

RING OF EVASION

Cursed Ring of Evasion

Rare

When you fail a dexterity saving throw while wearing this ring, you can use your reaction to succeed on that saving throw instead. Every time the ring is used, the user gains a feature of a rabbit.

The Dungeon Master may choose the change that takes place each use (i.e. rabbit ears, whiskers, cotton tail, ect.).

After gaining 7 features from the user becomes a bunny. This effect can only be removed by use of the remove curse spell, although this will also remove the enchantment of the ring, rendering it nonmagical.

tends to overflow a single institutional affiliation While Kenya s Christianity may offer modes of coping with the fragilities of urban life it is subject to repeated crises and schisms often fueled by rumors and accusations of hypocrisy In order to understand the unfolding of Kenyans dynamic religious identities and inspired by the omnipresent distinction between religious membership and church visits Yonatan N Gez considers the complementary relations between a center of religious affiliation and expansion towards secondary practices Building on this basic distinction the book develops a theoretical innovation in the form of the religious repertoire model which maps individuals religious identities in terms of three intertwined degrees of practice *Singing Youth* Mabel Mountsier,1927 **The New Leaven** Stanwood Cobb,1928
