**Nurturing Children's Spirituality** Holly Allen, 2008-03-01 Children s spiritual development is currently a hot topic in Christian circles as well as in other fields and disciplines such as educational psychology medicine developmental psychology education and sociology The key question for Christian scholars and educators is How do Christian beliefs and practices uniquely interrelate with children s spirituality In 2003 and again in 2006 a national conference entitled Children s Spirituality Conference Christian Perspectives examined children s spirituality from a distinctly Christian standpoint This book is a collection of the best materials from the 2006 conference The first half of the book addresses definitional historical and theological concerns related to spiritual development in children The second half explores best practices for fostering spiritual growth among our children in our homes families churches Christian schools and among special populations of children from a wide spectrum of Christian scholars and practitioners The volume closes with John Westerhoff s moving keynote address and Catherine Stonehouse and Scottie May s eloquent culminating plenary address Nurturing Children s Spirituality provides a rich cross section of the current research and writing by Christian scholars on children s spirituality Contributors Holly Catterton Allen Michael J Anthony Stacy Berg Chris J Boyatzis MaLesia Breeding Marilyn Brownlee Linda V Callahan Jane Carr Mara Lief Crabtree Karen Crozier James Riley Estep Jr Jeffrey E

Feinberg Stephanie Goins Judy Harris Helm Dana Kennamer Hood Sungwon Kim Kevin Lawson Scottie May Marcia McQuitty Heidi Schultz Oschwald Donald Ratcliff Pam Scranton Timothy A Sisemore Catherine Stonehouse La Verne Tolbert T Wyatt Watkins John H Westerhoff III     A Journey Into Being Christine Ramos, 2006-06 UPDATED AND REVISED SECOND EDITION From the author When it comes to getting guidance about the arrival of new life the sources are plenty Healthcare practitioners books magazines websites and well meaning friends and family members can all offer valuable information But what about gaining insight about childbearing from a consciousness and spiritual perspective When I was pregnant with my second child I sought a different type of guidance one that spoke to the true depth of carrying another life inside me As a spiritual person and empath I knew enough to understand that nothing is random I wanted to learn about the soul of my unborn child and why I would be the one honored to be his or her parent I craved to know the process of spirit uniting with physical body When does it happen and can the mother sense it Is it possible to communicate with the consciousness of your baby before birth Can you be so attuned to your child that you can intuit their inner happenings on a vibrational level I had nowhere to turn to for the answers to these deeper questions So I began my quest to put it all together It meant delving deep to make sound premises backed by available research and reliable observation The nurse in me demanded empirical evidence but I also wanted the warmth of personal accounts A Journey Into Being is cumulation of medical scientific spiritual and Eastern wisdom It will take you where science meets spirituality on the transformational passage of the soul as it prepares for life unites with the physical body and undergoes birth It will provide guidance on how to know and nurture a child s inner being Once we view new life through the lens of spirit many questions and mystifying issues surrounding the arrival of new life will become clearer like How do I nurture my child on a more intuitive level Why are some babies more sensitive or reactive than others Why do I feel like I ve known my newborn all my life How can I connect spiritually to my child during pregnancy Was I chosen to be my child s parent What is the true meaning of life reality consciousness How do we reconcile the idea of a just Higher Being when cruel things can happen to innocent children A Journey Into Being is not just for those who are parents or wish to become parents It can help anyone gain greater insight into the eternal nature of consciousness and explore the course of their own journey into physical being or of those they love This book is my tribute to every precious child as each brings the promise of positive change for a more loving universe     **What about the Kids?** Marlene Winell, 1996     Joining Children on the Spiritual Journey Catherine Stonehouse, 1998-03-01 Understanding how a child s faith forms is crucial to knowing how adults can most significantly enhance the child s spiritual development This book provides parents teachers and Christian education leaders with valuable insights into spiritual formation during childhood With a biblical perspective as a starting point and a recognition of the crucial role of both the family and the faith community Stonehouse reviews important contributions from noted child development experts Erik Erikson Jean Piaget Lawrence Kohlberg and James Fowler This overview gives insight into the processes of psychosocial cognitive and moral development

in children and adolescents Stonehouse concludes with solid guidelines for designing children's ministries By carefully setting the stage through liturgy sacred stories and parables Christian educators can help children meet with God Quiet times of godly play carefully adapted to the age level of the child enable adults to join with children on the journey toward deeper intimacy with God

**Spiritual Nurturing** Darlene Carpenter, 1999 This book takes the mystery out of how to feed your child spiritual lessons and values on a daily basis and is a rich resource that you'll use over and over again You'll experience satisfaction and fulfillment as you use these ideas and then begin to see your child growing stronger and stronger spiritually Book jacket

Spiritual Nurturing for Intuitive Children Michelle Henderson, 2022-01-07 If you are a psychic medium or spiritual coach you have certainly come across families that were blessed with intuitive children Wanting to work with these families their children guiding them through the challenges that they need to overcome to embrace and enhance such psychic abilities is no easy task In Spiritual Nurturing for Intuitive Children Michelle Henderson offers guidance to all sorts of healers on how to provide parents the tools and knowledge it requires to fully integrate psychic children to their families With practical exercises the book covers important topics as Why parent training Accepting and welcoming the intuitive child Encouraging the powerful role of parents Navigating the challenges of raising psychic children Fully integrating the family Supporting spiritually evolved children in different life stages and Celebrating spiritual growth What if instead of discouraging children's spiritual growth parents could be educated about the spiritual world Embrace the love forgiveness faith and non judgmental behavioral strategies to nourish the intuitive side of children and their families Our world needs our children to understand what true love and acceptance really is

Children and Spirituality Brendan Hyde, 2008-01-01 This book provides ways in which schoolteachers and parents can nurture and foster these particular characteristics of children's spirituality It also considers two factors material pursuit and trivialising which may inhibit children's expression of their spirituality It will be of great interest to educators policy makers and parents

**Spiritual Parenting** Hugh Prather, Gayle Prather, 1996 Spiritual Parenting is a guide to the naturally intuitive and spiritual core of every child It refutes the current notions of the basic nature of children and teenagers while offering a radically new way to approach parenting In the words of authors counselors and ministers Hugh and Gayle Prather This book reflects our deep personal conviction that parenting is a spiritual path a form of worship In their characteristically warm style the Prathers offer a book of principles that parents can use to understand and protect their children at home at school and in the world While one does not have to believe in God to understand these principles say the Prathers parents must approach child care as a spiritual task They offer ways to keep this essential focus amid the bewildering complexities involved in guiding children toward adulthood With joy and a sense of humor the Prathers offer stories and anecdotes about their own children and the children of families they have counseled to help today's parents break through conflicting ideas and emotions and learn to enjoy their children at all stages of their growth

All Rights Reserved      **Children's Spirituality in Early Childhood Education** Jennifer Mata-McMahon, Patricia Escarfuller, 2023-07-19 This pioneering volume provides a thorough understanding of children's spirituality from a holistic development perspective and explores the ways early childhood educators can nurture spirituality in the secular classroom Making a critical distinction between spirituality and religion this book draws on conceptual and empirical research as well as authentic classroom vignettes to explore how theory translates into practice Inviting readers to examine how their beliefs inform their practices Children's Spirituality in Early Childhood Education offers a purposeful window into supporting children's learning and development with a focus on their souls making it important reading for teachers teacher candidates researchers and teacher educators in the field of early childhood education      Supporting Children and Youth Through Spiritual Education Kirmani, Mubina Hassanali, Chapman, Amy L., Steele, Barbara M., Moallem, Mahnaz, Schroth, Stephen T., 2023-07-17 Across academic circles over the last few decades the interest and inquiry on spirituality continues to broaden Currently the school system in the United States and many Western countries put their focus on academic achievement at the expense of preparing their students' inner cores for skills they will need to deal with a more complex and challenging world to come Supporting Children and Youth Through Spiritual Education provides a platform for researchers and experts in the field of spirituality in children and youth to voice the urgent need for an educational system that truly nurtures the whole child The book also considers the need to remove the misunderstandings about the terms spirituality and religion among those who work directly with children and youth Covering key topics such as religion cognitive development and spiritual needs this reference work is critical for principals administrators industry professionals researchers scholars practitioners academicians instructors and students      **Understanding Children's Spirituality** Kevin E. Lawson, 2012-03-22 How important is childhood in the spiritual formation of a person How do children experience God in the context of their lives as they grow What does God do in the lives of children to draw them to himself and help them grow into a vital relationship with him How can adults who care about children better support their spiritual growth and direct it toward relationship with God through Jesus Christ These are critical questions that church leaders face as they consider how best to nurture the faith of the children God brings into our lives In this book over two dozen Christian scholars and ministry leaders explore important issues about the spiritual life of children and ways parents church leaders and others who care about children can promote their spiritual formation      *Nurturing Spiritual Development in Children by Understanding Our Own Spirituality* Ester R. A. Leutenberg, Deborah L. Schein, 2017 The purpose of this workbook is to encourage caregivers to be aware of the importance of spirituality and to realize that spiritual development can be nurtured at a very young age In order to successfully do this it is important for caregivers to explore and understand their own spirituality This book introduces the concept of spiritual development vital for all caregivers for it references aspects of spiritual development that are common to all people Each chapter offers insight into how spiritual development unfolds Readers will find information about various aspects of spiritual

development Space is given for reflection and journal writing This will provide opportunities to evoke and strengthen the caregivers spiritual development that will enhance the spiritual development of the children the adults are nurturing Each chapter concludes with a list of ideas activities and spiritual moments that caregivers can share with the children in their lives
