Black Directors in Hollywood Melvin Donalson, 2010-01-01 An in depth look at the pioneering work and lasting influence of black Hollywood directors from Gordon Parks to Spike Lee and beyond

Hollywood film directors are some of the world's most powerful storytellers shaping the fantasies and aspirations of people around the globe. Since the 1960s African Americans have increasingly joined their ranks bringing fresh insights to the characters we watch and profoundly changing the way stories are told. Today black directors are making films in all popular genres while inventing new ones to speak directly from and to the black experience. This book offers a comprehensive look at the work of black directors in Hollywood from pioneers such as Gordon Parks, Melvin Van Peebles, and Ossie Davis to current talents including Spike Lee, John Singleton, Kasi Lemmons, and Carl Franklin. Discussing sixty-seven individuals and over 135 films, Melvin Donalson thoroughly explores how black directors' storytelling skills and film techniques have widened both the thematic focus and visual style of American cinema. Assessing the meanings and messages in their films, Donalson convincingly demonstrates that black directors are balancing Hollywood's demand for box office success with artistic achievement and responsibility to ethnic, cultural, and gender issues.

VideoHound's Golden Movie Retriever 1999 Martin Connors, Jim Craddock, 1999 This comprehensive guide contains the most extensive listing of movies available on video with 1 000 new movies added, categories, and more plus a multitude of cross referencing within its 13 primary indexes.

Serial Killer Cinema Robert Cettl, 2007-10-18 The release of *Silence of the Lambs* in 1991 which swept the major Academy Awards categories legitimized the serial killer movie, a genre that dates back as far as the silent era. From *Absence of the Good* to *Zodiac Killer*, this reference work allows a detailed study of the development of the serial killer film as a distinct genre with its own character types, narrative patterns, and styles. An introduction outlines the historical evolution of this film genre and covers the whole range of cinematic interpretations from the response to Jack the Ripper and other real-life serial killers through the late 1960s to the current state of the genre. Arranged alphabetically by title, the filmography covers over 500 feature films and select television movies. Each entry contains a listing of the film's main credits, a synopsis of the film, a summary of the film's respective merits, and a discussion of how they fit into the themes and structures outlined in the introduction. Only films that portray the serial killer as a repeat pattern killer and directly or by suggestion reveal the killer's aberrant sexual motivations or their craving for manipulation, domination, and control with subsequent desires to punish women or society are included.

Kitano Takeshi Aaron Gerow, 2019-07-25 Combining a detailed account of the situation in Japanese film and criticism with unique close analyses of Kitano's films from *Violent Cop* to *Takeshi's*, the author relates the director to issues of contemporary cinema, Japanese national identity, and globalism.

Movies and the Reagan Presidency Chris Jordan, 2003-06-30 The 1980s were unique in both American history and the history of American cinema. It was a time when a United States president, a former B movie actor, and Cold War industry activist served as a catalyst for the coalescence of trends in Hollywood's political structure, mode of production, and film content. Ronald Reagan championed a

success ethos that recognized economic and moral self governance as the basis of a democratic society His agenda of tax reform and industry deregulation simultaneously promoted the absorption of Hollywood s major studios into tightly diversified media conglomerates and concentrations of ownership promoted the production and release of movies with maximum revenue potential Indeed the most commercially successful movies of the decade put forth the ideologies of WASP America nuclear family self sufficiency and conspicuous consumption Three genres in particular the biracial buddy movie the MTV music video movie and the yuppie movie provide case studies of how Reagan era cinema addressed issues of race gender and class in ways very much in tune with Reaganomics and the President s cultural policies Author Chris Jordan provides a complete overview of both the influence of Reagan s presidency on the film industry and on the films themselves Exploring 80s genres and movies with both a sociocultural and aesthetic eye this book will be invaluable to historians cinema scholars and film buffs

The Cinema of Krzysztof Kieslowski Marek Haltof, 2004-06-09 Since his death in 1996 Krzysztof Kieslowski has remained the best known contemporary Polish filmmaker and one of the most popular and respected European directors internationally renowned for his ambitious Decalogue and Three Colors trilogy In this new addition to the Directors Cuts series Marek Haltof provides a comprehensive study of Kieslowski s cinema discussing industrial practices in Poland and stressing that the director did not fit the traditional image of a great East Central European auteur He draws a fascinating portrait of the stridently independent director s work noting that Kieslowski was not afraid to express unpopular views in film or in life Haltof also shows how the director s work remains unique in the context of Polish documentary and narrative cinema

Reading Race Norman K Denzin, 2002-03-29 In this insightful book one of America s leading commentators on culture and society turns his gaze upon cinematic race relations examining the relationship between film race and culture Acute richly illustrated and timely the book deepens our understanding of the politics of race and the symbolic complexity of segregation and discrimination

Promises to Keep Greg Dimitriadis, Dennis Carlson, 2003-05 For all of its promise public education in the twentieth century never lived up to its democratic potential This book takes a serious look at the slow erosion of the fuller democratic meaning of a public education and a public life

Diane Keaton Deborah C. Mitchell, 2001-08-09 In the past 30 years Diane Keaton has been an actress a director and a photographer This work begins with her early years in California but the primary focus is on her film career from the 1970s through the present The author examines Keaton s image as star and public figure drawing on information from interviews including personal conversations with Keaton feature pieces press releases books photographs posters films and reviews of films Each chapter provides an overview of the significant events and influences in Keaton s life during a particular period along with a thematic and stylistic analysis of that period s feature films television movies and photography The film analyses include an examination of themes and technical elements such as cinematography mise en scene movement editing sound acting costumes set and narrative structures
