Reading is one of the first activities you can enjoy with your child, and *Reading with Babies, Toddlers and Twos* gets you started. Instill a love for reading early by answering questions such as: Which books will a newborn baby enjoy? What do you buy after you've read *Goodnight Moon*? A parenting resource to help with early learning and literacy. Straub, Dell'Antonia, and Payne use their decades of experience as parents, book reviewers, and children's librarians to bring you the very best in children's books so you'll never run out of ideas for reading with your baby.
