

LOST POEMS

One Art

The art of losing isn't hard to master;
so many things seem filled with the intent

Lost

Lost in a world, that scares me to death,
Lost in a crowd, I'm losing my breath.

And Nothing Is Ever As You Want It To Be

You lose your love for her and then
It is her who is lost,

I Am Not Yours

I am not yours, not lost in you,
Not lost, although I long to be

Any Soul That Drank The Nectar

Any soul that drank the nectar of your passion was lifted.
From that water of life he is in a state of elation.

A Door Just Opened On A Street

A door just opened on a street-
I, lost, was passing by-

A Stone I Died

A stone I died and rose again a plant;
A plant I died and rose an animal;

Fauna's Lost And Found!

To purses of leather
one lost its skin

Lost Poems:

The Names of the Lost Philip Levine, 1976 **Hearings** United States. Congress Senate, 1955 **Not Till We Are Lost** William Wenthe, 2003-10-31 William Wenthe's second collection of poetry is a personal amplification of a passage from Henry Thoreau's *Walden* Not till we are lost in other words not till we have lost the world do we begin to find ourselves and realize where we are and the infinite extent of our relations Beginning with the necessary dislocation and loss that accompany adulthood these strong and moving poems tell a story of a man's losing his way in the midst of personal tragedies the death of his parents and the end of a marriage only to discover the true depth of his connection with others and ultimately with the divine In a variety of free verse traditional forms and sonnets the poet begins to reassess his life and his art and considers the possibility that language may distance us from the real as much as bind us to it Both deeply personal and powerfully spiritual *Not Till We Are Lost* strives toward the rediscovery of relations to family and lover to culture to environment Whether in a desert canyon or a high rise hotel or wading waist deep in a river the poet solid and honest is always aware of his ties to history and its artistic representations The destination as well as the difficult means of arrival is love no mere word but a pain and sweetness in which loss and celebration converge

The Collected Poems of Delmore Schwartz Delmore Schwartz, 2024-04-02 The first complete collection of the poetry of Delmore Schwartz the most underrated poet of the twentieth century John Berryman When Delmore Schwartz published his first short story *In Dreams Begin Responsibilities* in *Partisan Review* in 1937 he became an instant literary celebrity After the appearance of his first book by the same name he was inundated with praise The famed poet Allen Tate wrote to him Your poetic style is beyond any doubt the first real innovation that we've had since Eliot and Pound and T S Eliot himself wrote Schwartz a letter asking him to compose more poetry The brilliant start of his career is matched perhaps only by its tragic end a lonely death after an extended period of alcoholism depression and derangement Today more than fifty years after his death in 1966 Schwartz is often remembered for the tragedy of his life rather than for the innovation and sad brilliance of his greatest work This book brings together all of Schwartz's poetry for the very first time from his groundbreaking debut collection to his unpublished late work which he kept writing until his death Accompanied by Ben Mazer's illustrative notes and introduction *The Collected Poems of Delmore Schwartz* offers readers the long awaited opportunity to rediscover one of the most influential and original poets of the twentieth century As Mazer writes in his introduction It is the poems that count now And it is the glory of the poems that survives here awaiting new life

[New and Collected Poems: 1975-2015](#) Jay Parini, 2017-03-28 A new book the first in over a decade from acclaimed poet Jay Parini This volume revolves around his deep connection to nature and underlines his concerns about the impacts of pollution and climate change In these beautiful haunting poems Parini writes about the landscapes of mining country of the railroads of Pennsylvania of farm country of worlds lost and families dispersed He explores faith and how it is tested He limns the deepest crevices of the human heart and soul He surprises and moves us In

addition to a complete volume's worth of new work called *West Mountain Epilogue* offering more than fifty poems never before published in any form Parini has collected the very best work from his previous four volumes the poems as he tells us written in the past forty years that I wish to stand by Lavishly and deservedly praised over the decades for his work as an essayist critic biographer novelist and especially poet Parini shines as never before in this generous volume *The Lost Poems* Thomas L. Mcrae, 2010-08 This book has everything and any thing a true poet lover could ever need It has a deep sense of style and grace As well as harmony *Last and Lost Poems* Delmore Schwartz, 2011 [Milton's Late Poems](#) Lee Morrissey, 2022-08-25 Upending conventional scholarship on Milton and modernity Lee Morrissey recasts *Paradise Lost* *Paradise Regained* and *Samson Agonistes* as narrating three alternative responses to a world in upheaval adjustment avoidance and antagonism Through incisive engagement with narrative form and genre Morrissey shows how each work considered specifically as a fiction grapples with the vicissitudes of a modern world characterised more by paradoxes ambiguities subversions and shifting temporalities than by any rigid historical periodization The interpretations made possible by this book are as invaluable as they are counterintuitive opening new definitions and stimulating avenues of research for Milton students and specialists as well as for those working in the broader field of early modern studies Morrissey invites us to rethink where Milton stands in relation to the greatest products of modernity and in particular to that most modern of genres the novel *The Collected Lost Poems* Stuart Silverman, 2001-09-15 This is the first collection of poetry from one of America's most gifted and award-winning poets [Poems On The Bus](#) Richard Archer, 2016-09-11 *Poems on the Bus* is the third collection of poetry from Richard Archer The poems in this book came to life on the bus from Walsall to Birmingham and back again Much to the surprise of the fellow passengers Inside discover the perils of commuting in sub zero conditions and just what might have been the contents of your school dinner Read on and discover why people don't queue for the bus anymore and the secret fate that befell your favourite childhood pets This is a collection of poetry that can be enjoyed on your journey to work at home or with a glass of your favourite tipple in the pub [The Lost Faces](#) Roderick Jellema, 1979 **The Poems of Anna Letitia Barbauld** Mrs. Barbauld (Anna Letitia), 1994-01-01 This volume brings together for the first time all the known poems of English writer Anna Letitia Barbauld 1743-1825 a once esteemed but long neglected figure whose career spanned the Age of Sensibility and the Romantic Era William McCarthy and Elizabeth Kraft have collected 170 of her poems including twenty-three previously unpublished and eleven conjectural attributions This is the first scholarly edition of any writings of Barbauld a brilliant woman whose interests ranged from literary criticism to history and affairs of state to children's stories At the end of the eighteenth century Barbauld may well have been the most eminent living poet male or female in Britain Barbauld belongs almost equally to two generations Her verse displays an eighteenth-century adherence to balance common sense and poetic diction and meter but it also celebrates the individual the passionate and the fanciful in a clearly Romantic manner In the current reconfiguring of Romanticism Barbauld provides an important

contrast to the major male poets who have until recently defined the era poets who clearly acknowledged her influence on their own work yet who played a role in Barbauld's lapse into obscurity in the century after her death Coleridge before a serious falling out with Barbauld admired her greatly and Wordsworth confessed that he wished the final eight lines of her poem *Life* had been of his own composing Walter Savage Landor ranked her *Summer Evening's Meditation* among the finest poems in the English language Barbauld's poems have retained their capacity to delight readers they are witty learned imaginative and unpredictable in both choice and treatment of subject Read as a whole this collection reveals a striking variety of style and voice and provides the basis for a major and long overdue reevaluation of Barbauld's poetry McCarthy and Kraft present unmodernized texts of the poems that reflect as nearly as possible the author's final intention and give variant readings in textual notes A lengthy introduction includes a discussion of the poems a history of their composition and publication and an outline of Barbauld's life and writing career

Published Poems Herman Melville, Robert Charles Ryan, Hershel Parker, 2009-07-02 Although he surprised the world in 1866 with his first published book of poetry *Battle Pieces and Aspects of the War* Herman Melville had long been steeped in poetry This new offering in the authoritative Northwestern Newberry series *The Writings of Herman Melville* with a historical note by Hershel Parker is testament to Melville the poet Penultimate in the publication of the series *Published Poems* follows the release of Melville's verse epic *Clarel* 1876 and with it contains the entirety of the poems published during Melville's lifetime *Battle Pieces* as well as *John Marr and Other Sailors* with *Some Sea Pieces* 1888 and *Timoleon Etc* 1891 *Battle Pieces and Aspects of the War* has long been recognized as a great contribution to the poetry of the Civil War comparable only to Whitman's *Drum Taps* Its idiosyncrasies many of them grounded in British poetry kept it from immediate popularity but it was not the production of a novice Melville had made himself over into a poet in the late 1850s and had tried to publish a previous collection of poetry now lost in 1860 *John Marr and Other Sailors* is a retrospective nautical book Its portraits of sailors were influenced by Melville's own experience of aging as well as by his long acquaintance with wasted mariners at the Sailors Snug Harbor on Staten Island where his brother was governor The book modulates into *Sea Pieces* including the grisly *Maldivian Shark* and *To Ned* a powerful reflection on how Melville's personal adventures with the Typee islanders in 1842 had accrued rich historical significance over the decades Thematically less unified *Timoleon Etc* contains poems with many European and exotic settings from ancient to modern times The most famous are *After the Pleasure Party* and *The Age of the Antonines* Published in the last year of Melville's life some of the poems were first written many years earlier for example Melville copied *The Age of the Antonines* out for his brother in law in 1877 describing it as something found in a bundle of old papers One whole section seems to have been almost entirely salvaged from the unpublished 1860 volume of poetry As with the other volumes in the Northwestern Newberry series the aim of this edition of *Published Poems* is to present a text as close to the author's intention as surviving evidence permits To that end the editorial appendix includes a historical note by Hershel Parker the

dean of Melville scholars which gives a compelling in depth account of how one of America s greatest writers grew into the vocation of a poet an essay by G Thomas Tanselle on the printing and publishing history of the works in *Published Poems* a textual record that identifies the copy texts for the present edition and explains the editorial policy and substantial scholarly notes on individual poems Last and Lost Poems Delmore Schwartz,1989 *Contemporary American Poetry* Lloyd M. Davis,1985 Lists over 5 200 titles of books published by American poets between 1973 and 1983 The Compendium of Lost Poems Caitlin M. S.
