**I Choose To Stay: A Black Teacher Refuses To Desert The Inner-city** Cecil Murphey, Salome Thomas-El, 2004-01-01 The challenges of working in an urban school are not for every teacher Some get burnt out fast Some lose sight of why they started teaching in the first place Some find their calling in other neighborhoods with other kids But not Salome Thomas El A Teacher at Roberts Vaux Middle School in Philadelphia's inner city he chose to stay Gripping poignant and homest this is his blistering real life tale of mentoring and making a difference and how the reformation of America's educational system can start with just one school Praise for I Choose To Stay An intensely moving story of loyalty and courage and a deeply personal tribute to the great potential of our inner city kids so frequently dismissed and denigrated by American society The redemptive power of a teacher's love shines through these pages with prophetic grace I am grateful to the author for the lesson of essential decency he teaches us Jonathan Kozol This book is about courage It is a story about determination about compassion love and the ultimate fight This is the fight against the odds against the system and years of cultural social and economic factors that would have allowed this group of inner city kids to become nothing more than a set of statistics But

Salome Thomas El would not let that happen He would not give up He saw the potential in them and he fought for them he used a board game as a weapon in this fight From the forward by Arnold Schwarzenegger A powerful story about what an inspirational teacher can do to open new horizons for economically disadvantaged young people William H Gray III President United Negro College Fund This book shows how one dedicated educator who believes in the potential of all our kids can make a huge difference and how under the proper circumstances urban education can work Edward G Rendell former mayor of Philadelphia Chairman of the Democratic National Convention An eloquent example of how commitment and innovation can better the lives of inner city children Kirkus Reviews THE MAGIC SCHOOL BUS NARAYAN CHANDER,2024-02-03
