The wares of many ladies of the night are sampled by him until he meets the blonde bombshell Angelita. The sexual passion between them ignites immediately and he soon falls madly in love with her as does she for him. When he returns to his law practice a duplicitous client sells him out by telling the assistant district attorney a bunch of lies which implicate Troy in exchange for leniency. The beloved barrister becomes disbarred and is imprisoned. While serving a brief sentence the broken Banalia decides to leave his former life behind and vows to return to Angelita and free her from the evil Hector aka Solo Lobo her pimp. When he finds Angelita the struggle between Troy and his armed entourage, the fearless private investigator Gary Brody and brave Mexican guide Jose Bravo and the brutal gang of Solo Lobo, the gargantuan bodyguard Negro and cunning assistant Bruto begins. Fueled by the backup of Brody and apt tutelage of Jose, Troy devises a series of plans to conquer Lobo once and for all and free Angelita forever. His affection for and friendship with his amigo nuevo grows during this learning process until his crestfallen companion eventually confides in him regarding the dark secret of why this honorable Mexican hombre is called El Bravo by those who know him. The battles for Angelita between the two warring camps commence at the top of Baja in this first novel and continue south throughout the rest of the elongated peninsula to its inevitable end at the twin capes Cabo San Lucas and San Jos del Cabo in the sequel *Land's End Cabo*. Along the way from Tijuana to Los Cabos, Troy drives with Angelita always by his side in their desperate trip of escape. The surreal landscapes abound during their journey across this magical land. And all the adventure takes place against the background of beauty that prevails in this pristine peninsula. An ode to Baja so to speak. The unexpected and perilous predicaments that transpire on this spectacular sojourn will test the fullest measure of their collective resolve and spiritual union. *The Baja Expatriate* and *Land's End Cabo* both speak to the indomitable human spirit and the power of love. It is a story of personal redemption and the undeniable human need for freedom. An epic allegory about the never ending battle between good and evil bestowed upon us by the master storyteller Edwin Paul. It will inspire the reader to fight the good fight in one's life and to strive for what we all need in our lives: reciprocal love.
