Magic Of Ireland:

Witchcraft and Magic in Ireland Andrew Sneddon,2015-08-25 This is the first academic overview of witchcraft and popular magic in Ireland and spans the medieval to the modern period Based on a wide range of un used and under used primary source material and taking account of denominational difference between Catholic and Protestant it provides a detailed account of witchcraft trials and accusation

Representing Magic in Modern Ireland Andrew Sneddon,2022-05-19 This Element argues that Ireland did not experience a disenchanted modernity nor a decline in magic It suggests that beliefs practices and traditions concerning witchcraft and magic developed and adapted to modernity to retain cultural currency until the end of the twentieth century This analysis provides the backdrop for the first systematic exploration of how historic Irish trials of witches and cunning folk were represented by historians antiquarians journalists dramatists poets and novelists in Ireland between the late eighteenth and late twentieth century It is demonstrated that this work created an accepted narrative of Irish witchcraft and magic which glossed over ignored or obscured the depth of belief in witchcraft both in the past and in contemporary society Collectively their work gendered Irish witchcraft created a myth of a disenchanted modern Ireland and reinforced competing views of Irishness and Irish identity These long held stereotypes were only challenged in the late twentieth century

The Magic of Ireland Henry Vollam Morton,1978 *Chicago Magic* David Witter,2013-11-05 By the end of America s Golden Age of Magic Chicago had taken center stage in front of an American audience drawn to the craft by the likes of Harry Houdini and Howard Thurston Cashing in on a craze that rivaled big band mania magic shops and clubs sprang up everywhere across the Windy City packed in customers and put down roots Over the last century for example Magic Inc has outfitted magicians from Harry Blackstone Sr to Penn and Teller to David Copperfield Magic was an integral part of Chicago s culture from its earliest venture into live television to the card sharps and hucksters lurking in its amusement parks and pool halls David Witter keeps track of the shell game of Chicago s fascinating magic history from its vaudeville circuit to its contemporary resurgence
