*School Library Journal* ,2006      **The Publishers Weekly** ,2006      *The British National Bibliography* Arthur James Wells, 2006      **Airy Fairy's Book of Magic** Margaret Ryan, 2005 In these three magical stories Airy Fairy causes a fuss at the Fairy Olympics tries to tidy up her bedroom but makes a mess of her spelling and gets trapped on top of a very prickly Christmas tree      **Significant Emotions** Ashley Frawley, 2023-11-16 Significant Emotions is a piercing examination of the rising use of emotional signifiers in public debate and the rhetoric of an increasingly expansive array of social problems Building on ideas developed in Ashley Frawley s previous book Semiotics of Happiness it examines in detail the emotional turn across the social sciences and the broader cultural rise of the age of emotion and its influence on how we talk about and approach new social issues The book explores the rise of supposedly positive emotional signifiers that have gained prominence as powerful causes of and solutions to nearly every social ill from promoting self esteem happiness and mindfulness to concerns for well being and mental health Conceptualizing the rise and comparative decline of these emotional signifiers as cycles of discovery adoption expansion and exhaustion the book argues that rather than calling into question one or another of these signifiers it is necessary to penetrate deeper to the underlying cultural currents that drive their adoption and contribute to their rhetorical power Through a systematic and in depth exploration of the appearance of these trends in a variety of claims making activities across academia traditional and social media and social policy Frawley argues that the age of emotion does not represent a step toward a more enlightened and emotionally aware society Rather it

signifies a preoccupation with emotional deficits and a firm belief that emotional disorientation ultimately underlies nearly every social ill Emerging from the analysis is the conclusion that emotions have become key signifiers of broader cultural tendencies to affirm conservatism over progress vulnerability over resilience and the determined self over the free willing subject Children's Books in Print, 2007 ,2006 **Wooing the Echo** Lee Morgan,2013-08-30 Chasing a ghost and echoes of magic Christopher discovers the darkness that looms behind desire Christopher is haunted and hollow with the loss of a friend unlike any other When a stranger arrives with the secrets of Old Craft sorcery and communion with the dead Christopher s fate will be altered forever On that crooked path the facade of normal life falls away to reveal a world of wonder but also danger As the ghosts of the dead stir what secrets will rise to the surface with them and will Christopher survive the horror that is love s other face **Wooing the Echo** is the first in an edgy new series that follows the life of Christopher Penrose It is a journey into a world of the occult seething with real adult and believable magic **Our Little Tot's Speaker** ,1899

*The Mythic Imagination* Stephen Larsen,1996-03-01 Mythology is the universal tongue of human imagination As a tool for self discovery mythology is also a way of gaining access to the secrets of the psyche The Mythic Imagination is a quest for the ancient source of vision and meaning in the world of dream myth and archetype In the footsteps of Joseph Campbell Stephen Larsen guides the reader on a journey through the mythic landscape of the psyche His insight is that all of us at one time or another are engaged in creating personal mythologies that reflect the larger myths of the culture and our own deepest desires and aspirations This book is a guide for bringing the deeper mythic structures of experience into awareness for learning to recognize the archetypal content embedded in our dreams and daydreams feelings beliefs relationships conscious creations and behavior Student and authorized biographer of Joseph Campbell Larsen teaches us how to bring myth into our lives Reissue of the Bantam bestseller **The Twins' Rodeo Rider** Tina Leonard,2015-02-01 **BREAKING ALL THE RULES** Suz Hawthorne was always a rebel But falling for Navy SEAL Cisco Grant when Bridesmaids Creek legend already chose him as destined for another woman borders on sedition For a small Texas town that depends on its romantic reputation flouting local lore is disastrous Now Suz s renegade heart could cost her the family ranch and the town its livelihood Cisco knows he and Suz are meant for each other and the twin babies they re expecting are the only kind of magic he cares about No one ever tried to cheat the Bridesmaids Creek charm before but Cisco believes in doing things the old fashioned way his way Can he preserve the town s fabled tradition and still win the woman he loves Lovers, Clowns, and Fairies Stuart M. Tave,1993-06-15 Through dreams and shadows and strangeness through blinding charms and eye opening counter charms through moments of mortification and laughter thus Stuart M Tave traces the journey of the lovers clowns and fairies who populate comedies from *A Midsummer Night s Dream* to *Waiting for Godot* Tave avoids the pitfalls of theory taking instead a close look at particular works to give us a sense of the relations between certain dramas and novels that are called comedies The result is a wonderfully readable book that renews our delight in the enchanting possibilities of literature *A Midsummer*

Night's Dream in its perfection is Tave's point of departure. Its characters fall neatly into the three groups of Tave's title and fulfill to perfection their functions of desire, foolishness, and power. From the magical concord of Shakespeare's resolution, Tave moves to works whose characters face ever greater difficulties in reaching a happy conclusion. From Jonson and Austen to Chekhov and Beckett, he meets comedies on their own terms, illuminating the complex and individual genius of each. A masterpiece of practical criticism, *Lovers, Clowns, and Fairies* rediscovers the pleasure of reading comedies. 'A

**Midsummer Night's Dream' in Context** Keith Linley, 2016-11-21. Everything you need to know about the cultural contexts of *A Midsummer Night's Dream*. Is this just a light-hearted romp, or is Shakespeare trying to make serious points about courtship, love, marriage, and human folly? This book provides detailed in-depth discussion of the various influences that an Elizabethan audience would have brought to interpreting the play. How did people think about the world, about God, about sin, about kings, about civilized conduct, about the magic and madness of love and attraction? Historical literary, political, sociological backgrounds are explained within the biblical moral matrices by which the play would have been judged. This book links real life in the late 1590s to the world on the stage. Discover the orthodox beliefs people held about religion. Meet the Devil, Sin, and Death. Learn about the social hierarchy, gender relationships, court corruption, class tensions, the literary profile of the time, attitudes to comedy, and all the subversions, transgressions, and oppositions that made the play a hilarious farce but also an unsettling picture of a world so close to disaster. *British Drama* Mr. Rohit Manglik, 2023-08-21.
