Zaloga,2022-05-12 Written by one of the world s leading experts on D Day Smashing Hitler s Guns is a ground breaking new history of the legendary Rangers attack on Pointe du Hoc The Ranger attack on the German gun batteries at Pointe du Hoc in the early morning hours of D Day is the stuff of legend The gun batteries were strategically positioned between the two American D Day landing beaches and were considered the main threat to the Operation Neptune landings In spite of the confusion and chaos of the June 6 1944 mission the Rangers succeeded in scaling the 100 foot cliffs but the guns were nowhere to be found Spreading out in all directions a Ranger team managed to find and spike the guns at their hidden location south of Pointe du Hoc For two days this small force fought off repeated German attacks until an American relief force finally arrived on 8 June by which time more than half the Rangers were casualties The heroic Ranger mission at Pointe du Hoc has indeed become a sacred legend and as a result there are many unexplored controversies This new book on this famous raid takes a fresh and comprehensive look at the attack on Pointe du Hoc examining the creation of the German gun battery the initial Allied intelligence assessments of the threat and the early plans to assault the site The forgotten Allied bombing attacks on Pointe du Hoc are detailed as well as the subsequent Allied intelligence investigations of the results While most accounts of Pointe du Hoc are based on the published US Army history the author has tracked down the long forgotten original unedited report in the archives that contains a number of curious changes from the better known and widely accepted version Little known interviews of the Rangers who took part in the mission also shed fresh light and a significant number of German records provide the enemy perspective of the battle for control of the guns **Maisy Goes on Vacation** Lucy Cousins,2012-04-10 Maisy s packing her bags and setting off on a fun vacation in a story that s perfect for young children making a trip away from home How exciting Maisy has put her sun hat pajamas toothbrush and camera into a bag and she s off to the train station with Panda and Cyril They re headed for the seashore but getting there is only half the fun Coloring and snacks help pass the time on the ride to the beach where Maisy can t wait to swim collect seashells build sand castles and lots more At nighttime it feels special to go to bed in a hotel knowing that tomorrow another vacation day awaits **Driftwood Summer** Patti Callahan Henry,2009-06-02 New York Times bestselling author Patti Callahan Henry continues to spellbind readers in this rich and engaging novel of three sisters their loves their rivalries and the events of one summer that change their lives In the small seaside town of Palmetto Beach the Sheffield sisters responsible Riley vivacious
