Magic Divination And Witchcraft Among The Barotse Of Northern Rhodesia:

Magic, Divination and Witchcraft Among the Barotse of Northern Rhodesia Barrie Reynolds, *The Judicial Process Among the Barotse of Northern Rhodesia* Max Gluckman, 1973 **Magic, Divination and Witchcraft** Barrie Reynolds, 1963 **The Elites of Barotseland 1878-1969** Gerald L. Caplan, 2023-11-15

The Elites of Barotseland 1878 1969 offers a comprehensive political history of Zambia's Western Province focusing on the Lozi people and their interactions with imperial powers especially in the late 19th and early 20th centuries. The study traces the political dynamics of Barotseland from the late 1800s highlighting how imperial forces shaped the kingdom's structure as well as the internal power struggles among the Lozi elites. It emphasizes the historical significance of Barotseland's integration into Zambia in the 1960s which marked the transformation of a colonial entity into a unified state. The work examines the political, economic and social structures of Barotseland emphasizing the role of the Lozi ruling elite in shaping the region's destiny. The study reveals how the Lozi who had been relatively powerful in their region adapted to European imperialism through indirect rule and how these interactions influenced the formation of a new political and social elite. Through detailed accounts of the Lozi kings such as King Mulambwa and later Lewanika as well as the colonial and post colonial political transformations, the book discusses the role of elites in both resisting and accommodating imperial power. Additionally, the study touches on the broader themes of colonialism in Africa examining how economic systems, education and social class conflicts played out within Barotseland. The rise of secessionist tendencies and the contest for power between various elite factions are also explored in the context of Barotseland's eventual integration into Zambia. This book offers a nuanced understanding of the internal politics of Barotseland and its significance in the larger framework of Southern African history, making it an important resource for those interested in African political history and the dynamics of colonialism and post colonial state formation. This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice, reach and impact. Drawing on a backlist dating to 1893, Voices Revived makes high quality, peer reviewed scholarship accessible once again using print on demand technology. This title was originally published in 1970.

African Religions & Philosophy John S. Mbiti, 1990. *African Religions and Philosophy* is a systematic study of the attitudes of mind and belief that have evolved in the many societies of Africa. In this second edition, Dr Mbiti has updated his material to include the involvement of women in religion and the potential unity to be found in what was once thought to be a mass of quite separate religions. Mbiti adds a new dimension to the understanding of the history, thinking and life throughout the African continent. Religion is approached from an African point of view but is as accessible to readers who belong to non African societies as it is to those who have grown up in African nations. Since its first publication, this book has become acknowledged as the standard work in the field of study and it is essential reading for anyone concerned with African religion, history, philosophy, anthropology or general African studies.

Herbert, 1994-01-22 Herbert has constructed a model of power relationships structured upon gender and age and derived from male transformative processes and in so doing has written a notable and most enjoyable book African History Herbert examines with great care and thoroughness the relationships between gender and power and the rationales that give them social form Her analytical ability is outstanding Patrick McNaughton This book is a well written and essential study of the place of belief in African material culture International Journal of African Historical Studies Herbert relates the beliefs and practices associated with iron working in African cultures to other transformative activities chiefly investiture hunting and pottery making to propose a gender age based theory of power Beiträge zur vergleichenden Psychiatrie N. Petrilowitsch, 1967-09-19 **Culture and Customs of Zambia** Scott D. Taylor, 2006-10-30 Zambia stands out in Africa as one of the continent's most peaceful countries In its early years as an independent state Zambia became a regional bulwark against imperialism and colonial domination and South African apartheid Today it stands out as an important example of Africa's recent democratization experiencing both incredible success as well as some notable setbacks The country is also one of the most urbanized in Sub Saharan Africa As a result of this urban influx Zambia's diverse ethno linguistic groups interact regularly Moreover many contemporary Zambian households especially those in cities are also exposed to the media technology and influences of western urbanized cultures from Internet cafes to hip hop music The interesting ways that tradition and modernity conflict and combine in contemporary Zambia are prime considerations in this book This book explores Zambia's culture with an eye toward its historical experiences and its particular endowments It focuses on how traditional and modern interact and sometimes collide in the country through topics such as religion gender roles and family cuisine the arts literature and more The major groups are examined to give the reader an idea about how many Zambians live *Religion, Faith and Crime* Kim Sadique, Perry Stanislas, 2016-05-28 This unique collection brings together international contributors from a range of disciplines to explore crime and responses to crime through a religious faith based lens At a time when religion is under the media spotlight in terms of religiously motivated hate crime terrorism and child abuse this book provides an important platform for academic debate It examines these and other key issues including faith as a coping strategy religion as a motivating factor and the role of religion and morality in shaping criminal justice responses This collection clearly places religion faith at the heart of criminological enquiry and illustrates its relevance in addressing wider social issues and would be of benefit to students and academics researching or studying in these areas It will also be of interest to community and criminal justice practitioners and those with an interest in community engagement and multi faith work *Witchcraft Confessions and Accusations* Mary Douglas, 2013-04-15 Historians as well as anthropologists have contributed to this volume

Gebuano Sorcery Richard Warren Lieban, *The Scottish Witch-Hunt in Context* Julian Goodare, 2002-09-21 This book is a collection of essays on Scottish witchcraft and witch hunting which covers the whole period of the Scottish witch hunt from the mid 16th century to the early 18th It particularly emphasizes the later stages since scholars are now as keen to explain why witch hunting declined as why it occurred There are studies of particular witchcraft panics including a reassessment of the role of King James VI The book thus covers a wide range of topics concerned with Scottish witch hunting and also places it in the context of other topics gender relations folklore magic and healing and moral regulation by church and state

African Witchcraft and Otherness Elias Kifon Bongmba, 2015-01-21 This work of African philosophy and theology uses the thought of Emmanuel Levinas to provide an analysis of tfu witchcraft among the Wimbun people of Cameroon along with a critique of intersubjective relations Taking an approach he calls critical contextualism author Elias Bongmba employs Levinas s philosophy particularly the concept of the Other to engage in cross cultural philosophy that does not destroy the perspective of the culture under study Insights from anthropology African studies and the author s own experiences are also important throughout the book Bongmba discusses the cultural background of the Wimbun people and explores the concepts and terms used to discuss the acquisition of several categories of power generally described as tfu Bongmba argues that when properly explored and understood these terms refer to complex practices that involve power that can be used for good and power that can be abused Drawing from Levinas the author demonstrates that negative use of tfu constitutes a totalizing praxis He goes on to endorse Levinas s call for a phenomenology of eros as a way of reconfiguring interpersonal relationships

The Objects of Life in Central Africa , 2013-09-15 In *The Objects of Life in Central Africa* the history of consumption and social change from 1840 until 1980 is explored By taking consumption as a vantage point the contributions deviate from and add to previous works which have mainly analysed issues of production from an economic and political perspective The chapters are broad ranging in temporal and geographical focus including contributions on Congo Zambia Zimbabwe and Angola Topics range from the social history of firearms to the perception of the railway and include contributions on sewing machines traders and advertising By looking at the socio economic political and cultural meaning and impact of goods the history of Central Africa is reassessed Culturally Responsive Interventions Julie R. Ancis, 2004-03-01 This book fills the widening gap in multicultural literature by providing specific culture centered interventions The first section of the text

highlights culturally based interventions The second section focuses on the treatment of Culture Bound Syndromes CBS Culture Bound Syndromes are defined as recurrent locality specific behavior patterns that are observed only in certain cultural environments The third section clinical and training implications includes a chapter describing how training will need to be reconceptualized in order to promote counselors who are effective with a wide range of clients Spear Masters Molefi Kete Asante, Emeka Nwadiora, 2007-04-26 Spear Masters contends that in Africa there exists only one religion with a vast array of denominations African religion is expressed in a different way by each of the denominations which creates confusion for those who believe that there are more than one African religion Spear Masters presents information about some of the larger and most significant expressions of the sole African religion so that the reader will understand the relationship between God the creator and the notions of the relationship with the family and community The term spear master relates to the integrity and ethics that had to accompany the maker and user of the spear in ancient African societies The essence of religion presented in Spear Masters is the deification of one's society and nation and making sacred the traditions and rituals of the ordinary lives of the people **Encyclopedia of Beasts and Monsters in Myth, Legend and Folklore** Theresa Bane, 2016-05-22 Here there be dragons this notation was often made on ancient maps to indicate the edges of the known world and what lay beyond Heroes who ventured there were only as great as the beasts they encountered This encyclopedia contains more than 2 200 monsters of myth and folklore who both made life difficult for humans and fought by their side Entries describe the appearance behavior and cultural origin of mythic creatures well known and obscure collected from traditions around the world
