Lost Prince The Unsolved Mystery Of Kaspar Hauser:

Lost Prince Anselm Ritter von Feuerbach, 1996 Kaspar Hauser turned up in Nuremberg in 1828 when he was sixteen after being kept in a dungeon most of his life Hauser barely able to talk or walk was taken in by Feuerbach Masson looks at who Hauser was and what his case tells us about abused children **Lost Prince** Paul Johann Anselm Ritter von Feuerbach, Jeffrey Moussaieff Masson, 1996 **Kaspar Hauser** M. Kitchen, 2001-07-11 On Whit Monday 1828 a strange youth barely able to speak and hardly able to walk appeared in Nuremberg This new case of a wild man excited widespread curiosity and many prominent figures wanted to test their pedagogical and medical theories on such a promising subject Who was he Was he as many claimed the rightful heir to the Grand Duchy of Baden or was he simply an ingenious fraud This book examines the many ramifications of this fascinating case and offers many insights into the social political and intellectual life of Biedermeier Germany **The Cinema of Werner Herzog** Brad Prager, 2007 More than any other director Werner Herzog is renowned for pushing the boundaries of conventional cinema especially those between the fictional and the factual the fantastic and the real Drawing on over 35 films this book explores his continuing search for what he has described as the ecstatic truth *The Murder of Helen Jewett* Patricia Cline Cohen, 1999-06-29 In 1836 the murder of a young prostitute made headlines in New York City and around the country inaugurating a sex and death sensationalism in news reporting that haunts us today Patricia Cline Cohen goes behind these first lurid accounts to reconstruct the story of the mysterious victim Helen Jewett From her beginnings as a servant girl in Maine Helen Jewett refashioned herself using four successive aliases into a highly paid courtesan She invented life stories for herself that helped her build a sympathetic clientele among New York City's elite and she further captivated her customers through her seductive letters which mixed elements of traditional feminine demureness with sexual boldness But she was to meet her match and her nemesis in a youth called Richard Robinson He was one of an unprecedented number of young men who flooded into America's burgeoning cities in the 1830s to satisfy the new business society's seemingly infinite need for clerks The son of an established Connecticut family he was intense arrogant and given to posturing He became Helen Jewett's lover in a tempestuous affair and ten months later was arrested for her murder He stood trial in a five day courtroom drama that ended with his acquittal amid the cheers of hundreds of fellow clerks and other spectators With no conviction for murder nor closure of any sort the case continued to tantalize the public even though Richard Robinson disappeared from view Through the Erie Canal down the Ohio and the Mississippi and by way of New Orleans he reached the wilds of Texas and a new life under a new name Through her meticulous and ingenious research Patricia Cline Cohen traces his life there and the many twists and turns of the lingering mystery of the murder Her stunning portrayals of Helen Jewett Robinson and their raffish colorful nineteenth century world make vivid a frenetic city life and sexual morality whose complexities contradictions and concerns resonate with those of our own time *Encounters with Wild Children* Adriana S. Benzaquén, 2006-04-05 Through detailed readings of a wide variety

of accounts debates and representations Encounters with Wild Children explores the many different meanings these children were given and the varied responses they elicited Adriana Benzaqu n explains why wild children continue to haunt and fascinate Western scientists and shows how the knowledge they have generated in different disciplines including anthropology psychology psychiatry pedagogy linguistics and sociology has contributed to the shaping and reshaping of the modern understanding of the child and affected the social and institutional practices directed at all children in schools welfare mental health and the law

The Wild Child Jeffrey Moussaieff Masson,2010-05-11 Kept in a dungeon for his entire childhood Kaspar Hauser appeared in Nuremberg Germany in 1828 at age sixteen barely able to walk or talk When he was killed in 1833 his true identity and the motives for his unsolved murder became the subjects of intense speculation This provocative essay sheds new light on this mystery and delves into fundamental questions about the long term effects of child abuse

Erlangen Gary C. Fouse,2005-04-07 This work is a historiography of the German town of Erlangen which lies approximately 20 kilometers north of Nuremberg in the Franconian region of Bavaria With a current population of just over 100 000 the city is primarily noted for its university and as the headquarters of the Siemens Corporation In this book author Gary Fouse who spent three years as a U S military policeman in Erlangen traces the history of Erlangen from its humble beginnings as a village in 1002 to the current era Fouse describes the city during the most important historical events in German history including the Reformation the Thirty Years War the Napoleonic Wars the Franco Prussian War of 1870 1871 the two world wars and post World War II recovery Fouse delves into the life of the city under the rule of the House of Hohenzollern the arrival in 1686 of French Huguenot refugees the founding of the university and the history of the Jewish community in Erlangen Also detailed is the history of the U S Army in Erlangen from 1945 to 1994 The author s personal accounts provide an interesting look into the lives of the Americans both inside and outside the caserne

The Story of My Life Helen Keller,2004-03-09 THE 100th YEAR ANNIVERSARY EDITION The Story of My Life a remarkable account of overcoming the debilitating challenges of being both deaf and blind has become an international classic making Helen Keller one of the most well known inspirational figures in history Originally published in 1903 Keller s fascinating memoir narrates the events of her life up to her third year at Radcliffe College Helen Keller s story of struggle and achievement is one of unquenchable hope From tales of her difficult early days to details of her relationship with her beloved teacher Anne Sullivan to her impressions of academic life Keller s honest straightforward writing lends insight into an amazing mind Like the original this centenary edition of The Story of My Life includes letters Keller wrote to friends throughout her childhood and adolescence that chronicle her intellectual and sensory progression as well as assistant John Macy s commentary on her interpretations of her surroundings In addition to reprinting Keller s long lost original work this edition contains excerpts from her little known deeply personal memoir The World We Live In which give readers a detailed look into an otherwise unimaginable existence as well as an excerpt from Out of the Dark a political commentary Keller wrote during her years as a

socialist Deftly edited and prefaced by scholar James Berger this comprehensive anniversary edition celebrates a century of readers enthrallment with one of the most powerful figures in history **The Encyclopedia of Unsolved Crimes** Michael Newton,2009 Over 800 entries examine the facts evidence and leading theories of a variety of unsolved murders robberies kidnappings serial killings disappearances and other crimes **The Dog Who Couldn't Stop Loving** Jeffrey Moussaieff Masson,2023-12-15 From the New York Times bestselling author of When Elephants Weep a fascinating exploration of the unique relationship between humans and canines Booklist Animal lovers get ready Jeffrey Moussaieff Masson international bestselling author of the winning and wise Dogs Never Lie About Love San Francisco Chronicle is back with an inspiring heart warming and deeply personal exploration of the unique relationship between humans and dogs As in When Elephants Weep The Face on Your Plate and The Pig Who Sang to the Moon Masson blends cultural mythology scientific research and stories of his own experiences to tackle deep questions about the emotional lives of humans and animals His compelling elegant and often humorous narrative about the love people feel for dogs gives a new perspective on the extraordinary relationship between our species Masson is at his most personal and appealing in this book especially when he writes about Benjy Publishers Weekly An enjoyable book for dog lovers Kirkus Reviews *Allegorical Moments* Lyn Hejinian,2023-11-07 *Allegorical Moments* is a set of essays dedicated to rethinking allegory and arguing for its significance as a creative and critical response to sociopolitical environmental and existential turmoil affecting the contemporary world Traditionally allegorical interpretation was intended to express an orthodoxy and support an ideology Hejinian attempts to liberate allegory from its dogmatic usages Presenting modern and contemporary materials ranging from the novel to poetry to painting and cinema to activist poetry of the Occupy movement each essay in the book begins again with different materials and from different perspectives Hejinian s generative scholarship looks back to experimental modernism and forward into a future for a vital wayward poetry resistant to the crushing global effects of neoliberalism **If You Can't Trust Your Mother, Whom Can You Trust?** Leonard Shengold,2018-05-01 The main theme of this book concerns the continuing psychic centrality of parents for their children Several chapters examine an author and his works outlining that author s relationships with parents good and bad and making descriptive comments about these based both on information gleaned from the author s life and writings as well as from observations found in autobiographies biographies and critical works Since these studies in part concern stories of child abuse and deprivation the book predominantly illustrates bad parenting that seems to have contributed to the child s psychopathology Yet in most cases there has also been an evocation by the trauma and deprivation of adaptive and even creative reactions this positive effect also of course largely attributable to concomitant good parenting and yet there are some cases where little of this seems to have existed and yet the children still turn out to be able to make something of themselves The conditions that make for psychic health in a traumatized childhood are mysterious and can t always be accounted for *A Companion to Twentieth-Century American Drama* David Krasner,2008-04-15 This

Companion provides an original and authoritative survey of twentieth century American drama studies written by some of the best scholars and critics in the field. Balances consideration of canonical material with discussion of works by previously marginalized playwrights. Includes studies of leading dramatists such as Tennessee Williams, Arthur Miller, Eugene O'Neill, and Gertrude Stein. Allows readers to make new links between particular plays and playwrights. Examines the movements that framed the century such as the Harlem Renaissance, lesbian and gay drama, and the solo performances of the 1980s and 1990s. Situates American drama within larger discussions about American ideas and culture. *The Child as Thinker* Sara Meadows, 2012-09-10

This second edition of *The Child as Thinker* has been thoroughly revised and updated to provide an informed and accessible overview of the varied and extensive literature on children's cognition. Both theory and research data are critically examined and educational implications are discussed. After a brief discussion of the nature and subject of cognition, Sara Meadows reviews children's thinking in detail. She discusses the ways children remember and organise information in general, the acquisition of skills such as reading, writing, and arithmetic, and the development of more complex reasoning as children grow to maturity. As well as studies that typically describe a generalised child, the book also reviews some of the main areas relevant to individual differences in normal cognitive development and critically examines three major models of cognitive development. In outlining the work of Piaget, information processing accounts, and neo-Vygotskian theories, she also evaluates their different explanations of cognitive development and their implications for education. Finally, the book examines biological and social factors that may be involved in normal and suboptimal cognitive development. Sara Meadows provides an important review of the crucial issues involved in understanding cognitive development and of the new data and models that have emerged in the last few years. This book brings together areas and approaches that have hitherto been independent and examines their strengths and weaknesses. *The Child as Thinker* is essential reading for all students of cognitive development. *The Disarticulate* James Berger, 2014

Language is integral to our social being. But what is the status of those who stand outside of language? The mentally disabled, wild children, people with autism and other neurological disorders, as well as animals, infants, angels, and artificial intelligences, have all engaged with language from a position at its borders. In the intricate verbal constructions of modern literature, the disarticulate—those at the edges of language—have paradoxically played essential defining roles. Drawing on the disarticulate figures in modern fictional works such as *Billy Budd*, *The Sound and the Fury*, *Nightwood*, *White Noise*, and *The Echo Maker*, among others, James Berger shows in this intellectually bracing study how these characters mark sites at which aesthetic, philosophical, ethical, political, medical, and scientific discourses converge. It is also the place of the greatest ethical tension as society confronts the needs and desires of the least of its brothers. Berger argues that the disarticulate is that which is unaccountable in the discourses of modernity and thus stands as an alternative to the prevailing social order. Using literary history and theory, as well as disability and trauma theory, he examines how these disarticulate figures reveal modernity's anxieties in terms of how it constructs its

others **Contemporary Perspectives on Freud's Seduction Theory and Psychotherapy** Warwick Middleton, Martin J. Dorahy, 2024-10-02 This edited collection brings together the perspectives of a broad spectrum of experts who reflect on Freud's Seduction Theory psychoanalysis and the reality of child abuse through the work of Jeffrey Masson Jeffrey Masson's *The Assault on Truth: Freud's Suppression of the Seduction Theory* 1984 is arguably the most controversial book on psychoanalysis in the last century. It provoked a furore from mainstream psychoanalysis yet was well received by the emerging international trauma field and became a bestseller. Four decades on, a group of international scholars and professionals revisit Masson's original work and reflect on the lessons that can be taken from the saga. Was the reaction of Masson's peers tied to the fact that he had accused Freud of being less than heroic or was it that he confronted psychoanalysis with a very uncomfortable truth? This book examines how *The Assault on Truth* came to be written, why it sparked such an extreme reaction, and the issues Masson was grappling with. Complete with an extended Foreword by John Briere, a luminary of the modern trauma field, this book will be essential reading for practitioners, students, and researchers involved in contemporary psychoanalysis, psychotherapy, psychology, and especially trauma care, women's mental health, child safety, and the study of memory.

Radio Benjamin Walter Benjamin, 2021-12-07 Walter Benjamin was fascinated by the impact of new technology on culture, an interest that extended beyond his renowned critical essays. From 1927 to '33 he wrote and presented something in the region of eighty broadcasts using the new medium of radio. *Radio Benjamin* gathers the surviving transcripts which appear here for the first time in English. This eclectic collection demonstrates the range of Benjamin's thinking and his enthusiasm for popular sensibilities. His celebrated *Enlightenment for Children* youth programs, his plays, readings, book reviews, and fiction reveal Benjamin in a creative rather than critical mode. They flesh out ideas elucidated in his essays, some of which are also represented here where they cover topics as varied as getting a raise and the history of natural disasters, subjects chosen for broad appeal and examined with passion and acuity. Delightful and incisive, this is Walter Benjamin channeling his sophisticated thinking to a wide audience, allowing us to benefit from a new voice for one of the twentieth century's most respected thinkers.

Finding Our Place Nikki McCaslin, 2010-01-18 This unique one-volume reference guide provides positive and empowering biographical sketches of 100 famous and well-known adoptees throughout time, serving to counter the many negative stereotypes that exist about people who were adopted, fostered, or lived in orphanages. This work looks at the lives of people who, despite circumstances in their childhood, were able to succeed in making important contributions to art, music, science, literature, politics, and entrepreneurship. This work answers the call to obtaining difficult-to-find information about well-known adoptees. High school students and general readers who are interested in learning more about positive role models in adoption and children's issues will find this book invaluable. McCaslin outlines the parameters she used for inclusion in the book and then discusses the history of adoption from ancient civilization to today's society. Each entry focuses on the early life of the subject as well as his or her career and achievements.

Entries include Aristotle Edward Albee Ingrid Bergman Oksana Baiul Ella Fitzgerald Faith Hill Marilyn Monroe Dave Thomas Orson Welles and many more **Dogs Never Lie About Love** Jeffrey Moussaieff Masson, 1998-09-08 Dogs fill our hearts with love and our minds with wonder but their emotional lives have remained unexplored since Darwin 125 years ago Now in **Dogs Never Lie About Love** controversial psychoanalyst Jeffrey Masson brilliantly navigates the rich inner landscape of our best friends As he guides readers through the surprising depth of canine emotional complexity Jeffrey Masson draws from myth and literature from scientific studies and from the stories and observations of dog trainers and dog lovers around the world But the stars of the book are the author's own three dogs whose delightful and mysterious behavior provides the way to exploring a wide range of subjects from emotions like gratitude compassion loneliness and disappointment to speculating what dogs dream of and how their powerful sense of smell shapes their perception of reality As he sweeps aside old prejudices on animal behavior Masson reaches into a rich universe of dog feeling to its essential core their master emotion love Like the dogs he loves Masson's writing will capture the reader with its playful mysterious and serious sides Its surprising insights provide a new dimension of understanding for dog owners everywhere
