Wordsworth and the Invention of Tourism, 1820-1900 Saeko Yoshikawa, 2016-02-17 In her study of the opening of the English Lake District to mass tourism Saeko Yoshikawa examines William Wordsworth's role in the rise and development of the region as a popular destination For the middle classes on holiday guidebooks not only offered practical information but they also provided a fresh motive and a new model of appreciation by associating writers with places The nineteenth century saw the invention of Robert Burns's and Walter Scott's Borders Shakespeare's Stratford and the Brontë Country as holiday locales for the middle classes Investigating the international cult of Wordsworthian tourism Yoshikawa shows both how Wordsworth's public celebrity was constructed through the tourist industry and how the cultural identity of the Lake District was influenced by the poet's presence and works Informed by extensive archival work her book provides an original case study of the contributions of Romantic writers to the invention of middle class tourism and the part guidebooks played in promoting the popular reputations of authors

Wordsworth's Historical Imagination (Routledge Revivals) David Simpson, 2014-08-07 Traditionally Wordsworth's greatness is founded on his identity as the poet of nature and solitude The Wordsworthian imagination is seen as an essentially private faculty its very existence premised on the absence of other people In this title first published in 1987 David Simpson challenges this established view of Wordsworth arguing that it fails to recognize and explain the importance of the context of the public sphere and the social environment to the authentic experience of the imagination Wordsworth's preoccupation with the metaphors of property and labour shows him to be acutely anxious about the value of his art in a world that he regarded as corrupted Through close examination of a few important poems both well known and relatively unknown Simpson shows that there is no unitary public Wordsworth nor is there a conflict or tension between the private and the public The absence of any clear kind of authority in the voice that speaks the poems makes Wordsworth's poetry in Simpson's phrase a poetry of displacement

Transactions of the Wordsworth Society William Angus Knight, 2024-05-30 Reprint of the original first published in 1882

A Critic in Pall Mall Oscar Wilde, 2023-10-02 *A Critic in Pall Mall* is not a work by Oscar Wilde Instead it is a collection of essays and reviews written by Oscar Wilde that was published in 1885 under the title *The Critic As Artist* This collection includes two dialogues *The Critic As Artist With Some Remarks on the Importance of Doing Nothing* and *The Decay of Lying* An Observation In *The Critic As Artist* Wilde explores the role of the critic and the artist in society arguing that the critic plays an essential role in shaping public opinion about art He discusses the importance of individualism aesthetics and the idea that the critic's subjective response to art is as valuable as objective analysis In *The Decay of Lying* Wilde satirically examines the

relationship between art and reality He argues that life imitates art far more than art imitates life advocating for the value of artistic expression and imagination over strict adherence to reality Both essays are known for their wit humor and paradoxical statements which are characteristic of Wilde s writing style These essays are considered significant contributions to the fields of literary criticism and aesthetics

The Stereoscopic Picturesque Bruce Graver,2025-09-01 The Stereoscopic Picturesque is an interdisciplinary study of nineteenth century 3D photography and its relation to the picturesque tradition in art literature and tourism The study focuses on the invention of the stereoscope originally a laboratory device for demonstrating the nature of three dimensional vision and the simultaneous invention of photography in order to show how early stereo photographers used the optics of the stereoscope to extend the possibilities of picturesque representation Their images also made virtual travel possible for an international mass audience allowing millions of people to explore places and natural wonders that they would otherwise never have seen Many of these places had deep literary associations Wordsworth s Lake District for instance or Scott s Trossachs and the stereography of these regions constitutes an important yet largely unexplored chapter in the reception history of these authors Many of the photographs were deliberate attempts to encourage the preservation of environmentally sensitive sites something the realism of photography and the 3D presentation of the stereoscope made especially effective The Stereoscopic Picturesque combines fields of study that have rarely been brought into such close contiguity the history of science art history the history of photography literature and environmentalism The result is an unprecedented look at Victorian popular culture and the way stereo photography shaped their ways of seeing the world

Lives of the Great Romantics, Part I Chris Hart,2022-07-30 The memoirs in this collection are written by those who had personal knowledge of Shelley Byron and Wordsworth or who claimed to be recording the accounts of those who had such knowledge Each volume in this set contains facsimilies of the original memoirs

OSCAR WILDE Ultimate Collection: 250+ Titles in One Edition Oscar Wilde,2023-12-09 The OSCAR WILDE Ultimate Collection 250 Titles in One Edition is a monumental anthology that encapsulates the wit aestheticism and profound philosophical inquiry characterizing Wilde s oeuvre This compendium offers not only his famed plays such as The Importance of Being Earnest and An Ideal Husband but also his essays poetry and short stories highlighting the delicate interplay between beauty and morality in late 19th century literature The collection is meticulously organized to guide readers through Wilde s multifaceted exploration of societal norms individuality and the pursuit of artistic expression all rendered in his signature flamboyant prose and sharp satirical humor Oscar Wilde 1854 1900 stands as one of literature s most striking figures a dandy and a champion of the aesthetic movement whose own life echoed the complexities of his works Raised in Dublin he was educated at Trinity College and Oxford where he honed his artistic sensibilities and developed a keen awareness of the social mores that would later inform his writing Wilde s trials and tribulations ultimately leading to his imprisonment provide a profound backdrop that enriches the understanding of his themes surrounding love

identity and societal constraints This ultimate collection is a treasure trove for both new and seasoned readers of Wilde offering an unparalleled opportunity to immerse oneself in the breadth of his contributions to literature and culture Readers will find themselves enchanted by his prose challenged by his ideas and inspired by his relentless pursuit of truth and beauty

The Life of William Wordsworth Knight,1889 The Life of William Wordsworth ,1889 *The Mind of a Poet* Raymond Dexter Havens,2020-03-24 This book seeks to study the mind of a poet specifically by picking William Wordsworth as a case study The reason for signaling out Wordsworth as the person in whom to study the mind of a poet is that The Prelude reveals with unusual fullness a mind that is fundamentally poetic Even its peculiarities its numerous limitations and its unusual emphases are in the main those of a poet Besides poetry not as with many other writers religious or social problems humanitarianism science politics economics metaphysics or literary criticism was the chief concern of his creative years Further the sheer amount of verse criticism letters and journals Wordsworth produced makes him an excellent choice for a study of this kind *Emerson, Romanticism, and Intuitive Reason* Patrick J. Keane,2005 Comparative study in transatlantic Romanticism that traces the links between German idealism British Romanticism Wordsworth Coleridge Carlyle and American Transcendentalism Focuses on Emerson s development and use of the concept of intuitive Reason which became

the intellectual and emotional foundation of American Transcendentalism Provided by publisher **The Poetry of Hartley Coleridge** Sister Mary Joseph Pomeroy,1927 **Beauty, Blissfulness & Tragedy: The Life of Oscar Wilde** Frank

Harris,2019-06-05 Beauty Blissfulness Tragedy The Life of Oscar Wilde is a biography of the famous Irish writer poet and dramatist written by his friend Frank Harris After writing in different forms throughout the 1880s Wilde became one of London s most popular playwrights in the early 1890s Today he is remembered for his epigrams his novel The Picture of Dorian Gray his plays and poetry and the circumstances of his imprisonment and early death Wilde is a central figure in aesthetic writing His controversial open lifestyle was the reason he was charged and eventually convicted for the crime of sodomy *The Complete Works of Oscar Wilde* Oscar Wilde,2023-12-09 Oscar Wilde s The Complete Works of Oscar Wilde compiles the unparalleled genius of one of the most provocative literary figures of the late 19th century This anthology presents Wilde s rich repertoire including plays poetry essays and his solitary novel The Picture of Dorian Gray Wilde s distinctive style characterized by his sharp wit vibrant language and exploration of aestheticism and moral ambiguity challenges societal norms and invites readers to probe deeper into themes of beauty decadence and the complexities of human nature The collection not only reflects the literary context of the Victorian era but also serves as a critique of its hypocrisy and repression Wilde an icon of both the literary and social circles was known for his flamboyant personality and profound insight into life s contradictions His own experiences with societal judgments and personal trials particularly his imprisonment due to his sexuality deeply informed his writing Hence this anthology can be seen as a testament to his struggle against societal constraints revealing the vulnerabilities beneath his wit and charm I wholeheartedly recommend The Complete Works of Oscar Wilde to those who seek not only to enjoy exquisite literature but to engage with a mind that challenges us to embrace the beauty of life s complexities and contradictions **The Life of Oscar Wilde** Frank
