Tripping the Trail of Ghosts P. D. Newman, 2025-03-11 Examines the Path of Souls or Trail of Ghosts a Native American model for the after death journey Demonstrates how psychoactive plants were used to evoke the liminal state between life and death in initiatory rites and spirit journeys Explores the symbology of the large earthwork mounds erected by the Indigenous people of the Mississippi Valley and how they connect to the Path of Souls The use of hallucinogenic substances like peyote and desert tobacco has long played a significant role in the spiritual practices and traditions of Native Americans While the majority of those practices are well documented the relationship between entheogens and Native Americans of the Southeast has gone largely unexplored Examining the role of psychoactive plants in afterlife traditions sacred rituals and spirit journeying by shamans of the Mississippian mound cultures P D Newman explores in depth the

Native American death journey known as the Trail of Ghosts or Path of Souls He demonstrates how practices such as fasting and trancework when used with psychedelic plants like jimsonweed black nightshade morning glory and amanita and psilocybin mushrooms could evoke the liminal state between life and death in initiatory rites and spirit journeys for shamans and chiefs He explores the earthwork and platform mounds built by Indigenous cultures of the Mississippi Valley showing how they quite likely served as early models for the Path of Souls He also explores similarities between the Ghost Trail afterlife journey and the well known Egyptian and Tibetan Books of the Dead The Supper Ronald P.

Hesselgrave,2019-09-17 The Lord s Supper or Eucharist has often been a subject of intense debate in the church What is often lost in this debate is the significance of the relationship of the Eucharist to Jesus Last Supper with his disciples which was a Passover or Passover like meal Moreover the Last Supper connects back to various meals in Jesus earthly ministry And it looks forward to the great messianic banquet as fulfillment of Jewish expectations In exploring these connections this book focuses on the three motifs of new creation hospitality and hope in Christ Most significantly when we break the bread and drink the wine or juice together we are asserting the reality of the new creation in Christ affirming God s grace forgiveness and cruciform love which is to be embodied in the Christian community and anticipating the day when God s present and ongoing work of restoration justice and reconciliation will ultimately prevail The Supper then is basically a condensed summary of the story of God s plan of redemption Hesselgrave brings together biblical theological ethical and social insights in a way that deepens our understanding of the meaning and practical significance of biblical texts related to this central ordinance of the church Our Father Forsaken HJ Sean Moon,2019-11-04 Bold and forceful in its condemnation of

contemporary religion Our Father Forsaken is a meticulously researched work that demands the attention of all Jews and Christians who seek the truth In 120 A D Marcion of Sinope a charismatic preacher appeared in Rome to reveal the hidden teachings of Jesus The real Jesus according to Marcion was a pure spirit sent from the highest God to free mankind from the clutches of the evil God of the Old Testament a lesser deity among the thousands of celestial beings The disparity between the God of Moses and the God of Jesus Marcion maintained was obvious with rational comparison of Old and New Testaments The God of the Old Testament demanded an eye for an eye and a tooth for a tooth while Jesus said Do not resist an evil person If someone strikes you on the right cheek turn to him the other also Although Marcion was drummed out of Rome in disgrace his movement never died and it crystallized into the religion of Freemasonry In the 19th Century Marcionism was embraced by the German rationalists and made its way into contemporary Christianity Such rationalists argued that the Torah had been composed not by Moses but a host of sources and could not be accepted as authentic The New Testament they argued was equally unreliable It was composed not by eyewitnesses but editors and that the gospel accounts had been subjected to the process of myth making The theology of the rationalists was taught in every leading Catholic and Protestant seminary in the United States Since the scriptures were contradictory and a product of primitive times students of religion

were taught that Christian doctrine should be centered on the social gospel a gospel stripped of all supernatural elements and all passages deemed offensive to modern sensibilities The result has been the creation of a religion that is devoid of the ambiguity and precariousness of life of the awe before the divine majesty and the judgment before the ineffable holiness

A. J. Appasamy and his Reading of Rāmānuja Brian Philip Dunn,2016-12-01 In this work Brian Philip Dunn focuses on the embodiment theology of the South Indian theologian A J Appasamy 1891 1975 Appasamy developed what he called a bhakti devotional approach to Christian theology bringing his own primary text the Gospel of John into comparative interaction with the writings of the Hindu philosopher and theologian R m nuja Dunn s exposition here is of Appasamy s distinctive adaptation

of R m nuja s Body of God analogy and its application to a bhakti reading of John s Gospel He argues throughout for the need to locate and understand theological language as embedded and embodied within the narrative and praxis of tradition and for Appasamy and R m nuja in their respective Anglican and rivai ava settings Responding to Appasamy Dunn proposes that the primary Johannine referent for divine embodiment is the temple and considers recent scholarship on Johannine temple Christology in light of rivai ava conceptions of the temple and the temple deity He then offers a constructive reading of the text as a temple procession a heuristic device that can be newly considered in both comparative and devotional contexts today
