A Rebel Heart (Daughtry House Book #1) Beth White, 2018-06-05 Five years after the final shot was fired in the War Between the States Selah Daughtry can barely manage to keep herself her two younger sisters and their spinster cousin fed and clothed With their family's Mississippi plantation swamped by debt and the Big House falling down around them the only option seems to be giving up their ancestral land Pinkerton agent and former Union cavalryman Levi Riggins is investigating a series of robberies and sabotage linked to the impoverished Daughtry plantation Posing as a

hotel management agent for the railroad he tells Selah he'll help her save her home but only if it is converted into a hotel. With Selah otherwise engaged with renovations Levi moves onto the property to supervise while he actually attends to his real assignment right under her nose. Selah isn't sure she entirely trusts the handsome Yankee but she'd do almost anything to save her home. What she never expected to encounter was his assault on her heart. Vicksburg Michael B.

Ballard, 2005-10-12 Michael Ballard provides a concise yet thorough study of the 1863 battle that cut off a crucial river port and rail depot for the South and split the Confederate nation providing a turning point in the Civil War. The Union victory at Vicksburg was hailed with as much celebration in the North as the Gettysburg victory and Ballard makes a convincing case that it was equally important to the ultimate resolution of the conflict. **The Papers of Jefferson Davis** Jefferson

Davis, 2012-03-12 Volume 13 of The Papers of Jefferson Davis follows the former president of the Confederacy as he becomes head of the Carolina Life Insurance Company of Memphis and attempts to gain a financial foothold for his newly reunited family. Having lost everything in the Civil War and spent two years immediately afterwards in federal prison, Davis faced a mounting array of financial woes, health problems, and family illnesses and tragedies in the 1870s. Despite setbacks during this decade, Davis also began a quest to rehabilitate his image and protect his historical legacy. Although his position with the insurance company provided temporary financial stability, Davis resigned after the Panic of 1873 forced the sale of the company and its new owners canceled payments to Carolina policyholders. He left for England the following year in search of employment and to recuperate from ongoing illnesses. In 1876, Davis became president of the London-based Mississippi Valley Society and relocated to New Orleans to run the company. Throughout the 1870s, Davis waged an expensive and seemingly endless legal battle to regain his prewar Mississippi plantation, Brierfield. He also began working on his memoirs at Beauvoir, the Gulf Coast estate of a family friend. Though disfranchised, Davis addressed the subject of politics with more frequency during this decade, criticizing the Reconstruction policies of the federal government while defending the South and the former Confederacy. The volume ends with Davis's inheritance of Beauvoir, which was his last home. The editors have drawn from over one hundred manuscript repositories and private collections in addition to numerous published sources in compiling Volume 13. **An Encyclopedia of American Women at War** Lisa . Tendrich Frank, 2013-01-17 A sweeping

review of the role of women within the American military from the colonial period to the present day. In America, the achievements, defeats, and glory of war are traditionally ascribed to men. Women, however, have been an integral part of our country's military history from the very beginning. This unprecedented encyclopedia explores the accomplishments and actions of the fairer sex in the various conflicts in which the United States has fought. **An Encyclopedia of American Women at War: From the Home Front to the Battlefields** contains entries on all of the major themes, organizations, wars, and biographies related to the history of women and the American military. The book traces the evolution of their roles as leaders, spies, soldiers, and nurses and illustrates women's participation in actions on the ground as well as in making the key decisions of

developing conflicts From the colonial conflicts with European powers to the current War on Terror coverage is comprehensive with material organized in an easy to use A Z ready reference format **The Limits of Loyalty** Jarret Ruminski,2017-09-15 Jarret Ruminski examines ordinary lives in Confederate controlled Mississippi to show how military occupation and the ravages of war tested the meaning of loyalty during America s greatest rift The extent of southern loyalty to the Confederate States of America has remained a subject of historical contention that has resulted in two conflicting conclusions one southern patriotism was either strong enough to carry the Confederacy to the brink of victory or two it was so weak that the Confederacy was doomed to crumble from internal discord Mississippi the home state of Confederate President Jefferson Davis should have been a hotbed of Confederate patriotism The reality was much more complicated Ruminski breaks the weak strong loyalty impasse by looking at how people from different backgrounds women and men white and black enslaved and free rich and poor negotiated the shifting contours of loyalty in a state where Union occupation turned everyday activities into potential tests of patriotism While the Confederate government demanded total national loyalty from its citizenry this study focuses on wartime activities such as swearing the Union oath illegally trading with the Union army and deserting from the Confederate army to show how Mississippians acted on multiple loyalties to self family and nation Ruminski also probes the relationship between race and loyalty to indicate how an internal war between slaves and slaveholders defined Mississippi s social development well into the twentieth century **A Savage Conflict** Daniel E. Sutherland,2009-07-01 While the Civil War is famous for epic battles involving massive armies engaged in conventional warfare A Savage Conflict is the first work to treat guerrilla warfare as critical to understanding the course and outcome of the Civil War Daniel Sutherland argues that irregular warfare took a large toll on the Confederate war effort by weakening support for state and national governments and diminishing the trust citizens had in their officials to protect them

Mothers of Invention Drew Gilpin Faust,2004-01-01 Exploring privileged Confederate women s wartime experiences this book chronicles the clash of the old and the new within a group that was at once the beneficiary and the victim of the social order of the Old South **The Third Day at Gettysburg and Beyond** Gary W. Gallagher,2000-11-09 The six essays in this volume testify to the enduring impact of the Civil War on our national consciousness Covering subjects as diverse as tactics the uses of autobiography and the power of myth making in the southern tradition they illustrate the rewards of imaginative scholarship even for the most intensely studied battle in America s history The Third Day at Gettysburg and Beyond brings current research and interpretation to bear on a range of pivotal issues surrounding the final day of the battle July 3 1863 This revisionist approach begins by expanding our knowledge of the engagement itself individual essays address Confederate general James Longstreet s role in Pickett s Charge and Union general George Meade s failure to pursue Lee after the fighting Other essays widen the scope of investigation to look at contemporary reactions to the Confederate defeat across the South the construction of narratives by the participants themselves from Confederate survivors of Pickett s assault to Union

sergeant Ben Hirst and the reverberations of Pickett's final momentous charge. Combining fresh evidence with the reinterpretation of standard sources, these essays refocus our view of the third day at Gettysburg to take in its diverse stories of combat and memory. The contributors are Gary W. Gallagher, William Garrett Piston, Carol Reardon, Robert K. Krick, Robert L. Bee, and A. Wilson Greene.
