Nueva York:

New York City Eric Homberger, 2002 New York City epitomizes modernity Its skyscrapers and neon nightlife together with its inner city ghettos symbolize all the excitements and tribulations of contemporary urban living The city is world famous a magnet for friends and enemies alike a fact reinforced by the tragic events of September 2001 But the city's powerful contemporary presence is also built upon a dramatic history Settled by Dutch traders seized at gunpoint by an English fleet its development into a mega city reveals a story as astounding as any in American history Home to generations of migrants an international center of finance and fashion New York is a world city both entrepreneurial and self promoting

New York State Route 20N , *New York's War of 1812* Richard V. Barbuto,2021-01-28 Popular memory of the War of 1812 caroms from the beleaguered Fort McHenry to the burning White House to an embattled New Orleans But the critical action was elsewhere as Richard V Barbuto tells us in this clarifying work that puts the state of New York squarely at the center of America s first foreign war British demands to move the northern border as far south as the Ohio River put New York on the first line of defense But it was the leadership of Governor Daniel D Tompkins that distinguished the state s contribution to the war effort effectively mobilizing the considerable human and material resources that proved crucial to maintaining the nation s sovereignty New York s War of 1812 shows how despite a widespread antiwar movement and fierce partisan politics Tompkins managed to corral and maintain support until 1814 when Britain agreed to peace Retrieving New York s War of 1812 from the fog of military history Barbuto describes the disproportionate cost paid by the state in loss of life and livelihood The author draws on in depth research of the state s legislative financial and militia records as well as on the governor s extensive correspondence to plot the conduct of the war regionally and chronologically and to tell the stories of numerous raids skirmishes and battles that touched civilians in their homes and communities Whether offering a clearer picture of the performance of the state militia providing a more accurate account of the conflict s impact on the state s diverse population or newly detailing New York s decisive contribution this deeply researched closely observed work revises our view of the nation s perhaps least understood war New York's Industrial Growth Henrietta M.
