Magnolia Street:

Street Trees of Seattle Taha Ebrahimi, 2024-04-16 The majestic trees of Seattle's neighborhoods take center stage in this illustrated and informative walking guide. Want to discover which neighborhood has the highest concentration of cherry street trees when cherry blossoms are at their peak? Eager to stroll down the only street lined with western red cedars? Curious how monkey puzzle trees made their way to the city? Using data visualization as a starting point, the author takes readers on a tour of existing street trees throughout Seattle's neighborhoods and iconic parks through charming illustrations and maps. In the process, she educates readers on the history of the trees and the city and offers up sketches of trees, leaves, and leaflets to identify trees throughout 33 different neighborhoods. The most notable of each species are highlighted so urban adventurers can fully appreciate their surroundings or design their own walking routes to experience these natural wonders in their favorite areas of the city. The book is organized alphabetically by neighborhood, and each area showcases a species of tree. Includes a history of the tree and neighborhood. Offers maps and callouts for spotting the best street specimens. In an increasingly digital world, the book invites readers to slow down and embrace an analog approach to tree spotting during their urban meanderings.

Spartanburg, South Carolina Jeffrey R. Willis, 1999 Postcards are an important element of understanding our past for they provide future generations a rare glimpse into a world that many times has disappeared under the aegis of expansion and progress. This book, containing over 200 vintage postcards, allows readers to see one of the South's most historic cities as it looked in the earlier part of the twentieth century, a time when the city was experiencing unparalleled growth. Spartanburg, South Carolina, contains scenes of early textile mills, postcards from the early military training camp at Camp Wadsworth, and images of the rapid development of downtown, showcasing Morgan Square, Midtown, Magnolia Street, and Church Street.
