Lost Illusions Honoré de Balzac,2020-05-26 A new annotated translation of the keystone of Balzac's Com die Humaine a sweeping narrative of corrupted idealism in a cynical urban milieu Lost Illusions is an essential text within Balzac's Com die Humaine his sprawling interconnected fictional portrait of French society in the 1820s and 1830s comprising nearly one hundred novels and short stories This novel published in three parts between 1837 and 1843 tells the story of Lucien de Rubempré a talented young poet who leaves behind a scandalous provincial life for the shallow corrupt and cynical vortex of modernity that was nineteenth century Paris where his artistic idealism slowly dissipates until he eventually decides to return home Balzac poured many of his thematic preoccupations and narrative elaborations into Lost Illusions from the contrast between life in the provinces and the all consuming world of Paris to the idealism of poets the commodification of art the crushing burden of poverty and debt and the triumphant cynicism of hack journalists and social climbers The novel teems with characters incidents and settings though perhaps none so vivid as its panoramic and despairing view of Paris as the nexus of modernity's cultural social and moral infection For Balzac no institution better illustrates the new reality than Parisian journalism amoral hypocritical brazen dishonest and murderous he writes In this new translation Raymond N MacKenzie brilliantly captures the tone of Balzac's incomparable prose a style that is alternately impassioned overheated angry moving tender wistful digressive chatty intrusive and hectoring His informative annotations guide the modern reader through the labyrinth of Balzac's allusions **Lost illusions** Honoré de Balzac,1899 Lost Illusions Honora De

Balzac,2015-07-12 Excerpt from Lost Illusions Illusions Perdues and Gaudissart II The longest without exception of Balzac's books and one which contains hardly any passage that is not very nearly of his best Illusions Perdues suffers I think a little in point of composition from the mixture of the Angoulême scenes of its first and third parts with the purely Parisian interest of Un Grand Homme de Province It is hardly possible to exaggerate the gain in distinctness and lucidity of arrangement derived from putting Les Deux Poetes and Eve et David a much better title than that which has been preferred in the Edition Definitive together in one volume and reserving the greatness and decadence of Lucien de Rubempré for another It is distinctly awkward that this should be divided as it is itself an enormous episode a sort of Herodotean parenthesis rather than an integral part of the story And as a matter of fact it joins on much more to the Splendeurs et Miseres des Courtesanes than to its actual companions In fact it is an instance of the somewhat haphazard and arbitrary way in which the actual

division of the Comedie has worked that it should dealing as it does wholly and solely with Parisian life be put in the Scenes de la Vie de Province and should be separated from its natural conclusion not merely as a matter of volumes but as a matter of divisions In making the arrangement however it is necessary to remember Balzac s own scheme especially as the connection of the three parts in other ways is too close to permit the wrenching of them asunder altogether and finally About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
