The Promise and the Blessing Michael A. Harbin, 2010-06-01 The Bible is a collection of writings that together tell a unified story But exactly how do all the pieces fit together In a single volume *The Promise and the Blessing* connects the dots of the Old and New Testament books to reveal the big picture of salvation history Organized chronologically rather than canonically this book traces the flow of Israel s history and shows how the New Testament proceeds out of the Old It begins with God s creation of the cosmos and the initial problem of the fall of man Then it traces God s solutions to that problem as he selects first one man Abraham then his line and then the nation of Israel to provide the Messiah Finally it focuses on the Messiah himself and looks at how the gospel

of Jesus was spread throughout the known world The Promise and the Blessing is easy to use and ideal for anyone who wants to understand the grand narrative of the Bible It features numerous beautiful full color photos as well as sidebars and brief fascinating breakouts of supplementary information Maps illustrations summaries and insightful notes help to illuminate the text Field tested in the classroom The Promise and the Blessing is designed for Old and New Testament survey classes and will provide all readers of the Bible with a better understanding of how the drama that began in Eden winds through Israel s history to its fulfillment in Jesus Christ The Rapture Exposed Barbara R. Rossing,2007-03-30 The idea of The Rapture the return of Christ to rescue and deliver Christians off the earth is an extremely popular interpretation of the Bible s Book of Revelation and a jumping off point for the best selling Left Behind series of books This interpretation based on a psychology of fear and destruction guides the daily acts of thousands if not millions of people worldwide In The Rapture Exposed Barbara Rossing argues that this script for the world s future is nothing more than a disingenuous distortion of the Bible The truth Rossing argues is that Revelation offers a vision of God s healing love for the world The Rapture Exposed reclaims Christianity from fundamentalists destructive reading of the biblical story and back into God s beloved community
