Robinson,Yonathan Shemesh,2019-08-15 Moses Maimonides s Guide of the Perplexed is the greatest philosophical text in the history of Jewish thought and a major work of the Middle Ages For almost all of its history however the Guide has been read and commented upon in translation in Hebrew Latin Spanish French English and other modern languages rather than in its original Judeo Arabic This volume is the first to tell the story of the translations and translators of Maimonides Guide and its impact in translation on philosophy from the Middle Ages to the present day A collection of essays by scholars from a range of disciplines the book unfolds in two parts The first traces the history of the translations of the Guide from medieval to modern renditions The second surveys its influence in translation on Latin scholastic early modern and contemporary Anglo American philosophy as well as its impact in translation on current scholarship Interdisciplinary in approach this book will be essential reading for philosophers historians and religious studies scholars alike Maimonides's Yahweh Amy Karen Downey,2019-03-20 The life of Moshe ben Maimon Maimonides remains a mystery to many within evangelical Christianity However he is lauded as a second Moses by many within modern Judaism Does he deserve that title Maimonides s via negativa created a rationale for rejecting the messiahship claims of Jesus in Rabbinic Judaism Therefore this book seeks to illustrate that Maimonides in his desire to create an anti Christian apologetic regarding the incarnation fashioned a Judaism that does not reflect the truths of the Tanakh Old Testament and developed a Judaism that was untenable for the Jewish people of the twenty first century Many Jewish people today are turning in a thousand and one different directions for spiritual answers but not in the only way that will offer the way to God Jesus of Nazareth John 14 6 This work examines the history of Maimonides his teachings and an apologetic approach to bring the gospel back to the Jewish people Rom 1 16 *Thinking Through Revelation* Robert J. Dobie,2019-01-09 Navigating the seemingly competing claims of human reason and divine revelation to truth is without a doubt one of the central problems of medieval philosophy Medieval thinkers argued a whole gamut of positions on the proper relation of religious faith to human reason Thinking Through Revelation attempts to ask deeper questions what possibilities for philosophical thought did divine revelation open up for medieval thinkers How did the contents of the sacred scriptures of Judaism Christianity and Islam put into question established philosophical assumptions But most fundamentally how did not merely the content of the sacred books but the very mode in which revelation itself is understood to come to us as a book sent down from on high as a

covenant between God and his people or as incarnate person create or foreclose possibilities for the resolution of the philosophical problems that the Abrahamic revelations themselves raised
