The Magic Power Of Your Mind Walter M. Germain, 2022-03-26 HOW THIS BOOK CAN WORK MAGIC IN YOUR LIFE THE moment you picked up this book you held the key to rebuilding your life In the 367 pages that follow there is set forth in plain terms knowledge that is scientifically sound easy to understand and easy to apply to your own affairs As you read these pages and as you fill in the very important sections that deal with you alone you find out How to make of your life anything you want it to be How to free your days of the deadly monster monotony and fill your days with interest and pleasure and health and love How to make happiness a habit with you How to use every hour of the day even your sleeping hours to add years to your life and life to your years In the sixteen carefully arranged chapters that make up this book you will read exactly how these things are possible You will see they are possible for you Hardly a person has not said to himself If only I could change myself and do better And it is not only older people who look back and sigh over wasted decades Young people too look back and realize they are not using their full powers and think If only I could change myself This book shows you how to change yourself from within You have the power now This book shows you how to find it The one great key your Superconscious mind     **The Magic Power of Your Mind** Walter Montgomery Germain,     The Magic Power of Your Mind. (New, Revised and Enlarged Edition.). Walter Montgomery GERMAIN, 1956     The Magic Power of Mental Images Dean Amory, 2013-05-15 Jos Ortegay Gasset was so impressed by the power of metaphors that he compared them to a tool for creation which God forgot inside of us when he created man When I asked myself where metaphors get this tremendous power from I realized that mankind has an even much more powerful tool at its disposition Mental Imagery Mental Imagery is the key to achieving our goals and the internal screen on which we project our dreams It allows us to simulate procedures familiarize with environments and situations before we get to know them in real life It helps us to relax but just as well will arouse us or prepare us for future actions With the help of Mental Imagery we can build confidence and readiness stimulate healing and recovery change our behaviour or literally borrow the mind of a genius How to learn and implement this power and benefit from its many advantages is what this book is all about     **Your Thoughts Matter** George Goh, 2018-11-13 This book explores the power of your thoughts and how changing your thoughts can change your destiny Everything is created twice It is first a thought before it becomes a thing I have come to recognize and realize that the major stumbling block that prevents and obstructs most people from achieving the results they desire in their life is what lies between our ears that is our THOUGHTS In the final analysis this book reinforces the truth that our thoughts are powerful and that we are greater than our history circumstance and conditions We are the master of our own destiny Your Thoughts Matter Change your Thoughts and Change your Destiny     The Power of Your Subconscious Mind: The Complete Original Edition Joseph Murphy, 2019-11-05 The Power of Your Subconscious Mind is a classic self help book that has never been out of print since it was first published over a half century ago In that time it has sold millions of copies A writer of the same class as Napoleon
