Schroeder Joan A. Lowy, 2003-10-30 This is the first biography of Pat Schroeder outspoken Colorado Democrat elected to Congress in 1972 beloved by the left and despised by the right **To Face Down Dixie** James O. Heath, 2017-12-14 In an era during which the United States Supreme Court handed down some of its most important decisions including Brown v Board of Education 1954 Baker v Carr 1962 and Miranda v Arizona 1966 three senators from South Carolina Olin Johnston Strom Thurmond and Ernest Fritz Hollings waged war on the court's progressive agenda by targeting the federal judicial nominations process To Face Down Dixie explores these senators role in some of the most contentious confirmation battles in recent history including those of Thurgood Marshall Abe Fortas and Clement Haynsworth In scrutinizing Supreme Court nominees and attempting to restrict the power of the nine justices of the court these senators defied not only the leadership of the Democratic Party but also the Senate traditions of hierarchy and seniority Along with South Carolina's conservative segregationist political establishment which maintained ironclad control over the state's legislature Johnston Thurmond and Hollings effectively drowned out the many moderate voices in South Carolina that remained critical of their obstructionism thus advancing their own conservative credentials and boosting their chances of reelection To Face Down Dixie examines for the first time the central role that South Carolina played in turning Supreme Court nomination hearings into confrontational and political public events James O Heath argues that the state's war on the court concealed its antipathy to civil rights by using the confirmation process to challenge the court's function as the final arbiter of policy on questions relating to law and order obscenity communist subversion and school prayer Heath's study illustrates that while South Carolina's history of massive resistance is less prominent than that of other states its politicians acted as persistent antagonists in the complex and dramatic debates in the U S Senate during the era of civil rights *Congressional Record* United States.
