**Historical Dictionary of Naval Intelligence** Nigel West,2010-04-28 Naval intelligence is one of the most vital and sometimes decisive forms of intelligence Over the centuries and with particular velocity over recent decades the techniques of detecting and destroying military and commercial shipping have improved leapfrogging the equally frantic race to keep ahead of them and safeguard the huge investments involved Today the new challenges range from an increasingly aggressive strategy adopted by Pyongyang s submarine fleet and the exclusion of illegal immigrants heading for Australia and southern Europe to the capture of cocaine laded submarines in the Caribbean and the interdiction of Somali pirates off the Gulf of Aden Any accurate assessment of the comparative threat these activities pose is just as dependent on good intelligence today as it was to Admiral Lord Nelson in the days of sail The Historical Dictionary of Naval Intelligence relates the long and fascinating history of naval intelligence through a chronology an introduction a bibliography and hundreds of cross referenced dictionary entries on the organizations operations and events that made Naval intelligence what it is today

**Napoleon and the Struggle for Germany: Volume 1, The War of Liberation, Spring 1813** Michael V. Leggiere,2015-04-09 This is the first

comprehensive history of the campaign that determined control of Germany following Napoleon's catastrophic defeat in Russia Michael V Leggiere reveals how in the spring of 1813 Prussia the weakest of the great powers led the struggle against Napoleon as a war of national liberation Using German French British Russian Austrian and Swedish sources he provides a panoramic history that covers the full sweep of the battle for Germany from the mobilization of the belligerents strategy and operations to coalition warfare diplomacy and civil military relations He shows how Russian war weariness conflicted with Prussian impetuosity resulting in the crisis that almost ended the Sixth Coalition in early June In a single campaign Napoleon drove the Russo Prussian army from the banks of the Saale to the banks of the Oder The Russo Prussian alliance was perilously close to imploding only to be saved at the eleventh hour by an armistice **Department of the Army Pamphlet**

,1959 **Special Bibliographic Series** US Army Military History Research Collection,1978 **Tirpitz** Niklas Zetterling,Michael Tamelander,2009-12-19 The authors of Bismarck deliver a very good account of the Tirpitz and of the naval war in the North Atlantic and Norwegian waters during World War II NYMAS Review After the Royal Navy's bloody high seas campaign to kill the mighty Bismarck the Allies were left with an uncomfortable truth the German behemoth had a twin sister Slightly larger than her sibling the Tirpitz was equally capable of destroying any other battleship afloat as well as wreaking havoc on Allied troop and supply convoys For the next three and a half years the Allies launched a variety of attacks to remove Germany's last serious surface threat hidden within fjords along the Norwegian coast Trying an indirect approach the British launched one of the war's most daring commando raids at St Nazaire in order to knock out the last drydock in Europe capable of servicing the Tirpitz Of over six hundred commandos and sailors in the raid more than half were lost during an all night battle that succeeded at least in knocking out the drydock It was not until November 1944 that the Tirpitz finally succumbed to British aircraft armed with ten thousand pound Tallboy bombs the ship capsizing at last with the loss of one thousand sailors In this book military historians Niklas Zetterling and Michael Tamelander authors of Bismarck The Final Days of Germany's Greatest Battleship illuminate the strategic implications and dramatic battles surrounding the Tirpitz a ship that may have had greater influence on the course of World War II than her more famous sister A riveting story keeps the reader engaged Nautilus A Maritime Journal of Literature History and Culture Warship Losses of World War Two
