# Magills Cinema Annual 2002

**Marek Haltof**

## **Magills Cinema Annual 2002:**

Magill's Cinema Annual, 2002 Christine Tomassini, Carol A Schwartz, 2002-06-21 *Magill's Cinema Annual* Christine Tomassini, 2003-05-16 Magill's Cinema Annual provides comprehensive information on the theatrical releases of each year. Featured are extensive essays, cast and character listings, production credits, running time, country of origin, MPAA rating, nine comprehensive indexes, and more. **Scarlett Johansson** Kim R. Holston, Warren Hope, 2021-07-05 Despite her prominence as an actress, fashionista, social activist, and the sexiest woman in the world, Scarlett Johansson has kept her life private. Her work ethic has been strong since her film debut in *North* 1994 at age 10. Then in 2003 *Lost in Translation* brought kudos and launched her adult career. While she never abandoned the independents, Johansson became a leading lady in very big films, including eight outings as former Russian assassin Black Widow, thwarting alien incursions in *The Avengers* and other films in the Marvel Universe. This book surveys Johansson's life and films from childhood to her 2019 Academy Award nominations for *Jojo Rabbit* and *Marriage Story*. Each film entry includes a plot synopsis, extracts from contemporary reviews, behind-the-scenes information, and the author's analysis of the film. Looked at in depth are the three Woody Allen collaborations, her role as Black Widow, and the films in which she becomes the other. **American Film Musical Themes and Forms** Michael Dunne, 2014-12-24 The musical has been called the most popular form of entertainment in the world. This work examines the subject's themes and contemporary relevance of Hollywood musicals through their long popularity, placing each show in historical and political context and analyzing it in detail. A chapter is devoted to how *Gold Diggers of 1933* 1933 and *Stand Up and Cheer* 1934 deal with the economic crises of the Depression. Another addresses race issues by examining the prevalence of blackface minstrelsy in the 1930s and 1940s, looking at productions like *Swing Time* 1936 and *Dixie* 1943. Rock and roll culture, which started in the 1950s and threatened America with teenage sex and rebellion, is addressed through such hits as *Girl Crazy* 1943, *Bye Bye Birdie* 1963, and *Grease* 1978. The work also explores dance as a signifier of character, the geography of musicals such as New York or the South, fantasy settings, Fred Astaire and Gene Kelly, and the musical biopic, mentioning biographies of such figures as Ziegfeld, Cohan, Rogers, and Hart, Cole Porter, and Jerome Kern. A later chapter discusses intertextuality in such shows as *Singin' in the Rain* 1952, which refers to many earlier musicals, *Kiss Me Kate* 1953, which refers to *Taming of the Shrew*, and *All That Jazz* 1970, which refers to the life and work of Bob Fosse. The work concludes with an examination of the continuing popularity of the musical with such hits as *Moulin Rouge* 2001 and *Chicago* 2002. Instructors considering this book for use in a course may request an examination copy here [Millennial Masculinity](#) Timothy Shary, 2012-12-17 Film and television scholars as well as readers interested in gender and sexuality in film will appreciate this timely collection. [The Unseen Force](#) John Kenneth Muir, 2004-05 Applause Books Following his highly successful *An Askew View: The Films of Kevin Smith*, Applause John Kenneth Muir now turns to the life and work of legendary cult film director Sam Raimi. Raimi exploded on the movie scene in 1982 when he was 23 years old with the audacious

independently produced horror film *The Evil Dead* re-igniting the horror genre to such a degree that Wes Craven credited Raimi on screen in *A Nightmare on Elm Street*. Raimi went on to direct two *Evil Dead* sequels, his own comic book superhero *Darkman*, and an over-the-top post-modern western *The Quick and the Dead*. Raimi's influence on other filmmakers continues to be enormous, from the shaky cam shots of the Coen brothers to the early oeuvre of *Lord of the Rings* director Peter Jackson, both of whom have been termed the direct progeny of Raimi's works. In 2002, Raimi's *Spider-Man* had the biggest opening weekend in history, earning more than 114 million at the box office. *The Unseen Force* also features a sneak peek at the much anticipated *Spider-Man 2*. Included are 30 first-person accounts and interviews from a number of eclectic sources: from the cinematographers who shot Raimi's early films to the producers, screenwriters, actors, special effects magicians, and composers who collaborated to make his films the stuff of legend, earn mainstream success, and still be the focus of obsessive cult followings.

**American Reference Books Annual** Bohdan S. Wynar, 2003. 1970 issued in 2 vols. v. 1 General reference; social sciences; history; economics; business. v. 2 Fine arts; humanities; science and engineering. **Index to American Reference Books Annual**, 2000. *American Reference Books Annual, 2002* Bohdan S. Wynar, Libraries Unlimited, 2002-05.

This source of information on contemporary American reference works is intended for the library and information community. It has nearly 1600 descriptive and evaluative entries and reviews material from more than 300 publishers in nearly 500 subject areas. It should help the user keep abreast of reference publications in all fields, answer everyday questions, and build up reference collections.

**The Cinema of Francesco Rosi** Gaetana Marrone, 2020-10-16. Francesco Rosi is one of the great realist artists of post-war Italian cinema. In this book, author Gaetana Marrone explores the rich visual language in which the Neapolitan filmmaker expresses the cultural icons that constitute his style and images. Over the years, Rosi has offered us films that trace an intricate path between the real and the fictive, the factual and the imagined. His films show an extraordinarily consistent formal balance while representing historical events as social emblems that examine, shape, and reflect the national self. They rely on a labyrinthine narrative structure in which the sense of an enigma replaces the unidirectional path leading ineluctably to a designated end and solution. Rosi's logical investigations are conducted by an omniscient eye and translated into a cinematic approach that embraces the details of material reality with the panoramic perspective of a dispassionate observer. This book offers intertextual analyses within such fields as history, politics, literature, and photography, along with production information gleaned from Rosi's personal archives and interviews. It examines Rosi's creative use of film as document and as spectacle. It is also a study of the specific cinematic techniques that characterize Rosi's work and that visually compositionally express his vision of history and the elusive truth of past and present social and political realities.

**Cinema Arthuriana** Kevin J. Harty, 2015-05-07. The legends of King Arthur have not only endured for centuries but also flourished in constant retellings and new stories built around the central themes. With the coming of motion pictures, Arthur was destined to hit the screen. This edition of *Cinema Arthuriana* revised

in 2002 presents 20 essays on the topic of the recurring presence of the legend in film and television from 1904 to 2001 They cover such films as Excalibur 1981 and Monty Python and the Holy Grail 1975 television productions such as The Mists of Avalon 2001 and French and German films about the quest for the Holy Grail and the other adventures of King Arthur and the Knights of the Round Table

**Best in Show** John Kenneth Muir, 2004-11 Applause Books Best in Show is the first in depth look at the method behind film director and actor Christopher Guest's madness and genius John Kenneth Muir focuses his attention on the acclaimed Guest directed trilogy of what some call mockumentaries Waiting for Guffman Best in Show and A Mighty Wind In these films Guest has escorted rapt audiences into the purportedly real worlds of a small town theatrical company dog show competition and folk music festival Muir also details the events that lead to Rob Reiner's influential and legendary This Is Spinal Tap which Rolling Stone called the best rock and roll movie of all time and in which Guest played the part of guitarist Nigel Tufnel Much of Best in Show exemplifies the unique process by which Guest directs films He employs a common repertory company improvises scenes often without any rehearsal and does not use any screenplay with dialogue instead following a detailed outline often co authored with his ace actor writer Eugene Levy Company members that have been interviewed for this book include Fred Willard Harry Shearer Bob Balaban and Michael Hitchcock Guest's influences Saturday Night Live National Lampoon as well as his more conventional comedies such as The Big Picture and Almost Heroes are studied Best in Show is general enough to bring new fans to the table yet detailed enough to satisfy the most in the know Guest fan and film student A complete filmography with Guest's directing acting and writing credits is included as is the appendix You Know You're in a Christopher Guest Film When Guest once commented I am drawn to people who have dreams that are slightly out of reach Now thanks to John Kenneth Muir the fascinating world of Christopher Guest and company is substantially more within reach

**Veiled Desires** Maureen Sabine, 2013-08-22 Ingrid Bergman's engaging screen performance as Sister Mary Benedict in The Bells of St Mary's made the film nun a star and her character a shining standard of comparison She represented the religious life as the happy and rewarding choice of a modern woman who had a complete understanding of both erotic and spiritual desire How did this vibrant and mature nun figure come to be viewed as girlish and naive Why have she and her cinematic sisters in postwar popular film so often been stereotyped or selectively analyzed so seldom been seen as women and religious In Veiled Desires a unique full length in depth look at nuns in film Maureen Sabine explores these questions in a groundbreaking interdisciplinary study covering more than sixty years of cinema She looks at an impressive breadth of films in which the nun features as an ardent lead character including The Bells of St Mary's 1945 Black Narcissus 1947 Heaven Knows Mr Allison 1957 Sea Wife 1957 The Nun's Story 1959 The Sound of Music 1965 Change of Habit 1969 In This House of Brede 1975 Agnes of God 1985 Dead Man Walking 1995 and Doubt 2008 Veiled Desires considers how the beautiful and charismatic stars who play chaste nuns from Ingrid Bergman and Audrey Hepburn to Susan Sarandon and Meryl Streep call attention to desires that the veil concealed

and the habit was thought to stifle In a theologically and psychoanalytically informed argument Sabine responds to the critics who have pigeonholed the film nun as the obedient daughter and religious handmaiden of a patriarchal church and the respectful audience who revered her as an icon of spiritual perfection Sabine provides a framework for a more complex and holistic picture of nuns onscreen by showing how the films dramatize these women's Christian call to serve sacrifice and dedicate themselves to God and their erotic desire for intimacy agency achievement and fulfillment Reading Race

Norman K Denzin, 2002-03-29 In this insightful book one of America's leading commentators on culture and society turns his gaze upon cinematic race relations examining the relationship between film race and culture Acute richly illustrated and timely the book deepens our understanding of the politics of race and the symbolic complexity of segregation and discrimination Frames of Evil Caroline Joan Picart, David A. Frank, 2006 In Frames of Evil The Holocaust as Horror in American Film Picart and Frank challenge this classic horror frame the narrative and visual borders used to demarcate monsters and the monstrous After examining the way in which directors and producers of the most influential American Holocaust movies default to this Gothic frame they propose that multiple frames are needed to account for evil and genocide
