The Way of Tarot Alejandro Jodorowsky, Marianne Costa, 2009-11-17 Filmmaker Alejandro Jodorowsky s insights into the Tarot as a spiritual path Works with the original Marseille Tarot to reveal the roots of Western wisdom Provides the key to the symbolic language of the Tarot s nomadic cathedral Transforms a simple divination tool into a vehicle for self realization and healing Alejandro Jodorowsky s profound study of the Tarot which began in the early 1950s reveals it to be far more than a simple divination device The Tarot is first and foremost a powerful instrument of self knowledge and a representation of the structure of the soul The Way of Tarot shows that the entire deck is structured like a temple or a mandala which is both an image of the world and a representation of the divine The authors use the sacred art of the original Marseille Tarot created during a time of religious tolerance in the 11th century to reconnect with the roots of the Tarot s Western esoteric wisdom They explain that the Tarot is a nomadic cathedral whose parts the 78 cards or arcana should always be viewed with an awareness of the whole structure This understanding is essential to fully grasp the Tarot s hermetic symbolism The authors explore the secret associations behind the hierarchy of the cards and the correspondences between the suits and energies within human beings Each description of

the Major Arcana includes key word summaries symbolic meanings traditional interpretations and a section where the card speaks for itself Jodorowsky and Costa then take the art of reading the Tarot to a depth never before possible Using their work with Tarology a new psychological approach that uses the symbolism and optical language of the Tarot to create a mirror image of the personality they offer a powerful tool for self realization creativity and healing The Daughter of Heaven (English Edition) Judith Gautier ,Pierre Loti,2014-11-06 Example in this ebook Thoroughly to understand China one must realize that it has for three hundred years cherished in its heart a deep and continually bleeding wound When the country was conquered by the Manchus of Tartary the ancient dynasty of the Mings was forced to yield the throne to the Tzin invaders but the Chinese nation never ceased to mourn the ancient dynasty nor to hope for its restoration Revolution is therefore a permanent thing in China a fire which smoulders eternally breaking into flame in one province only to be smothered and blaze out again presently in another No doubt the Yellow Empire is too immense to permit of complete understanding among the revolutionaries or of collective effort to break off the Tartar yoke Several times nevertheless the Chinese race has been near to victory When some twenty years ago certain events which Europe never really understood brought about an upheaval in China the revolutionaries victorious for a time proclaimed at Nang King an emperor of Chinese blood and of the dynasty of the Mings His name was Ron Tsin Tse which means The Final Flowering and by the faithful his era was called Tai Ping Tien Ko which is as much as to say The Empire of the Great Celestial Peace He reigned seventeen years concurrently with the Tartar Emperor at Pekin and almost within the shadow of that city Later the authorities forced a complete suppression of his history all records of it were confiscated and burned and men were forbidden under penalty of death even to utter his name Here however is the translation of a passage relating to him which occurs in a voluminous report addressed by the Tartar general Tsen Konan Wei to the Emperor at Pekin When the revolutionaries rose in the province of Chan Tung he says they possessed themselves of sixteen provinces and six hundred cities Their guilty chief and his criminal friends had become really formidable All their generals fortified themselves in the places they had taken and not until they had stood three years of siege were we again Masters in Nang King At this time the rebel army numbered more than two hundred thousand men but not one of them would surrender The moment they perceived themselves lost they set fire to the palace and burned themselves alive Many of the women hanged or strangled themselves or threw themselves into the lakes in the gardens However I succeeded in making one young woman prisoner and pressed her to tell me where the Emperor was He is dead she replied vanquished he poisoned himself But immediately the new Emperor was proclaimed in the person of his son Hon Fo Tsen She led me to the old Emperor s tomb which I ordered broken open In it was found in fact the Emperor s body enveloped in a shroud of yellow silk embroidered with dragons He was old bald and had a white mustache I caused his body to be burned and his ashes to be thrown to the winds Our soldiers destroyed all that remained within the walls there were three days and nights of killing and pillage However one troop of several thousands of rebels very

well armed succeeded in escaping from the city dressed in the costumes of our dead and it is to be feared that the new Emperor was able to escape with them This Emperor Hon Fo Tsen who in fact did succeed in fleeing from Nang King was looked upon by the real Chinese as their legitimate sovereign and his descendants in secret no doubt reigned after him uninterruptedly To be continue in this ebook
