Bradley's Railway Guide Simon Bradley, 2024-10-10 A lifetime of railway love distilled into a most beautiful volume Lucy Worsley Our railway history could not have been told more palatably or more nourishingly David Kynaston The most attractive comprehensive and easily digestible history of the oldest railway system in the world Michael Palin In 1825 the Stockton Darlington company strode into history with the opening of the world's first public steam railway What the SDR had pioneered soon picked up speed transforming lives and landscapes connecting far flung corners of the nation and creating its own distinctive environments and working worlds This ambitious and lavishly illustrated volume brings the story of Britain's railways to life spanning two centuries of achievement and change Full of colour and incident it is an exhilarating journey through time and space revisiting favourite themes and introducing unfamiliar stories and places With original and engaging entries on everything from dining saloons to collecting dogs wartime salvage efforts and the iconic Rail Alphabet Simon Bradley gives George Bradshaw's famous 19th century guide a run for its money in this fresh and distinctive chronicle of the making of Britain's railways

The Railways Simon Bradley, 2015-09-24 Sunday Times History Book of the Year 2015 Britain's railways have been a vital part of national life for nearly 200 years Transforming lives and landscapes they have left their mark on everything from timekeeping to tourism As a self contained world governed by distinctive rules and traditions the network also exerts a fascination all its own From the classical grandeur of Newcastle station to the ceaseless traffic of Clapham Junction from the mysteries of Brunel's atmospheric railway to the lost routines of the great marshalling yards Simon Bradley explores the world of Britain's railways the evolution of the trains and the changing experiences of passengers and workers The Victorians' private compartments railway rugs and footwarmers have made way for air conditioned carriages with airline type seating but the railways remain a giant and diverse anthology of structures from every period and parts of the system are the oldest in the world Using fresh research keen observation and a wealth of cultural references Bradley weaves from this network a remarkable story of technological achievement of architecture and engineering of shifting social classes and gender relations of safety and crime of tourism and the changing world of work The Railways shows us that to travel through Britain by train is to journey through time as well as space

Imaginaires du rail José Domingues de Almeida, Maria de Fátima Outeirinho, Ana Paula Coutinho, 2023-11-28T00:00:00+01:00 Le rail est historiquement quivoque ayant permis aussi bien le meilleur que le pire de nos aventures inter nationales Nous lui devons le développement de la révolution industrielle la propagation de certains idéaux révolutionnaires et démocratiques le moyen de fuir la misère ou la guerre comme on l'a encore vu tout au début du conflit qui oppose la Russie l'Ukraine avec ces trains dans lesquels des Ukrainiens surtout femmes et enfants essayaient de monter pour se mettre à l'abri et rejoindre la Pologne La même Pologne justement où tout comme en Italie en France et ailleurs de bien
