably weaves in the extended family ties that connected most European rulers including Queen Victoria Publishers Weekly starred review Simple straightforward and engaging Gelardi is proof that history written from the female perspective can be all business The Roanoke Times [The Course of Russian History, 5th Edition](#) Melvin C. Wren,Taylor Stults,2009-01-08 Now in its fifth edition this definitive history of the Russian land and people builds on its success as a fascinating survey of two thousand years of struggle to harness vast resources and talents into a powerful and cohesive nation From its beginning as a savage and exotic land Russia underwent a complex evolution of political social and religious forces the barbarism of its internal conflicts in seeming contradiction with its goals to advance in the realms of technology art education and high culture From the conflicts of the fantastically wealthy ruling class to the poor and oppressed masses emerged the Communist party and the enigmatic figures whose charismatic manipulation of political power reflected the myriad rulers before them Finally as the modern world watched this great entity collapsed in a devastatingly brief time millennia of precarious conflict proving too much for the tenuous coalescence of twentieth century politics Written in an engaging and accessible style this text presents students with a comprehensive look at the momentous events and legendary figures which helped shape Russia s turbulent history **The Revolution of 1905** Abraham Ascher,1988 The second of two volumes this is a comprehensive account of the Revolution of 1905 a decisive turning point in modern Russian history and its aftermath The book focuses on the years 1906 and 1907 and in particular on the struggle over the Duma the elected legislature that was the principal fruit of the events of 1905 **Women and Gender in Central and Eastern Europe, Russia, and Eurasia** Mary Zirin,Irina Livezeanu,Christine D. Worobec,June Pachuta Farris,2015-03-26 This is the first comprehensive multidisciplinary and multilingual bibliography on Women and Gender in East Central Europe and the Balkans Vol 1 and The Lands of the Former Soviet Union Vol 2 over the past millennium The coverage encompasses the relevant territories of the Russian Hapsburg and Ottoman empires Germany and Greece and the Jewish and Roma diasporas Topics range from legal status and marital customs to economic participation and gender roles plus unparalleled documentation of women writers and artists and autobiographical works of all kinds The volumes include approximately 30

000 bibliographic entries on works published through the end of 2000 as well as web sites and unpublished dissertations
Many of the individual entries are annotated with brief descriptions of major works and the tables of contents for collections
and anthologies The entries are cross referenced and each volume includes indexes
