Lost Years Of Jesus:

The Lost Years of Jesus Elizabeth Clare Prophet, 2020-12-22 Reads like a detective thriller It picks you up and never lets go of you Jess Stearn bestselling author of Edgar Cayce The Sleeping Prophet Ancient texts reveal that Jesus spent 17 years in the Orient They say that from age 13 to age 29 Jesus traveled to India Nepal Ladakh and Tibet as both student and teacher For the first time Elizabeth Clare Prophet brings together the testimony of four eyewitnesses and three variant translations of these remarkable documents She tells the intriguing story of how Russian journalist Nicolas Notovitch discovered the manuscripts in 1887 in a monastery in Ladakh Critics proved they did not exist then three distinguished scholars and educators rediscovered them in the twentieth century Now you can read for yourself what Jesus said and did prior to his Palestinian mission It s one of the most revolutionary messages of our time *The Unknown Life of Jesus Christ* Nicolas Notovitch, 2023-12-23 In The Unknown Life of Jesus Christ Nicolas Notovitch presents a controversial and thought provoking exploration of the life of Jesus claiming to uncover aspects of his early years that have largely been overlooked by mainstream Christianity Written in a narrative style that blends scholarly analysis with personal testimony Notovitch s book posits that during his supposed lost years Jesus traveled to India and Tibet immersing himself in Eastern spiritual traditions This text challenges conventional biblical narratives by incorporating anecdotal evidence purported translations of ancient texts and Notovitch s own experiences making it a unique contribution to both religious studies and historical inquiry Nicolas Notovitch was a Russian traveler and writer whose wanderlust and deep philosophical questioning likely fueled his pursuit of understanding the historical Jesus His travels in the late 19th century particularly in the regions of India and Tibet exposed him to a myriad of spiritual beliefs and practices which ultimately influenced his assertions about Jesus formative years Notovitch s own background as a seeker of truth and his encounters with local sages and monks lend an intriguing albeit controversial dimension to his claims This book invites readers to reconsider traditional narratives regarding Jesus Christ and the broader implications of his potential teachings in diverse cultural contexts Ideal for scholars of religious studies history enthusiasts or anyone curious about the intersections of Eastern and Western spirituality The Unknown Life of Jesus Christ offers a compelling lens through which to re examine one of history s most pivotal figures **King of Travelers** Edward T. Martin, 2008-09 What really happened to Jesus Christ during the mysterious missing 18 years of his life from the age of 12 to 30 that are not accounted for in the New Testament Join maverick researcher and explorer Edward T Martin as he journeys to remote exotic locations in India Nepal Afghanistan and elsewhere unraveling the mysteries of Jesus Lost Years attempting to separate myth and legend from fact and evidence This is the book that inspired the 2008 Paul Davids film distributed by NBC Universal International Television JESUS IN INDIA as seen on the SUNDANCE Channel **The Life of Saint Issa** Nicholas Notovitch, Virchand R. Gandhi, 2018-07-25 Notovitch s biography of Saint Issa in which he asserts that Jesus Christ spent many of his missing years traversing India is presented here A Crimean Jewish adventurer and explorer of

India Notovitch traveled widely across the East in the late nineteenth century. He claimed to have discovered a biographical document in Hemis Monastery located in modern day India from which he created this book. The bold and fantastical claims about Christ attracted attention from scholars of Christianity and the popular media of the time. Spotting inconsistencies in Notovitch's account, it was only after being confronted with these that he apparently confessed to having fabricated the biography of Jesus Christ. For some years the entire matter was considered a hoax until the Indian mystic Swami Abhedananda visited the Hemis Monastery where a monk confirmed that Notovitch had stayed some six weeks there convalescing with a broken leg whereupon he read the disputed documents concerning Christ. **Prisoners of Shangri-La**

Donald S. Lopez, 1999-05 Lopez finds that even as Tibet's romance is invoked by exiled lamas, it ultimately imprisons those who seek the goal of Tibetan independence from Chinese occupation. **Unknown Years Of Jesus' Humanity** Audrey Nitsche, 2021-06-30 So many times I wonder what Jesus' life was really like outside of what's written in the Bible. While the gospels talk about his wisdom and teachings, they don't really reveal the true man he was and how he handled the delicacies of humanity's primal nature. The book ponders the possible lost years of Jesus Christ which enabled him to proclaim his gospel parables of faith, hope, and love. It hypothesizes the humble humanity of Jesus' existence on Earth and the life he may have lived to go from being a naive boy to turning into the wise man who would become a Messiah. It also describes the author's own faith journey in God. Just ask yourself what must Jesus have been like during all those years we know nothing about him. How did God persuade him to elegantly heal and do miracles? Was he ever reluctant to take on his destined role? Did he always have long hair? Did he have a pet while a young man? Did he ever make mistakes while learning the true ways and nuances of living life? This book asks those questions and many more in hopes we begin to believe we can become more like his humble integrity and loving intelligence showed us. **Birth of Christianity** John Dominic Crossan, 1999-04-01 John

Dominic Crossan explores the lost years of earliest Christianity, the years immediately following Jesus' execution. He establishes the contextual setting through a combination of literary, anthropological, historical, and archaeological approaches. He challenges the assumptions about the role of Paul and the meaning of resurrection and forges a new understanding of the birth of the Christian church. Here is a vivid account of early Christianity's interaction with the world around it and of the new traditions and communities established as Jesus' companions continued their movement after his death. **Magdalene's Ascension** Annine van der Meer, 2025-01-21 Examines the lives of Jesus and Mary Magdalene using biblical, historical, apocryphal, and recent channeled sources as well as regression reports. Explains the concept of ascension through a quantum physics framework, detailing Mary Magdalene's ascension along the Tree of Life. Explores Mary's family background, her education in Egypt, her mission in Western Europe, and her life and work alongside Jesus, including her role as his wife and his appointed successor. Expanding the scholarship and understanding of the early Christian period and the world of the Essenes from a feminine perspective, religious historian Annine van der Meer offers a detailed new account of the life of Mary.

Magdalene also known as Mary of Bethany or Miryam the Migdalah showing how Mary's spiritual path is intimately connected to our current times of ascension. The author explores Mary's family background, her education in Egypt, her mission in Western Europe, her life and work alongside Jesus, also known as Yeshua, and her anointing as his wife and his appointed successor. Though not recognized by the patriarchal disciples Peter, Andrew, and Paul, the author presents the evidence of Mary's role through biblical, historical, apocryphal, and recent channeled sources and regression reports, including those of Dolores Cannon, Stuart Wilson, Joanna Prentis, and Claire Heartsong. Van der Meer then reveals Mary's ascension process through seven branches along the Tree of Life, detailed in *The Gospel of the Beloved Companion* written by Mary herself, and scientifically explains ascension, the changing of the physical body into a light body through recent developments in quantum physics. She takes the reader through seven portals from individual ascension to collective ascension, illuminating not only Mary's heavenly journey of becoming light but also its spiritual significance for each of us as individuals and for the world as a whole.

[Finding the Lost Years of Jesus](#) Daryn Graham, 2015-04-10. In this fascinating work of biblical and historical scholarship, author Daryn Graham offers readers a glimpse into the life of Jesus between the ages of thirteen and thirty years, largely ignored by the authors of the New Testament. Unlike those claiming to receive extra-canonical information by divine revelation, Graham meticulously researches the customs and practices of first-century Jews to present readers with a picture of Jesus's daily life while growing from a boy into a man. He also relies on clues and allusions in the text of the Bible itself, expounding on references that even faithful readers tend to gloss over or ignore due to a lack of historical, cultural, and linguistic context. Not only does Graham present a fascinating and biblically consistent vision of how young Jesus probably lived his life, he also debunks popular modern theories by comparing their claims to those contained in the Bible. With careful scholarship, faithful interpretation of the Bible, and a heart desiring to honor God's word, Graham crafts a book that will delight anyone who loves Jesus or biblical history and wants to know more about both.
