Lost Lands Mythical Kingdoms And Unknown Worlds:

Lost Lands, Mythical Kingdoms, and Unknown Worlds Val Warren, 1979 **REFLECTIONS OF A "B"- MOVIE JUNKIE** Jim Driscoll, 2008-12-30 Reflections Of A B Movie Junkie is a tribute to the old B Movies of the Saturday Matinees of yesteryear. Actually it is more of a homage to them or at least 6 genres of those film types that were so prevalent back in primarily the 40s and 50s. Their research and discussion however in some instances dates all the way back to the beginning of the talkies of motion picture content and can extend in the other direction into the early 70s. These 6 genres include the popular B Western, The Comedy Teams, The Jungle Adventures, Sci Fi, Fantasy, Horror, and the Serial or Chapter Plays so popular with the week end Matinee crowds back then. These film types filled up our Saturday afternoons and evenings with exciting, adventure, curious, wonder, spine tingling, horror, and non stop action. Often filmed on a shoe string budget and in a limited time frame, many of these classics came to be looked upon by many fans as being so truly bad that they were good in a bad sort of way. They are thus categorized, reviewed, and discussed for the most part in a lovingly personal style, especially when compared to the film types we are subjected to in today's market. They had their place in film history and that time is long since gone. But for some of us, they have never been equaled, which for others may indeed be a good thing. **Sport and Film** Seán Crosson, 2013-07-18 The sports film has become one of commercial cinema's most recognizable genres. From classic boxing films such as *Raging Bull* 1980 to soccer themed box office successes like *Bend It Like Beckham* 2002, the sports film stands at the interface of two of our most important cultural forms. This book examines the social, historical, and ideological significance of representations of sport in film internationally, an essential guide for all students and enthusiasts of sport film, media, and culture. *Sport and Film* traces the history of the sports film from the beginnings of cinema in the 1890s, its consolidation as a distinct fiction genre in the mid 1920s in Hollywood films such as *Harold Lloyd's The Freshman* 1925 to its contemporary manifestation in Oscar winning films such as *Million Dollar Baby* 2004 and *The Fighter* 2010. Drawing on an extensive range of films as source material, the book explores key issues in the study of sport film and wider society including race, social class, gender, and the legacy of 9/11. It also offers an invaluable guide to reading a film to help students fully engage with their source material. Comprehensive, authoritative, and accessible, this book is an important addition to the literature in both film and media studies, sport studies, and cultural studies more generally. **Atlantis and Other Lost Worlds** Robert Snedden, 2016-12-15 Many have an enduring fascination for mythical lost realms like Atlantis because they don't believe they're entirely mythical. Documented evidence supports that some ancient stories of lost worlds are grounded in truth. This adventurous volume delves into the most celebrated legendary civilizations and cities beginning with Atlantis but also including Camelot, El Dorado, and Lemuria. It examines where the lore may have originated, whether rooted in world history or outlandishly fun extraterrestrial theories. Readers can use all the evidence supported by creative images and real life photographs to decide what they believe about each tale. **THE ATLANTIS COLLECTION - 6 Books**
