The Magical Starfruit Tree Rosalind Wang,2023-02-07 The Magical Starfruit Tree teaches children about the virtue of sharing especially with those less fortunate than you through the retelling of a Chinese folktale by an author and illustrator who are both Chinese The Magical Starfruit Tree tells the story of a greedy peddler Ah Di a kindhearted young boy Ming Ming and an old beggar on a hot day In spite of the heat and the old man s apparent thirst the miserly peddler refuses to give him a juicy starfruit Although he has little Ming Ming offers to buy a piece of fruit for the old man The beggar gratefully accepts and eats the fruit saving only one seed Calling for someone to bring him a pot of hot water he plants the seed The old man uses his magic to make the seed grow blossom and bear fruit all before the eyes of the bewildered crowd In the end there is enough fruit for everyone the peddler is chastised for his greedy ways and Ming Ming is rewarded for his generosity Retold and illustrated by a Chinese author and Chinese artist The Magical Starfruit Tree is a traditional story that teaches values to children through example It also touches on one of the main tenets of the Chinese culture which is to honor your elders and treat them with respect
