Shaw, Nancy Staton Barbour, Patti Duncan Ph.D., Kryn Freehling-Burton Ph.D., Jane Nichols, 2018-01-04 Providing an in depth look at the lives of women and girls in approximately 150 countries this multivolume reference set offers readers transnational and postcolonial analysis of the many issues that are critical to the success of women and girls For millennia women around the world have shouldered the responsibility of caring for their families But in recent decades women have emerged as a major part of the global workforce balancing careers and family life How did this change happen And how are societies in developing countries responding and adapting to women's newer roles in society This four volume encyclopedia examines the lives of women around the world with coverage that includes the education of girls and teens the key roles women play in their families careers religions and cultures how issues for women intersect with colonialism transnationalism feminism and established norms of power and control Organized geographically each volume presents detailed entries about the lives of women in particular countries Additionally each volume offers sidebars that spotlight topics related to women and girls in specific regions or focus on individual women's lives and contributions Primary source documents include sections of countries constitutions that are relevant to women and girls United Nations resolutions and national resolutions regarding women and girls and religious statements and proclamations about women and girls The organization of the set enables

readers to take an in depth look at individual countries as well as to make comparisons across countries

The Peacemakers Bruce W. Jentleson, 2018-04-24 In the twentieth century great leaders played vital roles in making the world a fairer and more peaceful place How did they do it What lessons can be drawn for the twenty first century global agenda Those questions are at the heart of *The Peacemakers* a kind of global edition of John F Kennedy's *Profiles in Courage* Writing at a time when peace seems elusive and conflict endemic when tensions are running high among the major powers when history has come roaring back when democracy and human rights are yet again under siege when climate change is moving from future to present tense and when transformational statesmanship is so needed Bruce W Jentleson shows how twentieth century leaders of a variety of types national international institutional sociopolitical nongovernmental rewrote the zero sum scripts they were handed and successfully made breakthroughs on issues long thought intractable The stories are fascinating Henry Kissinger Zhou Enlai and the U S China opening Mikhail Gorbachev and the end of the Cold War Dag Hammarskjöld's exceptional effectiveness as United Nations secretary general Nelson Mandela and South African reconciliation Yitzhak Rabin seeking Arab Israeli peace Mahatma Gandhi as exemplar of anticolonialism and an apostle of nonviolence Lech Walesa and ending Soviet bloc communism Gro Harlem Brundtland and fostering global sustainability and a number of others While also taking into account other actors and factors Jentleson tells us who each leader was as an individual why they made the choices they did how they pursued their goals and what they were and weren't able to achieve And not just fascinating but also instructive Jentleson draws out lessons across the twenty first century global agenda making clear how difficult peacemaking is while powerfully demonstrating that it has been possible and urgently stressing how necessary it is today An ambitious book for ambitious people *The Peacemakers* seeks to contribute to motivating and shaping the breakthroughs on which our future so greatly depends

Champions for Peace Judith Hicks Stiehm, 2018-11-02 Only seventeen women have won the Nobel Prize for Peace since it was first awarded in 1901 Hailing from all over the world some of these women have held graduate degrees while others barely had access to education Some began their work young some late in life In this compelling book Judith Stiehm narrates these women's varied lives in fascinating detail The third edition includes the story of Pakistani activist Malala

Yousafzai the youngest laureate who won as a teenager in 2014 Her campaign for girls education continued in spite of a vicious attack by the Taliban Engaged and inspirational all these women clearly demonstrate that there is something each of us can do to advance a just positive peace Whether they began by insisting on garbage collection or simply by planting a tree each understood that peace must be global in order to be sustained All learned that peace is not always popular but believed they must persevere They shared a common vision and commitment undiminished by obstacles and opposition As Judith Stiehm convincingly shows all are truly champions for peace *na* , The Long Peace Process Andrew Sanders,2019 This book examines the role of the United States of America in the Northern Ireland conflict and peace process Featuring interviews with former government figures from the US UK and Ireland it analyses the complicated diplomatic relationship between the three countries during the years of violence **The 8 Laws of Change** Stephan A. Schwartz,2015-10-05 Scientifically based strategies for enacting successful and enduring change on personal societal and global levels no matter what your background 2016 Nautilus Silver Award Shares the stories of people who have changed history such as Martin Luther King Jr Ben Franklin and Gandhi detailing how they used the 8 laws of change Based on more than 16 years of scientific and historical research as well as the author s own experiences during the Civil Rights movement Explores research in the fields of medicine neuroscience biology and quantum physics to reveal the science of how the 8 laws of change work Inspired by his own powerful experiences during the Civil Rights movement in the 1960s and other social movements in the 70s 80s and 90s Stephan Schwartz spent 16 years researching successful social transformations uncovering the science and the patterns behind them all He found that there are three ways to create social change The first is the advancement of technology and science The second change compelled by physical power is almost always coercive and violent and for those reasons not long lasting The third avenue of change he discovered the most successful and enduring is one brought about by something so subtle it is often not taken seriously small individual choices based on integrity and shared intention Revealing how the dynamics of change are learnable Schwartz explains the 8 laws of individual and social behavior that can enable any person or small group even ordinary people without great wealth official position or physical power to bend the arc of history and create successful lasting transformation He shares the stories of individuals who have actually changed history such as Martin Luther King Jr Benjamin Franklin Mother Teresa and Mahatma Gandhi detailing how they implemented the strategies and tactics of the 8 laws to achieve their success The author explores research in the fields of medicine neuroscience biology and quantum physics to reveal the science of how these laws of change work He explains why compassionate and life affirming changes have the most enduring impact and shows how each of the 8 laws cultivates a sense of beingness in the individual empowering your integrity and connecting you to something greater than yourself the key to lasting change on the personal societal and global levels **Protest, Power, and Change** Roger S. Powers,William B. Voegelé,Douglas Bond,Christopher Kruegler,1997-01-01 Covers tactics leaders and famous actions From Solidarity s

us to reimagine conflict resolution showing that even in the face of severe violence there are always seeds of hope waiting to be nurtured As conflicts like the war in Ukraine continue to claim lives and destabilize regions the lessons in this book become ever more urgent It reminds us that peace is not just the absence of war but the presence of justice dignity and shared prosperity By harnessing the power of grassroots mediation we can create ripples of peace that grow into waves of positive change This book is a call to action for anyone who believes in the possibility of a more peaceful world It shows that each of us regardless of our position or background has the power to be a mediator a bridge builder a source of healing in our communities In the words of Kenya's Wangari Maathai It's the little things citizens do That's what will make the difference This book equips you with the knowledge and inspiration to make that difference one conversation one community at a time Join the global movement of grassroots peacebuilders Discover how you can save lives bring peace foster economic growth and build a healthier happier homeland The journey to a more peaceful world begins with you and it begins now To ensure broad accessibility this book is priced affordably It is my sincere hope that by making this resource widely available it can have a meaningful positive impact If my book *Grassroots Mediation How to Save Lives and Bring Peace Happiness Economic Growth in Your Homeland* can save even one life or bring a measure of happiness to a single individual I will feel a deep sense of fulfillment and happiness myself I will be grateful to be able to make a difference through this work David Hoicka

After Gandhi Anne Sibley O'Brien, Perry Edmond O'Brien, 2018-11-20 In 1908 Mohandas Gandhi spoke to a crowd of 3 000 Together they protested against an unjust law without guns or rioting Peacefully they made a difference Gandhi's words and deeds influenced countless others to work toward the goals of freedom and justice through peaceful methods Mother and son team Anne Sibley O'Brien and Perry Edmond O'Brien highlight some of the people and events that Gandhi's actions inspired From Rosa Parks to the students at Tiananmen Square to Wangari Maathai these people have made the world sit up and take notice The provocative graphics and beautiful portraits accompanying these stories stir the emotions and inspire a sense of civic responsibility

Peace Tore Fr̄ngsmyr, Irwin Abrams, 1997 The last decade of the twentieth century is already proving to be as dramatic as any decade before The chances of global peace seem stronger now than at any time since 1900 and the people and organizations that have contributed most towards this progress are recognized by the Norwegian Nobel Committee The Nobel Peace Prizewinners during the period 1971-1980 include men women and organizations whose principles dedication and diligence continue to shape history These volumes are collections of the Nobel lectures delivered by the Prizewinners together with their biographies portraits and presentation speeches by representatives of the Norwegian Nobel Committee for the period 1971-1980 Each Nobel lecture is based on the work that won the laureate his prize New biographical data of the laureates since they were awarded the Nobel prize are also included These volumes of inspiring lectures by outstanding individuals should be on everyone's bookshelf Below is a list of the prizewinners during the period 1971-1980 W Brandt H A Kissinger Le Duc Tho declined S MacBride E Sato A Sakharov B

Williams M Corrigan Amnesty International A El Sadat M Begin Mother Teresa A P rez Esquivel *Writing Resistance in Northern Ireland* Aimée Walsh, 2024-04-02 Writing Resistance in Northern Ireland is an examination of feminist republicanism s in the north of Ireland between 1975 and 1986 Republican prison protest was rife during this period and fractures opened up between the feminist and republican movements Despite their shared objective of self determination the two movements did not achieve a natural or total congruence While it has been argued that there is a disjuncture between feminism and nationalism this book argues for a new perspective on feminist republicanism s in the north and tells the story of a niche collective of republican feminists who came to the fore during the Troubles and sought bodily political and economic autonomy The book examines source material including historical narratives jail writings journalism documentary film and literary texts and paints a vivid picture of a movement of republican feminist women s writing concerned with political crisis gender and the nation Aim e Walsh uses the plural republicanism s as a way of encapsulating the varied iterations of nationalist feminism from militant republicanism in Armagh Gaol to a non violent literary nationalist feminism This examination of the interaction between nationalism and gender shows how the study of women s writing can offer a paradigm shift in the history of the Troubles as seen through a feminist lens
