Hitchcock and Humor Wes D. Gehring, 2019-04-23 Woody Allen's *Manhattan* Murder Mystery has been described as a kind of *Rear Window* for retirees. As this quote suggests, an analysis of Alfred Hitchcock's methodical use of comedy in his films is past due. One of *Turner Classic Movies* on-screen scholars for their summer 2017 online Hitchcock class, the author grew tired of misleading throwaway references to the director's comic relief. This book examines what should be obvious: Hitchcock systematically incorporated assorted types of comedy: black humor, parody, farce, screwball comedy, and romantic comedy in his films to entertain his audience with comic thrillers *The Films of Jean Seberg* Michael Coates-Smith, Garry McGee, 2014-01-10 Here is the first comprehensive examination of the international film career of Iowa-born actress Jean Seberg.

1938-1979. Bursting onto the scene as star of Otto Preminger's controversial *Saint Joan* 1957, the 19-year-old Seberg encountered great difficulty recovering from the devastating criticism of her performance. The turnaround came in 1959 with her brilliant work in Jean-Luc Godard's new-wave classic *A bout de souffle* (*Breathless*). Though her Hollywood prospects were harmed by subsequent political involvements, Seberg continued to work with some of Europe's finest directors. Her later films offer a fascinating view of the movie industry in the 1960s and 1970s and of a courageous actress always ready for a new challenge. A biographical sketch provides a framework for detailed scrutiny of her 37 films. Background information and a

critical evaluation is provided for each title Transnational and Interdisciplinary Approaches to Western American Culture Ángel Chaparro Sainz, 2025-05-30 The book offers a diverse and rich picture of current research on the literature and culture of the American West The book privileges transnational and interdisciplinary approaches aiming to understand how Western iconography has moved well beyond both national limits and literary borders becoming nomadic A selection of internationally renowned experts on Western American studies will consider the literary and artistic representation of the complex interaction between the mythic dimension of the West and its real historical social and cultural features both inside American culture and as it converses with other cultures The book also addresses other cultural and artistic manifestations that interact overlap and interrelate with Western writing in complex often dialogic ways as exemplified by cinema art and comics and it also explores how different voices and or experiences have complicated and diversified the potential definitions of the American West *F. Scott Fitzgerald in Context* Bryant Mangum, 2013-03-18 The fiction of F Scott Fitzgerald serves as a compelling and incisive chronicle of the Jazz Age and Depression Era This collection explores the degree to which Fitzgerald was in tune with and keenly observant of the social historical and cultural contexts of the 1920s and 1930s Original essays from forty international scholars survey a wide range of critical and biographical scholarship published on Fitzgerald examining how it has evolved in relation to critical and cultural trends The essays also reveal the micro contexts that have particular relevance for Fitzgerald s work from the literary traditions of naturalism realism and high modernism to the emergence of youth culture and prohibition early twentieth century fashion architecture and design and Hollywood underscoring the full extent to which Fitzgerald internalized the world around him **Girls, Boys, Books, Toys** Beverly Lyon Clark, Margaret R. Higonnet, 2000-10-24 No previous collection of criticism has focused on gender in the broad range of children s literature No previous collection has embraced both children s literature and material culture Beverly Lyon Clark and Margaret R Higonnet bring together twenty two scholars to look closely at the complexities of children s culture *Girls Boys Books Toys* asks questions about how the gender symbolism of children s culture is constructed and resisted What happens when women rewrite or illustrate nursery rhymes adventure stories and fairy tales told by men How do the socially scripted plots for boys and girls change through time and across cultures Have critics been blind to what women write about masculine topics Can animal tales or doll stories displace tired commonplaces about gender race and class Can different critical approaches new historicism narratology or postcolonialism enable us to gain leverage on the different implications of gender age race and class in our readings of children s books and children s culture **Laurel and Hardy** Wes D. Gehring, 1990-06-27 This book presents a combined biographical critical and bibliographical estimate of Laurel and Hardy s significance in film comedy the arts in general and as popular culture icons The book features biographical information on the public and private lives of Laurel and Hardy a critique of four broad influences of Laurel and Hardy and a bibliographical essay assessing key reference materials and locating research collections open to the student and or scholar

The Films of Carlos Saura Marvin D'Lugo, 2021-01-12 Spanish filmmaker Carlos Saura who began his career under the censorship of Franco's regime has forged an international reputation for his unique cinematic treatment of emotional and spiritual responses to repressive political conditions. In films such as *Carmen* and *El Dorado* where reality and fantasy are deliberately fused together, Saura reveals the illusions of Franco's mythologized Spain: a chaste Catholic and heroic Spain of the Golden Age that tend to isolate Spaniards from the rest of Europe from each other and from their own individuality. In this first English language book on Saura, Marvin D'Lugo looks at the social and artistic forces behind this film auteur's highly personal cinema. Tracing Saura's career over three decades, D'Lugo discusses each work from *Hooligans* (1959) a realist film about a Madrid street gang member trying to become a bullfighter to *The Dark Night* (1989) a film dealing with the persecution of the religious reformer St. John of the Cross in the late sixteenth century. Throughout, he argues that Saura's cinematic style results from a highly original response to the political and historical constraints of Spanish culture. D'Lugo shows how, in order to explore the complex cultural politics of Spanishness as it was institutionalized under Franco, Saura frames his narrations through the eyes of characters who question the forces that shape personal and collective identity. Moving beyond the limits of traditional auteur studies, this book addresses the relationship between the filmmaker and the cultural ideology that historically has thwarted and manipulated the expressions of individuality in Spanish society.
