The School of Soul Winners and Soul Winning Zacharias Tanee Fomum, 2016-06-10 The School of Soul Winners and Soul Winning contains the following books of Professor Zacharias Tanee Fomum You Can Lead Someone to the Lord Today 36 Reasons for Winning the Lost The Power of the Holy Spirit in the Winning of the Lost Soul Winning Volume 1 Soul Winning Volume 2 Salvation and Soul Winning The Winning of the Lost as Life s Supreme Task Soul Winning and Disciple making Victorious Soul Winning Once a person gets saved through repentance unto God and faith in the Lord Jesus Christ he is qualified to go straight to heaven Once he comes to a loving saving and abiding knowledge of the Lord Jesus Christ he is ready to march with the saints straight into heaven The only reason why a saved sanctified and perfected person is left here on earth after salvation is that he may be a soul winner We are to daily and desperately win souls as if we won t have another day again on earth And you can lead someone to the Lord anytime anywhere using an array of methods such as sharing your faith witnessing to Christ preaching the Gospel and evangelising publicly or privately The terrific reasons for winning the lost and the terrible consequences of not doing so should push every believer out where the sinners are If sinners die in their sins without hearing the Gospel the believer is to blame for it Their blood is upon him The only way to free yourself from the blood of all men is through the preaching of the Gospel Acts 20 26 However no one can win souls in his own strength There is need to tap into the power of the Holy Spirit for the winning of the lost Then the resulting fruit will be lasting and lustrous This volume presents several rapturous reasons for and benefits to be reaped from obeying the command to soul winning It is not enough to win souls to Christ and leave them like that It would be like catching fish from the lake admiring it celebrating the catch and then throwing it back into the

lake to swim away Leading a soul to Christ is only the beginning of a process That process must continue with making a disciple of Christ out of that soul you have won to Christ It ends when that disciple becomes mature and complete in Christ Jesus not lacking any good thing This volume introduces you to the School of Soul Winners and Soul Winning and carries you through various bends and bounds in the art and practice of soul winning We send this first volume on soul winners and soul winning out with a cry to the Lord that He should use it to transform every believer into a soul winner daily and deeply involved in soul winning

Jesus Only Ernan Norman, 2011-11-01 The focus and theme of this book is Jesus only The eternal verity taught in Scripture is that Jesus alone saves Therefore the central focus of

the church must be on Jesus Christ the One crucified risen ascended interceding and coming again This was the secret to the life and power of the apostolic church Everything about the early church as recorded in the book of Acts was due to the presence and power of the Lord in His church The Scriptures clearly speak about their passion but also about the One who was central to their preaching teaching and living as a body of believers And daily in the temple and in every house they ceased not to teach and preach Jesus Christ Acts 5:42 Unfortunately the church no longer measures up to the life that God intended for it In these final and closing days of earth's history Jesus is anxiously awaiting for a portrait of Himself in His church The spirit and power of the apostolic period must return The central focus of Jesus Christ as Lord and Savior must return The dynamic Holy Ghost empowerment of the church must return The daily growth of the church must return The self sacrificing spirit that should mark the life of a true disciple must return There is no question that we must return to primitive godliness and for that to happen the church will have to return to her first love which is a central focus on Jesus **The**

Passion and the Death of Jesus Christ Saint Alfonso Maria de' Liguori, 1887 **The Home Missionary**, 1908 No 3 of each volume contains the annual report and minutes of the annual meeting **The Seven Church Ages** Kenneth Allan Clark, 2021-06-25 The Seven Church Ages brings us to examine the characteristics of seven real churches that existed around 1 900 years ago Thyatira is the fourth Church age This Church age began with the reign of Pope Gregory the Great in 594 A D he was the first Pope to exercise authority over both the state and the Church and this age ended in 1517 on the day Martin Luther nailed his document of The 95 theses to the church door in Wittenberg During this Church age most of the Church in the West and most of the Western European kings were under the rule of the Pope in Rome This age is also known as the dark ages because the common people of this age were not allowed to have any personal copies of the Bible and those Bibles that were available in Western Europe were all in Latin a language which most commoners could neither read nor understand Author Kenneth Allan Clark The findings in this book will expand your knowledge and understanding of the letters to the seven churches found in Revelations and give witness and testimony from Jesus Christ's earlier teachings in kingdom parables The Seven Church Ages is one of Kenneth Allan Clark's most popular manuscripts totaling over 24 000 website hits within 5 years Published by Just Restoration Online Copyright 2021 **The Silence of God during the**

Passion Daniel Bourguet, 2016-08-03 God's silence during the passion is certainly a silence towards man but in particular God was silent towards Christ in his perfect and complete humanity It is also the silence of the Father towards the Son At first sight this silence is troubling and perhaps shocking suggesting that God is in fact absent However the author invites us to go beyond this first impression and the silence turns out to be of tremendous richness overwhelming depth and surprising beauty We are invited to refocus our attention and discover what the Father is saying in a completely new way These pages sing with love for God and our meditation of the passion narratives draws us into deep contemplation of the One they celebrate the Crucified The Fulfilling Life Paul K. S. Kim, 2008 Dr Paul K S Kim believes that the human desire to live a

fulfilling life on earth is one of the universal phenomena of all ages This quest is not he says just a dream or fantasy in our mind it can become a reality In the Bible God reveals that no person is born with the fulfilling life but that anyone can reach this life through faith in God This faith in God is the channel for them to achieve the fulfilling life As God provides eternal life in Christ so also in Christ God makes possible the fulfilling life Paul Kim guides believers to this blessed state the fulfilling life in Christ Dr Paul K S Kim a native of Korea immigrated to the U S in 1967 He served in the U S Army and an Army Reserve Chaplain Kim holds Master degrees from Southwestern Baptist Theological Seminary from which he received the 2004 Distinguished Alumni Award He served as the National Alumni President and currently serves as the National Adviser to City Alumni Fellowship He earned the Doctor of Ministry degree from Golden Gate Baptist Theological Seminary He and his wife were the first couple to receive the Alumni Achievement Award He served as a trustee of the International Mission Board as State Convention President of the Baptist Convention of New England and has traveled to over seventy countries Kim has written Biblical Principles for Church Planting and Practical Church Planting for Growth Kim lives with his wife the former Rebekah Lee in Cambridge Massachusetts where Kim serves as the founding pastor of Berkland Baptist Church

Dangerous Church John Bishop, 2011-04-19 Dangerous churches should be norm Church leaders and church people alike shrink back from danger because we want safety Jesus said that he s overcome the world and its troubles Dangerous churches put everything on the line for the one thing that matters most reaching lost people It s dangerous not to be a dangerous church The book is less about methods or even the message of God but about a church that risks everything it has to reach lost people Living Hope was birthed 8 years ago and has grown from five families to 5000 attendees grown from one to 19 services on many campuses and baptized 5 000 people along the way A dangerous church sees what only God can do when it acts upon what the church is supposed to be It risks everything to reach people God wants us to live on the edge of our margin when it comes to mission and methods So much of Living Hope s journey has been going back to the Book of Acts and trying to live authentically with the givens of who they were where they were and what they had to work with They learned to abandon agendas and short sighted human plans especially ones that copy what other churches are doing That s when they found God s blessing We went from being a good church to being God honoring church he reports Drawing insight from the book of Acts this book unfolds the very personal journey of a pastor and then his entire church when they finally began to live a dangerous faith The transition had a dramatic impact on the pastor s life and marriage as well as on the congregation and its outreach It opened a new sense of mission and incredible spiritual fruitfulness The pastor is not only a radically different person today but the entire church has become an atmosphere that values taking dangerous steps of faith It will lead Christ s followers to become risk takers who change the world through a revolution that begins with a dangerous grace The book is story rich with examples of the grace filled culture from Living Hope Church through the experiences of its pastor John Bishop It will avoid a smug attitude that implies we ve arrived we re the first to live out grace or we re the best at

giving grace Instead the book will convey a humble attitude of we've got a lot to learn including examples of mistakes the church has made along the way The rapid transition of Living Hope will not be projected as a speed for other churches to follow lest the book invite a crash and burn outcome at other churches Thus the book will find its primary story in and from Living Hope In 2007 Outreach Magazine ranked Living Hope as the seventh fastest growing church in the US They have also been listed among the 50 most influential churches in America
