Online Nursing Education: A Collaborative Approach Melissa Robinson, Henny Breen, 2020-11-09. The increase of online nursing education programs has furthered the need for nursing faculty to have specific preparation for online teaching. Drawing from the authors' extensive experience teaching online nursing education programs, *Online Nursing Education: A Collaborative Approach* is unlike any other text. It was written and designed for faculty teaching online post-licensure students in a nursing education degree program, post-master's certificate program, advanced practice program, or other advanced education-related degree program. This unique text takes a theoretical approach and includes practical examples as well as sample curriculum, course design, and policies. Topics covered include strategies for teaching online, learning through writing in an online classroom, experiential learning in online programs, generational differences in online learning, and more practical discussions backed by evaluation studies and qualitative research.
