Lost And Found Stories Of Morley Callaghan:

The Lost and Found Stories of Morley Callaghan Morley Callaghan, 1985 Twenty six short stories never before published in book form Morley Callaghan at his best **The Lost and Found Stories of Morley Callaghan** Morley Callaghan, 1985 Twenty six short stories never before published in book form Morley Callaghan at his best The Complete Stories Morley Callaghan, 2003 The complete short fiction of Morley Callaghan appears as he comes into full recognition as one of the singular storytellers of our time In four volumes several stories are collected for the first time two of which An Autumn Penitent and In His Own Country have been out of print for decades *The English Short Story in Canada* Reingard M. Nischik, 2017-04-20 In 2013 the Nobel Prize for Literature was for the first time awarded to a short story writer and to a Canadian Alice Munro The award focused international attention on a genre that had long been thriving in Canada particularly since the 1960s This book traces the development and highlights of the English language Canadian short story from the late 19th century up to the present The history as well as the theoretical approaches to the genre are covered with in depth examination of exemplary stories by prominent writers such as Margaret Atwood and Alice Munro A Reader's Companion to the Short Story in English Erin Fallon, R.C. Feddersen, James Kurtzleben, Maurice A. Lee, Susan Rochette-Crawley, 2013-10-31 Although the short story has existed in various forms for centuries it has particularly flourished during the last hundred years Reader's Companion to the Short Story in English includes alphabetically arranged entries for 50 English language short story writers from around the world Most of these writers have been active since 1960 and they reflect a wide range of experiences and perspectives in their works Each entry is written by an expert contributor and includes biography a review of existing criticism a lengthier analysis of specific works and a selected bibliography of primary and secondary sources The volume begins with a detailed introduction to the short story genre and concludes with an annotated bibliography of major works on short story theory **Morley Callaghan and His Works** Gary Boire, 1991 These studies of Canadian authors fulfill a real need in the study of Canadian literature Each monograph is a separately bound study of about 55 pages Each contains a biography of the author a description of the tradition and milieu that influenced the author a survey of the criticism on the author a comprehensive essay on all the author's key works and a detailed bibliography of primary and secondary works **The Canadian Short Story** Reingard M. Nischik, 2007 Beginning in the 1890s reaching its first full realization by modernist writers in the 1920s and brought to its heyday during the Canadian Renaissance starting in the 1960s the short story has become Canada's flagship genre It continues to attract the country's most accomplished and innovative writers today among them Margaret Atwood Mavis Gallant Alice Munro Carol Shields and many others Yet in contrast to the stature and popularity of the genre and the writers who partake in it surprisingly little literary criticism and theory has been devoted to the Canadian short story This collection redresses that imbalance by providing the first collection of critical interpretations of a range of thirty well known and often anthologized Canadian short

stories from the genre's beginnings through the twentieth century A historical survey of the genre introduces the volume and a timeline comparing the genre's development in Canada the US and Great Britain via representative examples completes it The collection is geared both to specialists in and to students of Canadian literature For the latter it is of particular benefit that the volume provides not only a collection of interpretations but a comprehensive introduction to the history of the Canadian short story Reingard M Nischik is professor and chair of American Literature at the University of Constance Germany *Encyclopedia of the American Short Story* Abby H. P. Werlock, 2015-04-22 Two volume set that presents an introduction to American short fiction from the 19th century to the present **Such Is My Beloved** Morley
