Renata Tebaldi An Authorized Biography:

The Autobiography of Maria Callas Alma H. Bond, 1998 A fictionalised account of the well known and not so widely known details of the tempestuous and passionate creative and private life of the internationally acclaimed diva The soaring heights of her talents the fears of her decline written from a psychological highly controversial perspective **Renata Tebaldi**

Kenn Harris, 1974 **My Road to Radio and The Vocal Scene** George Jellinek, 2015-01-09 Born in Ujpest Hungary in 1919

George Jellinek began his musical career playing violin with gypsies in the family's garden restaurant He spent his adolescence doing much the same honing his talent and enriching his own musical education with frequent trips to the Hungarian Royal Opera House But when Hitler and Chamberlain signed the Munich Pact in 1938 Jellinek's quiet life was shattered How the exiled teenager survived World War II worked his way up from a poor Hungarian immigrant in Cuba and became one of the most important and influential musical administrators in New York is an unconventional but truly American success story This memoir documents the inspiring life of George Jellinek beginning with his childhood in his beloved Hungary The crisis of World War II soon invaded his life and leaving behind his family and homeland he fled west Having been finally allowed to enter the United States he was drafted into the U S Army in 1942 obligated to bear arms against the country of his birth This ironic turn of events culminated in his firsthand role in the capture of Ferenc Szalasi the leader of Hungary's Hitlerite faction The latter half of the book reveals how music helped Jellinek piece back together his broken life in America After rising to the post of musical director for radio station WQXR he went on to become the producer and host of The Vocal Scene His 36 years with that program established it as a revered fixture of New York's opera life The epilogue documents the day on which Hungary's president bestowed upon Jellinek the Knight's Cross of the Order of Merit of the Republic of Hungary *Women in World History* Anne Commire, 2002 Presents biographical profiles of significant women from throughout the history of the world each with birth and death dates when known a time line quotation and references Arranged alphabetically from Sul Vica

Michael H. Gray, Gerald D. Gibson, Daniel Allen, 1977 *Renata Tebaldi* Victor Seroff, 1961 The life of a great opera prima donna is traditionally glamorous She lives in a world of costumes and wondrous music of temperament and adulation But her life always remains something of a mystery even to her friends and admirers In this biography of Renata Tebaldi Victor Seroff raises the veil with a bold and sensitive hand giving us a truly intimate portrait of the woman behind the artist She emerges as a shy and charming person passionately devoted to her art proud of her success and aware of what it has cost her From Milan to New York from Vienna to Paris and San Francisco impresarios have only to announce a performance by Renata Tebaldi to assure a packed enthusiastic house For thirty or forty golden evenings each year the soprano performs her miracle and receives her reward But what of the months spent in study and preparation in the exhausting ordeals of travel and recording sessions What incidents and episodes in her life helped to shape and crystallize her ambition Mr Seroff tells of her

childhood and adolescence in an Italian village where she lived under the tension of her parents separation During the war while she grieved over the devastation of her beloved Italy she had to cope with the difficult circumstances of her first love She became engaged to a partisan whom she could see only at rare intervals Eventually she was forced to make the agonizing choice between marriage and her career But this is also the story of her triumphs beginnings with her memorable audition with Toscanini Her first appearance at La Scala so great a strain so important to her career was an enormous success Then came a South American tour with another soprano called Maria Callas in the company The ensuing rivalry between the two singers so often misrepresented is described here in detail This book could have been written only by someone who has known Renata Tebaldi personally At first hand Victor Seroff has witnessed many moments of despair and exultation of tragedy and triumph undergone by the singer during her career The result is the compassionate and moving story of a woman who once said When I cannot sing I just don t feel I am alive The book contains 30 illustrations of Renata Tebaldi a discography and an index Dust jacket
