

Rene Girard

René Girard

Rene Girard:

Rene Girard and Myth Richard Golsan, 2014-06-11 In this comprehensive introduction to the work of contemporary French critic Rene Girard Richard Golsan focuses on Girard's theory of myth and its connections to his broader exploration of the origins of suffering and violence in Western culture Golsan highlights two of Girard's primary concepts mimetic desire and the scapegoat and employs the concepts to illustrate the ways Girardian analysis of violence in biblical classical and folk myths has influenced recent work in theology psychology literary studies and anthropology The book concludes with an interview between Golsan and Girard who offers his own analysis of the appropriation and criticism of his work by a politically and intellectually diverse company of scholars

Evolution of Desire Cynthia L Haven, 2018-04-01 Ren Girard 1923 2015 was one of the leading thinkers of our era a provocative sage who bypassed prevailing orthodoxies to offer a bold sweeping vision of human nature human history and human destiny His oeuvre offering a mimetic theory of cultural origins and human behavior inspired such writers as Milan Kundera and J M Coetzee and earned him a place among the forty immortals of the Academie Francaise Too often however his work is considered only within various academic specializations This first ever biographical study takes a wider view Cynthia L Haven traces the evolution of Girard's thought in parallel with his life and times She recounts his formative years in France and his arrival in a country torn by racial division and reveals his insights into the collective delusions of our technological world and the changing nature of warfare Drawing on interviews with Girard and his colleagues

Evolution of Desire A Life of Ren Girard provides an essential introduction to one of the twentieth century's most controversial and original minds

Violence and Truth Paul Dumouchel, 1988

Conversations with René Girard René Girard, 2020-05-14 French theorist Ren Girard was one of the major thinkers of the twentieth century Read by international leaders quoted by the French media Girard influenced such writers as J M Coetzee and Milan Kundera Dubbed the new Darwin of the human sciences and one of the most compelling thinkers of the age Girard spent nearly four decades at Stanford exploring what it means to be human and making major contributions to philosophy literary criticism psychology and theology with his mimetic theory This is the first collection of interviews with Girard one that brings together discussions on Cervantes Dostoevsky and Proust alongside the causes of conflict and violence and the role of imitation in human behavior Granting important insights into Girard's life and thought these provocative and lively conversations underline Girard's place as leading public intellectual and profound theorist

A Genealogy of Violence and Religion James Bernard Murphy, 2018-04-11 Why are religious rituals symbols and rhetoric so full of images of blood sacrifice and death Why does religious fervor so often lead to Holy War Crusade and Jihad No wonder many people assume that religion tends to give rise to violence But what if it were the other way around What if violence actually gave rise to religion So argued the French literary theorist and anthropologist Rene Girard 1923 2015 Described as the Darwin of the human sciences he was elected to the French Academy in 2005 for his seminal theories of sacred violence Girard argued that

religious practices function to sublimate regulate and discharge human violence in controlled rituals Where does violence come from According to Girard from the social nature of human desire itself We desire things only because others desire them so desire is inherently rivalrous leading to violent conflict But if a scapegoat can be found then this war of all against all turns into a war of all against one Social order claimed Girard stems from the unity of a lynch mob Religious rituals then serve to commemorate the primordial murder of the scapegoat What are we to make of Girard's provocative claims about human desire violence scapegoat killings and religion Political philosopher James Bernard Murphy presents here a series of sharp and witty dialogues in which Girard attempts to defend his ideas against attacks by rival theorists among them Sigmund Freud William James Simone Weil Elias Canetti and Joseph de Maistre Whatever we might think of his answers Girard asks challenging unsettling questions In these illuminating and lively exchanges Girard squares off with the titans of social theory

The Girard Reader René Girard, 1996 René Girard the author of groundbreaking scholarly books such as *Violence and the Sacred* and *Things Hidden Since the Foundation of the World* has long been an intellectual cause célèbre in Europe Although he has studied and taught in the United States since the 1940s he is now in his 70s finding his lifework praised and taught in academic and religious circles throughout the country *The Girard Reader* brings that work to a broader audience It includes major excerpts from Girard's books and articles which cover all aspects of his theories on violence religion and culture These views cut across theology biblical studies anthropology psychology and literature The book concludes with a conversation between René Girard and editor James G Williams that brings new focus to his Christian vision and breathtaking oeuvre

To Double Business Bound René Girard, 1988-03 Girard fuses literary psychological and anthropological texts in order to view the activity of mimesis This includes the phenomena of scapegoating victimage and sacrifice They in turn serve as starting points for a breathtakingly daring and encompassing theory of the origins of human culture In an era of interdisciplinary studies this volume stands alone Choice

Discovering Girard Michael Kirwan, 2005-08-25 Really wonderful an elegantly written initiation into the mimetic theory I am lucky to have interpreters who understand what I want to say and who can write so well René Girard The work of René Girard is hugely influential in literature and cultural studies But it is in understanding the relationship between religion and violence that his theory has created its greatest impact Girard's understanding of mimetic rivalry and conflict and of scapegoating is seen by many to be the key to a completely new understanding of Christianity Girard's name evokes curiosity and often strong feelings among devotees and skeptics *Discovering Girard* is the first book to present Girard's work to a wider audience It explains and appraises Girard's mimetic theory shows its impact on theology and other disciplines and manages to convey the excitement that a discovery of Girard's ideas often generates in readers

René Girard Chris Fleming, 2004-09-03 In recent years there has been a renewed interest in the work of René Girard thought by many to be one of the most important if controversial cultural theorists of the twentieth century Girard's work is extraordinarily innovative and wide ranging cutting

across central concerns in philosophy psychoanalysis literary theory anthropology theology and sociology In this much needed introduction Chris Fleming traces the development of Girard s thought over forty years describing the context in which he worked and his influence on a number of disciplines He unpacks the hypotheses at the centre of Girard s thought mimetic desire surrogate victimage and scapegoating myth ritual and the sacred and provides an assessment of Girard s place in the contemporary academy Comprehensive and clearly written this book constitutes an excellent overview of Girard s work and is essential reading for students and researchers in continental philosophy theology literary studies French studies and cultural studies

René Girard's Mimetic Theory Wolfgang Palaver,2013-01-01 A systematic introduction into the mimetic theory of the French American literary theorist and philosophical anthropologist Ren Girard this essential text explains its three main pillars mimetic desire the scapegoat mechanism and the Biblical difference with the help of examples from literature and philosophy This book also offers an overview of Ren Girard s life and work showing how much mimetic theory results from existential and spiritual insights into one s own mimetic entanglements Furthermore it examines the broader implications of Girard s theories from the mimetic aspect of sovereignty and wars to the relationship between the scapegoat mechanism and the question of capital punishment Mimetic theory is placed within the context of current cultural and political debates like the relationship between religion and modernity terrorism the death penalty and gender issues Drawing textual examples from European literature Cervantes Shakespeare Goethe Kleist Stendhal Storm Flaubert Dostoevsky Proust and philosophy Plato Camus Sartre L vi Strauss Derrida Vattimo Palaver uses mimetic theory to explore the themes they present A highly accessible book this text is complemented by bibliographical references to Girard s widespread work and secondary literature on mimetic theory and its applications comprising a valuable bibliographical archive that provides the reader with an overview of the development and discussion of mimetic theory until the present day

The Time Has Grown Short Benoît Chantre,2022-05-01 The protagonist of Marcel Proust s *In Search of Lost Time* observes with wonder the comings and goings of the crows that roost in the belfry of the village church in Combray his childhood home For Ren Girard one of Proust s great interpreters their mysterious flight first departing from and then returning to the vertical axis of the steeple suggests the movement of modern history the crisis of aristocratic models the growing servitude of individuals possessed by mimetic desire and the final irruption of authentic transcendence In this rich exploration of Girard s insights his French editor and longtime collaborator Beno t Chantre brings Saint Paul s Letter to the Romans into dialogue with both Proust and Girard in order to push to its logical endpoint the idea of a back and forth movement from chaos to order History Chantre argues has been driven mad by the revelation of its sacrificial engine The only way out lies in a transformation internal to the crisis itself only that faith which is capable of hearing the One who speaks in the Law makes it possible to avoid the perpetual ups and downs of rivalry Acting and revealing Himself at the heart of history an intimate model hidden since the foundation of the world deals a fatal blow to the circle of sin Authentic

transcendence coincides with the eschaton the moment when according to Saint Paul historical time implodes into eternity

Violence and the Sacred René Girard, 1979 His fascinating and ambitious book provides a fully developed theory of violence as the heart and secret soul of the sacred Girard's fertile combative mind links myth to prophetic writing primitive religions to classical tragedy

The World of René Girard Nadine Dormoy, 2024-02-01 In 1988 Nadine Dormoy conducted a series of interviews with Ren Girard at a pivotal moment in his career just after a number of books and conferences had situated his work in a new context of research on self organizing systems In these interviews Girard discusses the flurry of intellectual activity that followed the landmark 1981 Stanford University conference Disorder and Order Attended by several Nobel prize winners and other important intellectual figures this event expanded his reputation in Europe and laid the groundwork for later accolades including the Modern Language Association's Award for Lifetime Scholarly Achievement and being elected as a member of the Académie Française Girard also discusses Theater of Envy his then forthcoming book on Shakespeare and his first book written in English as well as corrects several misunderstandings of his mimetic hypothesis Dormoy is a spirited interlocutor like Girard a postwar migrant who came to make a new life for herself teaching French in American universities Translated into English for the first time by leading mimetic studies scholar William A Johnsen The World of Ren Girard is a must have for those new to and familiar with Girard's work

René Girard and Secular Modernity Scott Cowdell, 2015-11-30 In Ren Girard and Secular Modernity Christ Culture and Crisis Scott Cowdell provides the first systematic interpretation of Ren Girard's controversial approach to secular modernity Cowdell identifies the scope development and implications of Girard's thought the centrality of Christ in Girard's thinking and in particular Girard's distinctive take on the uniqueness and finality of Christ in terms of his impact on Western culture In Girard's singular vision according to Cowdell secular modernity has emerged thanks to the Bible's exposure of the cathartic violence that is at the root of religious prohibitions myths and rituals In the literature the psychology and most recently the military history of modernity Girard discerns a consistent slide into an apocalypse that challenges modern ideas of romanticism individualism and progressivism In the first three chapters Cowdell examines the three elements of Girard's basic intellectual vision mimesis sacrifice biblical hermeneutics and brings this vision to a constructive interpretation of secularization and modernity as these terms are understood in the broadest sense today Chapter 4 focuses on modern institutions chiefly the nation state and the market that function to restrain the outbreak of violence And finally Cowdell discusses the apocalyptic dimension of Girard's theory in relation to modern warfare and terrorism Here Cowdell engages with the most recent writings of Girard particularly his *Battling to the End* and applies them to further conversations in cultural theology political science and philosophy Cowdell takes up and extends Girard's own warning concerning an alternative to a future apocalypse What sort of conversion must humans undergo before it is too late

René Girard and Creative Reconciliation Vern Neufeld Redekop, Thomas Ryba, 2014-01-09 The contribution of this book to the field of reconciliation is both theoretical and practical

recognizing that good theory guides effective practice and practice is the ground for compelling theory Using a Girardian hermeneutic as a starting point a new conceptual Gestalt emerges in these essays one not fully integrated in a formal way but showing a clear understanding of some of the challenges and possibilities for dealing with the deep divisions enmity hatred and other effects of violence By situating discourse about reconciliation within the context of Girardian thought it becomes clear that like Peter who vowed he would never deny Jesus but ended up doing it three times any of us is susceptible to the siren call of angry resentment and retaliation It is with a profound awareness of the power of violence that the emergence of mimetic discourse around reconciliation takes on particular urgency *René Girard and Creative Mimesis* Vern Neufeld Redekop, Thomas Ryba, 2013-11-21 For half a century Ren Girard s theories of mimetic desire and scapegoating have captivated the imagination of thinkers and doers in many fields as an incisive look into the human condition particularly the roots of violence In a 1993 interview with Rebecca Adams he highlighted the positive dimensions of mimetic phenomena without expanding on what they might be Now two decades later this groundbreaking book systematically explores the positive side of mimetic theory in the context of the multi faceted world of creativity Several authors build on Adams insight that loving mimesis can be understood as desiring the subjectivity of the other particularly when the other may be young or wounded With highly nuanced arguments authors show how mimetic theory can be used to address child and adult development including the growth of consciousness and a capacity to handle complexity Mimetic theory is brought to bear on big questions about creativity in nature evolutionary development originality and religious intrusion into politics *East Timor, René Girard and Neocolonial Violence* Susan Connelly, 2022-01-13 In a new historical interpretation of the relationship between Australia and East Timor Susan Connelly draws on the mimetic theory of Ren Girard to show how the East Timorese people were scapegoated by Australian foreign policy during the 20th century Charting key developments in East Timor s history and applying three aspects of Girard s framework the scapegoat texts of persecution and conversion Connelly reveals Australia s mimetic dependence on Indonesia and other nations for security She argues that Australia s complicity in the Indonesian invasion and occupation of East Timor perpetuated the sacrifice of the Timorese people as victims thus calling into question the traditional Australian values of egalitarianism and fairness Connelly also examines the embryonic conversion process apparent in levels of recognition of the innocent victim and of the Australian role in East Timor s suffering as well as the consequent effects on Australian self perception Emphasising Girardian considerations of fear suffering forgiveness and conversion this book offers a fresh perspective on Australian and Timorese relations that in turn sheds light on the origins and operations of human violence **Violence Renounced** Willard M. Swartley, 2000

Summary of René Girard's I See Satan Fall Like Lightning Everest Media, 2022-07-21T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 The tenth commandment which prohibits desiring the goods of your neighbor attempts to resolve the number one problem of every human community internal violence If humans are

naturally inclined to desire what their neighbors have or what their neighbors desire this means that rivalry exists at the heart of human social relations 2 Mimetic desire is the desire that arises from the objects we should not desire but do desire It is the neighbor who gives value to these objects and it is this third party who makes them desirable 3 The mimetic nature of desire explains the fragile nature of human relations We are blind to the mimetic rivalries in our world and each time we celebrate the power of our desire we glorify it We congratulate ourselves on having a desire that will last forever but we do not see what this forever conceal the idolization of the neighbor 4 The tenth commandment is the basis of imitating Jesus It is not due to self love that Jesus asks us to imitate him but to turn us away from mimetic rivalries What we are supposed to imitate is his desire which directs him toward the goal on which his intention is fixed to resemble God the Father as much as possible

All Desire is a Desire for Being René Girard, 2023-06-29 A new selection of foundational works from the influential philosopher who developed the theory of mimetic desire Why do humans have such a remarkable capacity for conflict From ancient foundational myths to the modern era the visionary thinker Rene Girard identified the constant competing desires at the heart of our existence desires that we copy from others igniting a contagious violence This remarkable and accessible new selection of Girard s work shows him as a writer for our times as he ranges over human imitation and rivalry herd behaviour scapegoating and how our violent longings play out in stories from Shakespeare to religion The explosion of social media the resurgence of populism and the increasing virulence of reciprocal violence all suggest that the contemporary world is becoming more and more recognizably Girardian in its behaviour The New York Review of Books Edited with an Introduction by Cynthia L Haven

The Enigmatic Realm of **Rene Girard**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing in short supply of extraordinary. Within the captivating pages of **Rene Girard** a literary masterpiece penned by a renowned author, readers attempt a transformative journey, unlocking the secrets and untapped potential embedded within each word. In this evaluation, we shall explore the book's core themes, assess its distinct writing style, and delve into its lasting effect on the hearts and minds of those that partake in its reading experience.

Rene Girard Introduction

In today's digital age, the availability of Rene Girard books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Rene Girard books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Rene Girard books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Rene Girard versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Rene Girard books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Rene Girard books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Rene Girard books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities

and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Rene Girard books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Rene Girard books and manuals for download and embark on your journey of knowledge?

FAQs About Rene Girard Books

1. Where can I buy Rene Girard books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Rene Girard book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Rene Girard books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing,

and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.

7. What are Rene Girard audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Rene Girard books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
