Papacy from Saint Peter to the Present Don R. Caffery,2013-12-09 Who was the first pope Who is the pope today What does he do And why do we need one anyway The answers to these questions and more can be found in this beautifully illustrated book for children Our Holy Father the Pope takes us back to the time of Jesus so that we can learn about the origins and role of the Papacy The storybook format begins with the Gospels Jesus calling Simon Jesus renaming him Peter meaning rock and giving him the keys to the kingdom and so on It follows Peter as Jesus suffers dies and rises from the dead for all mankind The descent of the Holy Spirit the birth of the Church and the death of Peter himself for the sake of Jesus also are described The Church carries on with a new leader to replace Peter as she has down through the centuries to our own day As children will learn from this book although the Church has adapted to the times the tasks of our modern popes are not that different from those of Peter The book includes brief biographies of some famous popes a list of all the popes from Peter to the present and a bibliography Includes beautiful and inspiring illustrations by renowned French illustrator Emmanuel Beaudesson *St. Peter, His Name and His Office, as Set Forth in Holy Scripture* Thomas William Allies,1871 A History of the Popes John W. O'Malley, SJ,2009-11-16 A History of the Popes tells the story of the oldest living institution in the Western world the papacy From its origins in Saint Peter Jesus chief disciple through Pope Benedict XVI today the popes have been key players in virtually all of the great dramas of the western world in the last two thousand years Acclaimed church historian John W O Malley s engaging narrative examines the 265 individuals who have claimed to be Peter s successors Rather than describe each pope one by one the book focuses on the popes that shaped pivotal moments in both church and world history The author does not shy away from controversies in the church and includes legends like Pope Joan

and a comprehensive list of popes and antipopes to help readers get a full picture of the papacy This simultaneously reverent yet critical book will appeal to readers interested in both religion and history as it chronicles the saints and sinners who have led the Roman Catholic Church over the past 2000 years The author draws from his popular audio CD lecture series on the topic 2 000 Years of Papal History available through Now You Know Media www.nowyouknowmedia.com
