Arctic Predator Kathleen Lippa, 2025-02-04 The shocking crimes of a trusted teacher wrought lasting damage on Inuit communities in Canada's Arctic In the 1970s a young schoolteacher from British Columbia was becoming the darling of the Northwest Territories education department with his dynamic teaching style He was learning to speak the local language Inuktitut something few outsiders did He also claimed to be Indigenous a claim that would later prove to be false In truth Edward Horne was a pedophile who sexually abused his male students From 1971 to 1985 his predations on Inuit boys would disrupt life in the communities where he worked towns of close knit families that would suffer the intergenerational trauma created by his abuse Journalist Kathleen Lippa after years of research examines the devastating impact the crimes had on individuals families and entire communities Her compelling work lifts the veil of silence surrounding the Horne story once and for all

Through Feminist Eyes Joan Sangster, 2011 Through Feminist Eyes gathers in one volume the most incisive and insightful essays written to date by the distinguished Canadian historian Joan Sangster To the original essays Sangster has added extensive introductory discussions that situate her earlier work in the context of developing theory and debate Sangster has also supplied an introduction to the collection in which she reflects on the themes and theoretical orientations that have shaped the writing of women's history over the past thirty years Approaching her subject matter from an array of interpretive frameworks that engage questions of gender class colonialism politics and labour Sangster explores the lived experience of women in a variety of specific historical settings In so doing she sheds new light on issues that have sparked much debate among feminist historians and offers a thoughtful overview of the evolution of women's history in Canada

The

Publishers Weekly ,1972 **Canadiana** ,1976 The Iconic North Joan Sangster,2016-05-21 Recent archaeological discoveries in the polar region have reanimated stock images of the intrepid explorer who braves the elements to bring modernity to a frigid northern wasteland The Iconic North reveals that ideological assumptions economic priorities and a shift in government strategy in the postwar era all influenced how northern culture was represented in popular Canadian imagery Whether it was film television or women s autobiographies the primitive North was often portrayed as the mirror opposite to the modern South In crisp and elegant prose Joan Sangster redirects current debates about the geopolitical prospects of the North by addressing how women and gender relations have played a key role in the history of northern development Drawing on archival and cultural sources Sangster shows how gender race and colonialism shape our understanding of northern peoples economies and government policy This work reveals how assumptions about both Indigenous and non Indigenous women shaped gender class and political relationships in the circumpolar north a region now commanding more of the world s attention **Reticulate Evolution and Humans** Michael L. Arnold,2009 This book describes the important role that the transfer of genes between organisms has played during the origin and evolution of humans and the evolution of organisms on which the human species depends for shelter sustenance and companionship
