

Puff, The Magic Dragon

from www.traditionalmusic.co.uk

Puff, the Magic Dragon

G Bm C G
Puff, the magic dragon lived by the sea

G Bm C G
And frolicked in the autumn mist in a land called Honalee,

G Bm C G
Little Jackie Paper loved that rascal Puff,

C G Em A7 D7
And brought him strings and sealing wax and other fancy stuff. Oh

G Bm C G
Puff, the magic dragon lived by the sea

G Bm C G D7
And frolicked in the autumn mist in a land called Honah Lee,

G Bm C G
Puff, the magic dragon lived by the sea

G Bm C G D7
And frolicked in the autumn mist in a land called Honah Lee.

G Bm C G
Together they would travel on a boat with billowed sail

C G Em A7 D7
And Jackie kept a lookout perched on Puffs gigantic tail,

G Bm C G
Noble kings and princes would bow whenever they came,

C G Em A7 D7 G
Pirate ships would lower their flags when Puff roared out his name. oh!

Puff, the magic dragon lived by the sea

And frolicked in the autumn mist in a land called Honah Lee,

Puff, the magic dragon lived by the sea

And frolicked in the autumn mist in a land called Honah Lee.

A dragon lives forever but not so little boys

Painted wings and giant rings make way for other toys.

One grey night it happened, Jackie Paper came no more

And Puff that mighty dragon, he ceased his fearless roar.

His head was bent in sorrow, green scales fell like rain,

Puff no longer went to play along the cherry lane.

Without his life-long friend, Puff could not be brave,

So Puff that mighty dragon, he slipped into his cave. oh!

Puff, the magic dragon lived by the sea

And frolicked in the autumn mist in a land called Honah Lee,

Puff, the magic dragon lived by the sea

And frolicked in the autumn mist in a land called Honah Lee.

Magic Of Music Childrens Songs:

Musical Childhoods Berenice Nyland,Aleksandra Acker,Jill Ferris,Jan Deans,2015-02-11 Musical Childhoods is a culmination of more than a decade of research driven by the fact that music has been neglected in early childhood programs in favour of literacy and numeracy Recent research has identified a connection between academic performance and musical programs and this has given music a renewed status in many schools This book promotes the idea of children s competence in the use of the language of music and argues that all children have a right to participate in musical discovery and celebrates children s engagement with meaningful and disparate experiences in music Written by leading practitioners and researchers in the field this book seeks to reaffirm children s communicative competence when exposed to high quality musical experience provide new perspectives on children s ability to engage with music in many diverse forms and explore and promote the role of the musician as an artist and teacher The book is structured into three parts The theoretical overview The children the musicians and the music The research through the eyes of the protagonist and looking into the future Early childhood students researchers and academics with a specific interest in music and musicality will find this an insightful read

Enjoying the Song of Term: An Emotional Symphony within **Magic Of Music Childrens Songs**

In some sort of consumed by monitors and the ceaseless chatter of immediate connection, the melodic beauty and mental symphony developed by the written word frequently fade into the background, eclipsed by the relentless noise and disturbances that permeate our lives. Nevertheless, situated within the pages of **Magic Of Music Childrens Songs** an enchanting fictional prize full of raw feelings, lies an immersive symphony waiting to be embraced. Constructed by an outstanding composer of language, this charming masterpiece conducts visitors on an emotional journey, skillfully unraveling the hidden melodies and profound impact resonating within each cautiously crafted phrase. Within the depths with this emotional evaluation, we will examine the book is main harmonies, analyze its enthralling writing style, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
