Pastor's Highways on the Way to the New Jerusalem Arthur Jarrell Tankersley,2021-10-29 David Brooks wrote in The Second Mountain A pilgrimage is a journey undertaken in response to a story My life story has been lived in response to God s story revealed in the Bible This book is about the highways I have traveled in obedience to the Voice of the Holy breaking into my successes and failures desires and doubts and leading me by the power of grace in ever merciful and transforming ways If you are drawn to my story it is because the same Voice is calling you to share the adventure of a lifetime in following Jesus as he set his face to go up to Jerusalem Through my story may you hear Aslan s Christ s invitation Come further in Come further up This story travels by way of the highways to Zion Ps 84 5 7 Those highways become deeply paved in the hearts and minds of those who work for the healing of the world and who bring the blessings of the reign of God to barren dry and thirsty lands **Flipped** Malcolm Duncan,2023-04-03 Christians are called to model a way of life that challenges the status quo and infuses the world with hope and possibility We are to be people who see possibility where others see failure

beauty where others see ugliness and freedom where others see chains This is the Upside Down Kingdom where the forgotten are noticed the silenced are given back their voice and love is stronger than hate By exploring the teaching of Jesus as recorded in the Gospel of Matthew Malcolm Duncan in *Flipped* traces the key components of this new community this life giving way of living He explores the five key discourses in Matthew and invites us to a radical new way of living and being centred around the reign and the rule of King Jesus The message of *Flipped The Upside Down Kingdom* is one that our churches need to hear that God's Kingdom is unshakeable local churches are its vanguard and Christians are its citizens *Flipped* paints a vision of what is possible when ordinary people catch a glimpse of God's radical call to follow the Lord Jesus

Humankind and the Cosmos: Early Christian Representations Doru Costache, 2021-07-15 In this volume Costache endeavours to map the world as it was understood and experienced by the early Christians Progressing from initial fears they came to adopt a more positive view of the world through successive shifts of perception This did not happen overnight Tracing these shifts Costache considers the world of the early Christians through an interdisciplinary lens revealing its meaningful complexity He demonstrates that the early Christian worldview developed at the nexus of several perspectives What facilitated this process was above all the experience of contemplating nature When accompanied by genuine personal transformation natural contemplation fostered the theological interpretation of the world as it had been known to the ancients
