*Rendezvous at Midway* Pat Frank, Joseph D. Harrington, 1972      *Rendezvous at Midway* Pat Frank, Joseph Daniel Harrington, 1968      **Major Fleet-Versus-Fleet Operations in the Pacific War, 1941-1945** Milan N. Vego, 2016 A detailed study of three major naval operations of World War II These three initiated by imperial Japan took place in the Pacific and resulted in the battles of the Coral Sea Midway Aleutians and the Philippine Sea All the cases provide ample background on the geographic and strategic context of the operations as well as an account of the unfolding of the action utilizing much primary source material in especially American and Japanese archives Provided by publisher      **Showdown in the Pacific War** Ronald E. Martell, 2015-03-06 Showdown in the Pacific War Nimitz and Yamamoto This unique book combines a carefully researched history with an easy to read analysis of the war in a fictional meeting between staff officers close to Admirals Chester Nimitz and Isoroku Yamamoto They trace the events leading to the Pacific War and the heroic struggles following the attack on Pearl Harbor to the eclipse of the Japanese war machine at Coral Sea Midway Guadalcanal and beyond Showdown reveals Yamamotos opposition to Japans waging a war it could not win along with his planning of her early successes and Admiral Nimitzs patient and careful reversal of the Empires offensives Showdown presents an even handed view of the nations that waged combat in the early stages of historys most famous naval war Ron Martell has given us a new and very interesting look at World War II in the Pacific Instead of simply retelling history he puts the reader in a fictitious yet plausible latter day conference between two of the conflicts high ranking adversaries key staff officers of the American and Japanese navies Its a genuine page turner for any fan of World War II history Ronald Russell author of No Right to Win A Continuing Dialogue with Veterans of the Battle of Midway Showdown in the Pacific is a thoroughly enjoyable read If someone asks me for a single book to read on how the Pacific War started and then was fought for the first 18 months I will heartily recommend this one Thom Walla Editor and Host of The Battle of Midway RoundTable      *The Battle for Hell's Island* Stephen L. Moore, 2016-11-01 From the author of Pacific Payback the true story of how a patchwork band of aviators saved Guadalcanal during WWII November 1942 Japanese and American forces fight for control of Guadalcanal a small but pivotal island in the South Pacific The Japanese call it Jigoku no Shima Hell s Island Amid a seeming stalemate a small group of U S Navy dive bombers is called upon to help determine the island s fate When their carriers are lost they are forced to operate from Henderson Field a small dirt and gravel airstrip on Guadalcanal They help form the Cactus Air Force tasked with making dangerous flights from their jungle airfield while holding the line against Japanese air assaults warship bombardments and sniper attacks from the jungle When the Japanese launch a final offensive to take the island these dive bomber jocks answer the call of duty turning back an enemy warship armada fighter planes and a convoy of troop transports The Battle for Hell s Island reveals how command of the South Pacific and the outcome of the Pacific War depended on control of a single dirt airstrip and the small group of battle weary aviators sent to protect it with their lives INCLUDES

*Secret* Sewall Menzel,2020-05-04 This book provides a penetrating look into Franklin D Roosevelt s strategy to bait Adolf Hitler into declaring war on America in order to defeat Germany militarily thus preventing the Nazis from developing the atomic bomb In late 1939 President Roosevelt learned that Hitler was attempting to develop an atomic bomb to use against the United States The president responded by directing his own scientific community to develop an atomic bomb and began making plans to go to war with Germany However he was hampered by public opinion with 80 percent of the American people against U S involvement in another ground war in Europe Roosevelt seized an opportunity in 1940 when Japan and Nazi Germany formed a military alliance To bait Germany into war FDR shut down Japan s war making economy prompting Tokyo to attack Pearl Harbor A few days later Hitler declared war on America Using declassified documents this book shows how Pearl Harbor was not about Japan it was about the United States going to war with Germany It reveals how the U S Navy s intelligence gathering system could break virtually any Japanese naval code but Admiral Husband E Kimmel the commander of the U S Pacific Fleet was kept in the dark about the impending Pearl Harbor attack by his own government
