Lord, You've Got My Attention Bonnie J. Wilson, 1995-03-01 **Dear Survivor** Audrey J. Ellis, 2018-04-25 You survived but are you living Your loss has threatened your identity and the question keeps replaying over and over in your mind What did I do to deserve this In this written and silent conversation hope while in affliction is realized A peek at the life of a biblical disciple Dorcas Acts 9 and a modern day disciple Audrey demonstrates that in both sickness and death their lives exemplify Gods glory The Test of My Life Yuvraj Singh, 2013-03-19 That day I cried like a baby not because I feared what cancer would do but because I didn't want the disease I wanted my life to be normal which it could not be For the first time Yuvraj Singh tells the real story behind the 2011 World Cup when on the field triumph hid his increasingly puzzling health problems and worrying illnesses In his debut book The test of my life he reveals how plagued with insomnia coughing fits that left him vomiting blood and an inability to eat he made a deal with God On the night before the 2011 ICC Cricket World Cup final Yuvraj prayed for the World Cup in return for anything God wanted In this book he lays bare his fears doubts and the lows he experienced during chemotherapy when he lost his energy his appetite and his hair and his battle to find the will to survive Poignant personal and moving The test of my life is about cancer and cricket but more importantly it is about the human will to fight adversity and triumph despite all odds What It Takes Mark Herzlich, 2015-06-02 In 2011 he became starting linebacker for the New York Giants and triumphed in the Super Bowl after being told his cancer diagnosis meant he would never play football again As a child Herzlich found true meaning in football eventually turning his passion into a first team All American spot at Boston College But the budding star was sidelined by persistent debilitating pain in his left leg The shocking diagnosis He had Ewing's sarcoma a rare bone cancer Doctors put his odds of survival as low as ten percent and no one thought he would be able to run much less play football again Then Herzlich learned of a radical treatment that would give him the best chance to regain his strength and maybe even play football again but it could cost him his life Relying on family friends faith and deep wells of determination to help him through treatment his plan worked Not only could he run but he was physically stronger than ever and mentally ready to battle his way into the NFL When he was passed over by all thirty two teams in the draft he dug deeper and continued his training winning a spot in the Giants training camp and eventually on the team Mark Herzlich fought a battle against cancer against statistics and some days against himself Told with candor and raw emotion What It Takes is a story for anyone who has ever fought to beat the odds for anyone who has ever been told that what they are about to attempt is next to impossible INCLUDES PHOTOS With a foreword by New York Giants head coach Tom Coughlin **Aly's Fight** Aly Taylor, Josh Taylor, 2019-05-14 In this life changing book Korie Robertson TLC reality TV stars Aly and Josh Taylor share the inspiring story of how their faith sustained them through breast cancer infertility and dashed dreams October 17 2011 changed Aly and Josh Taylor's lives forever At just 24 years old Aly was diagnosed with breast cancer Everything they had known hoped for and dreamed of came to a screeching halt with the news of her
