The Afterlives of Anticolonial Aesthetics Carlos Garrido Castellano, Patrick Crowley, 2025-08-06 This book develops a critical intervention in the politics of time and anticolonial aesthetics Engaging with recent debates on cultural activism and postcolonial and decolonial studies the main objective of this volume is to examine the ways in which anticolonial cultural analysis and production keeps nurturing contemporary processes of progressive social transformation The chapters in this volume argue that anticolonialism should not be bounded to a specific historical moment that of postcolonial nation building rather it should be seen as a fertile radical tradition going beyond the specific event of decolonization and informing utopian and radical futures The twelve essays engage with this argument from a wide variety of disciplines including film studies art history literary criticism and cultural and visual studies It is intended for scholars activists and students across disciplines who are interested in the intersections of culture politics and social change The chapters in this book were originally published as a special issue of Interventions

*The Films of G.W. Pabst* Eric Rentschler, 1990 GW Pabst entered film history as a luminary of Weimar cinema an astute observer of social struggle and psychic process the espouser of a progressive and engaged film art He gained international renown as the director of *The joyless street* *Pandora's Box* *Westfront 1918* and *Kamaradschaft* After 1933 the once revered auteur would become a voice incessantly modified and modulated by socio political forces more sovereign than his best intentions experiencing exile emigration a sojourn in Hollywood a fateful return to Germany and an unsuccessful postwar attempt to regain a once considerable reputation This collection of essays presents the first truly comprehensive image of a problematic filmmaker whose life and oeuvre compellingly reflect both the turbulent character of recent German history as well as the fate of artistic producers in the transcultural machinery of the modern world

**Re-Entering the Dollhouse** Heather M. Porter, Michael Starr, 2022-05-24 Premiering on Fox in 2009 Joss Whedon's *Dollhouse* was an innovative contentious and short lived science fiction series whose themes were challenging for viewers from the outset A vast global corporation operates establishments Dollhouses that program individuals with temporary personalities and abilities The protagonist assumes a different identity each episode her defining characteristic a lack of individuality Through this obtuse

premise the show interrogated free will morality and sex and in the process its own construction of fantasy and its audience A decade on the world is for better or worse catching up with Dollhouse s provocative vision This collection of new essays examines the series relevance in the context of today s social and political issues and media landscape Lincoln before Lincoln Brian J. Snee, 2016-05-13 Remembered as the Savior of the Union Abraham Lincoln is one of America s most revered presidents There have been tens of thousands of books published about him since his death but he has proved to be a surprisingly daunting subject for filmmakers Despite a wealth of biographical material relatively few full length motion pictures have taken the man and his life as a primary subject In this detailed study Brian J Snee provides a sweeping overview of the cinematic representations of the sixteenth president from the silent era up to Steven Spielberg s Lincoln 2012 a film which he argues marks a seismic shift in the way Hollywood presents the Great Emancipator on screen Snee focuses on six of the most popular and influential movies and TV miniseries of the twentieth century to address the life of Abraham Lincoln The Birth of a Nation 1915 Abraham Lincoln 1930 Young Mr Lincoln 1939 Abe Lincoln in Illinois 1940 Sandburg s Lincoln 1974 1976 and Gore Vidal s Lincoln 1988 Snee examines how each work has contributed to public memory of the president addressing issues of production textual construction and audience reception as well as their contemporary historical contexts and underlying cultural theory The absence of video and other recording technology during Lincoln s lifetime forever shrouds his mannerisms thought processes and interactions with his peers and advisers That man Snee argues is lost to history This fascinating book offers a revealing and groundbreaking assessment of how Hollywood has imagined and reimagined America s greatest president on screen contributing to the popular image and myth of the legendary man
