Lords Dealing:

A Narrative of Some of the Lord's Dealings With George Müller (Vol.1-4) George Müller, 2023-11-11 In *A Narrative of Some of the Lord's Dealings With George Müller Volumes 1-4* the eminent Christian evangelist George Müller meticulously recounts his life's journey marked by profound faith and divine providence. Written in a compelling autobiographical style, Müller blends personal narrative with spiritual reflection, offering insights into his unwavering trust in God while establishing orphanages in Bristol, England. The literary context of these volumes reflects the Victorian ethos of moral earnestness and spiritual inquiry, inviting readers to grapple with the themes of faith, prayer, and God's intervention in human affairs. George Müller, born in 1805 in Prussia, became a notable figure in 19th-century Christianity, renowned for his extraordinary commitment to philanthropy and reliance on prayer. His experiences, including a troubled youth and a transformative faith, catalyzed his dedication to the welfare of orphans, demonstrating the remarkable interplay between personal belief and social action. Müller's method of operating without soliciting funds exemplifies his faith in God's provision, which breathes life into this narrative. This work is essential for anyone seeking to understand the intersection of faith and action in social ministry. Müller's account transcends mere autobiography; it inspires readers to consider the power of faith in their lives and encourages introspection about their commitments to compassion and service.

[A Narrative of Some of the Lord's Dealings With George Müller \(Vol.1-4\)](#) George Müller, 2020-05-10 It was only after the consideration of many months and after much self-examination as to my motives and after much earnest prayer that I came to the conclusion to write this work. I have not taken one single step in the Lord's service concerning which I have prayed so much. My great dislike to increasing the number of religious books would in itself have been sufficient to have kept me forever from it had I not cherished the hope of being instrumental in this way to lead some of my brethren to value the Holy Scriptures more and to judge by the standard of the word of God the principles on which they act.
