The stories circulating about the existence of a secret of an accursed cave hidden deep in the forest have always attracted the attention and curiosity of fearless men who have tried in vain to locate its exact position Its access is protected as is the secret it guards a Library guarded by Zitreg the keeper of all the knowledge and magic it contains who possesses the ability to discern the true potential behind certain creatures lost in the current of their lives but all with something special The brave adventurers seekers and all manner of things who ve found him and the Library are given a choice either continue on their current paths or choose to become Sages giving up the lives they once knew in exchange for embracing a new beginning However soon all the chosen ones find themselves on the verge of war against an enemy that moves in the shadows and is hidden in plain sight One that is as formidable as intangible M A Geritz s career as an author or rather the moment when almost without realizing it he undertook his path as a novelist began during the screening of Revenge of the Sith From that point forward the author embarked on a personal journey searching for fresh tales tacks turns schemes and philosophical ideas His journey led him to immerse himself initially in the works of renowned authors such as Tolkien and Lewis then Rowling and Sanderson and ultimately to Oda and Kishimoto Awestruck by their craftsmanship and attention to detail he eventually began creating his own stories His time at Rollins College helped him realize his true potential thanks to some teachers who taught him how to write a good story while sticking to the original concept Subsequently following a decade long journey into fiction he crafted his own unique world creating The Tales of Zitreg Frankenstein: The Dead Town Dean Koontz,2011-05-24 Dean Koontz s enthralling Frankenstein series has redefined the classic legend of infernal

ambition and harrowing retribution for a new century and a new age Now the master of suspense delivers an unforgettable novel that is at once a thrilling adventure in itself and a mesmerizing conclusion to his saga of the modern monsters among us **FRANKENSTEIN THE DEAD TOWN** The war against humanity is raging As the small town of Rainbow Falls Montana comes under siege scattered survivors come together to weather the onslaught of the creatures set loose upon the world As they ready for battle against overwhelming odds they will learn the full scope of Victor Frankenstein's nihilistic plan to remake the future and the terrifying reach of his shadowy powerful supporters Now the good will make their last best stand In a climax that will shatter every expectation their destinies and the fate of humanity hang in the balance **BONUS** This edition contains an excerpt from Dean Koontz's *The City* Season of the Dead Paul R. Seibert, 2003-07-03 It is the year of the true millennium and Jon Erik a twelve hundred year old Master Vampire has tracked his creator Nestasia to the Crescent City of New Orleans With less than a week away from the Wiccan New Year Halloween and the beginning of the Season of the dead travelers from around the world are preparing for this year's celebration to be one of the biggest in history Everyone that is except Jon Erik He has come to town with one sole intention to exact his form of Viking retribution against his creator for killing his men 1200 years ago and damning his soul to an unspeakable immortality on earth That is until he meets Jennifer a captivating single mother trying to raise her son and struggling to make ends meet Yet like the city she has lived in all of her life she too has her own rich history with the occult and unbeknownst to her or anyone else a royal bloodline courses through her veins As a descendant of a very ancient and powerful legacy of witches she is beset with a destiny that will bind her to one of the world's oldest and most dire prophecies Living in New Orleans she thinks that she has seen just about everything however nothing in her wildest imagination could have ever prepared her for what she is about to experience after she meets Jon Their relationship along with the kidnapping of her son by his creator will stir emotions in them both long since forgotten and some possibly even stronger than his own desire for revenge With only less than a week before the ritual Jon and Jennifer are in a race against time to stop Nestasia from enacting her plans knowing all too well that their failure will not only mean the death of her son but with the summoning of Lilith and the fulfillment of the ancient prophecies the end of all new born life all together Now they are all that stands between humanity and a literal Hell on Earth where mankind will be left as slaves to watch on helplessly as they are slaughtered as food and amusement for the Immortals

Approximately Dead John B. Miller Jr.,2019-02-15 Oftentimes the intentions of honest and law abiding people are subjugated by the elements of the occupations that they pursue Why would a skilled precision machinist want to give up on that life track to pursue a career of violence and danger in the slimy and violent world of the criminal underbelly of a large metropolitan city Seeking out the answers to questions that many would rather leave unanswered is a skill learned the hard way for a new private eye Without the tools of a skilled assassin the strength of a professional leg breaker or the general pugilistic abilities of a common street thug Rex Bonner charts his way through the streets and alleys of his town to locate the center of the crux of his case and bring it to a client s approval dodging hurdles and parrying threats along the way as others get the chance to pay the piper for the life they chose and the horror that fills it **A Critical Handbook of Japanese Film Directors**

Syndrome Jay Altieri,2010-08-01 Most Evangelical Christians only know and thoroughly believe the traditional doctrine of eternal torment in Hell for the lost and eternal bliss in Heaven for the saved As a result they neglect scores of Bible verses with that provide an alternative teaching This book veers from some long held assumptions while reinforcing others as it humbly attempts to discover the truth of what the Bible teaches about the hereafter Written for the serious layman scripturally founded clergy and open minded scholar Dead Soul Syndrome provides wisdom and thought provoking insight for those interested in thinking anew about heaven and hell *Haunted Heart of Los Angeles* Brian Clune,2024-09-30

Beneath the teeming streets of California's largest city lies a dark history of serial killers, riots and strange encounters. Spirits are said to mingle with the tourists on Olvera Street and there are rumors that a curse placed on Griffith Park still causes deaths to this day. Do the victims of a massacre at Union Station still haunt the halls there and does Dodger Stadium host the shades of the residents it displaced during its construction? Even the old Los Angeles Zoo is said to be a hotspot of animal apparitions reluctant to move on. Author and paranormal historian Brian Clune explores the spooky side of Los Angeles.

Haunting the Dead Stefan Petrucha, Seth Lindberg, Allen Rausch, Rick Chillot, 2024-03-04 Without Death What's Left to Fear The Orpheus Group tells its clients that it has peeled back the mysteries of life and death. Its investigators can separate their spirits from their living flesh and interact with the ghosts and spirits caught unseen but often felt in our world. Rumors say that Orpheus even employs ghosts itself. Some call it hogwash and skullduggery but Orpheus calls it market opportunity. Plenty of novellas from exciting voices in contemporary horror peel back the layers of the Orpheus phenomenon. The investigators themselves are traumatized and wounded folks existing in a world where their fears are made manifest. Worse still, digging into the lands of the dead may have awoken something from the unseen depths. Orpheus has made a profit on the afterlife but it remains to be seen if anyone will survive to cash their paychecks.
